

COLIN MORRISON B.A.
Asst. Principal

Pictured above is Colin Morrison B.A. who in September will take up the post as assistant principal of Bayview Glen Public School.

Mr. Morrison received his BA from York University at its June convocation. He has been on the staff of TSA 1 Markham for six years and has taught at Henderson and Sixteenth Avenue Public Schools.

Mr. Morrison is now undertaking post-graduate work with the Ontario Institute for Studies in Education leading to a Master of Education degree with specialization in guidance.

K. Hamilton Sets New Record Wins Two Mile Events

Ken Hamilton of Richmond Hill established a new Canadian juvenile record during the August 19th weekend while winning the two mile at the Eastern Canadian Junior Track Championship held in Scarborough.

He achieved the record — previously held by Dave Knox of Hamilton — for the 3,000 metre distance while participating in the two-mile event. He was timed for the 3,000 metres, which is a slightly shorter distance than the two mile, and came up with the time of 9:13 minutes. Ken had finished second in the two-mile last year.

He wasn't so successful in the one mile event as he finished second behind Jean Dextras of Ottawa — who he defeated in the two-mile.

KEN HAMILTON
Local Track Star

"I blew it in the one-mile", admits Hamilton, "I made my move too soon and then he made his and took off on me before I knew what was going on."

What hurt the most was that Ken has been running against Dextras for three years and this was only the third time he had lost to him.

But the two-mile was a vastly different story as Ken led all the way finished in front by 30 or 40 seconds.

Seventeen-year-old Ken also participated in the Invitational Three-Mile CNE Open Meet on Sunday and finished a disappointing fifth.

"I just didn't feel like running," he said and agreed that perhaps he was tired from the previous day's running. The event was won by Dave Ellis, Toronto.

STOUFFVILLE: The ever-mounting accident toll involving motorcycles prompted Magistrate Russell Pearce to comment "they take too many chances and first thing you know, they're out of control" at a recent traffic court. He advised cyclists to obtain proper instruction on how to ride before going out on the road and to obtain a bike with sufficient power to keep pace with the regular traffic flow.

UNIONVILLE: The local firm of Alm Excavations Limited has been awarded a contract by the Ontario Water Resources Commission in Sault Ste. Marie, valued at \$619,204.26. The firm will supply and install sewers, sewer services, manholes and other appurtenances.

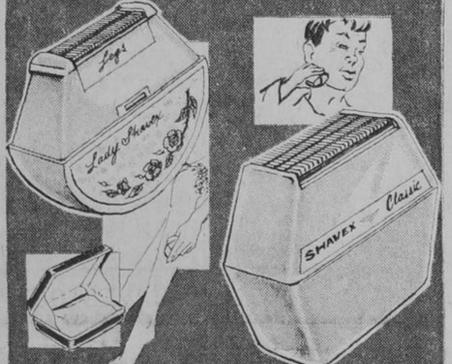

MARKHAM VILLAGE: Markham District High School had four Ontario Scholars this year, and 47 students are honor graduates. The four who obtained over 80% in seven credits are: Ann Prentice, daughter of Mr. and Mrs. Ken Prentice of this village; Donna Jean Annan, Colleen, Jack and Jane Van Blaricom.
