

BACK TO SCHOOL!

BE SURE YOUR CHILD IS NOT HANDICAPPED BY...

POOR VISION

83% of all the knowledge your child will acquire in a lifetime will be through the eyes.

Educational standards today are higher than ever and the handicap of poor vision can be an important factor in the student's lack of progress.

7th Anniversary Celebration WINNERS

Mr. and Mrs. Helmut Schindler of 110 Elgin Mills Road West are at present enjoying a week-long vacation in Banff. They will be visiting other scenic spots in the picturesque mountains by car. Mrs. Schindler was the lucky winner of a 7-day trip to any place in Canada, including transportation, hotel accommodation and a rental car as first prize in a lucky draw during the 7th anniversary celebration of Richmond Heights Centre.

In the picture above are President Vicki Paige of the Richmond Heights Centre Merchants' Association, Mrs. Schindler, Mr. Schindler and the association's Treasurer John Schouten, in the travel agency, as the lucky couple made their reservations. They flew to and from Calgary, by Air Canada jet.
