Rangers Defeat Owen Sound 2-1

Richmond Hill Rangers soccer team won a 2-1 squeaker from Owen Sound Saturday.

This was the important game in deciding the league championship and it seemed that whoever scored first would have the best chance to control the game. Rangers did just that with two quick goals in the first half from Outside Right Brian Graham and Inside Left Dave Andrews.

These goals took a lot of the sting out of the Owen Sound team. Any that was left in their forward line was well looked after by Centre Half and Captain Tom Young and Left Half Paul Hudson. Paul was playing his last game for the Rangers before leaving to start a new job in the North West Territories.

With their crisp tackling and good distribution of the ball these two players never let Owen Sound forwards settle at all until late in the second half when their centre broke away to score. He placed the ball well out of reach of Goalkeeper Roy Macaulay.

In this game everyone on the Rangers' side played his part and played it well in defeating Owen Sound.

Civitan Football League Gets Started Saturday

Weeks of preparation will come to fruition this Saturday when the Civitan Football League kicks off the first game at 9 am at Richmond Hill High School.

Three bantam and three peewee teams will be battling for the Richmond Hill championship, along with the fun and good sportsmanship that is an integral part of this minor sports venture.

BANTAM LEAGUE
The bantam league shapes up as a close battle, with all three teams showing strength and good coaching.

Ticats
Larry Wall's Ticats must be considered the early season bet to finish on top. Larry brings years of lineplay experience into play with the eager youngsters. Wes Bersteth ably assists Larry to complete a perfect combination of experience and discipline that will be hard to beat. Quarterback Ray Sullivan, when in the mood, should be the pick of the Ticats, and the strong offensive and defensive lines will win many games for Larry and Wes.

Stampeders
Ken Ham has kept his Stampeders under wraps for two weeks, preferring secret practices, and innocent looking trades with other teams to strengthen his team. Brian Madeley at quarterback should mature this year into a capable, journeyman footballer, and a good strong offensive line will make his job much easier. The player to watch on the Stampeders will be Halfback Steve Addley who brings speed and drive into the Stampers' T-formation attack.

Civilians
Bruce Venn and the Civilians have a problem at quarterback. Last season's peewee star John Stokes was slotted for the job, but John's indecision about playing has kept the Civitan team from functioning as a unit. Last word was that John Stokes is playing, and this should solve problem number one for the Big Blue of Civitan. Fortunately big Steve Helley will be cruising in the backfield, and if need be on the defensive line, offensive line, kicker, or wherever he may be needed. Most surprising performance could come from Mike Duncan, playing his first year as a bantam after a great year last season as a peewee.

PEEWEE DIVISION
Player problems, coaching problems, and equipment problems have beset the peewee entries from the very beginning and have made it most difficult for the teams to be 100% ready for Saturday's opening.

Rifles
Early training and regular coaching puts Ray Kye's Rifles well ahead in the early season play, and it will take a surprising effort from opposing teams to beat them at this time. Holdovers from last season's peewee team, Ricky and Bobby Russell along with Ron Hall give the Rifles experience not enjoyed by other teams. Ricky Russell should have a field day against the more inexperienced linemen.

Roughriders
Faced with small linemen, and a lack of experienced quarterbacks, Ray Simcas and Al Meddick have done a good job in preparing the players for Saturday's opener. What this team lacks in size they make up for in spirit and determination, and a bit of weight will make the Roughriders a real contender.

Argos
Like their bigger counterparts, the Argos are destined for the basement in early season play. Late starting, poor practice attendance and inexperience will keep Bob Bartholmes' team in a turmoil for two or three weeks before they ring up their first big win. Success depends on how quickly the players can knit together into a team, and how efficiently Quarterback Dave Addley can master the diversified attack planned for the Argos.

Come out Saturday morning and see football played for the fun of it, from 9:00 am until 12 noon, at Richmond Hill High School.

Defeat Dobbys 4-1

Kent Clothes Juniors Will Meet Madoc Saturday Night In OASA

Kent Clothes Juniors will continue along the OASA trail Saturday evening at Richmond Hill Town Park when they meet Madoc, Eastern Ontario's representative in the Junior "C" championship series. Game time will be 2 pm.

During the past week the clothiers took time out from their OASA engagements to meet Dobby's Sports of Willowdale in the first game of their league semi-final series. The game was played at Kinsmen Park, North York, August 29. All the scoring was done in the first three innings with the locals building up a 4-1 lead.

Brian Clark opened the game with a single, was sacrificed to second by Jim Henderson and scored on Larry Kelson's single. In the second inning Kents made it 2-0 when Bob Shelton drew a walk, stole second, advanced to third on a passed ball and scored when Dobby's Leftfielder Harry Hamill let Doug Carter's fly ball get away from him.

Dobby's closed the gap with a single tally in the bottom of the second. Doug Lewis got to first on a Kent error and advanced to third on a ground out and a bunt single by Tom Ashby. With runners on first and third Dobby's attempted a double steal. Kent Catcher Shelton threw out Ashby going into second and appeared to have Lewis coming in from third, but the ball got away from him as he attempted to tag the runner.

The Kent boys combined two Dobby errors with singles by Henderson and Shelton for their final runs in the third.

The two starting pitchers, Larry Moore for Kents and Gary Peck for Dobby's both went the route allowing six and seven hits respectively. Both teams made three errors. Brian Clark and Larry Kelson both had two hits for the clothiers. No Dobby batsman managed more than one.

of "Indomitable Domik" seeming to gain strength with each passing inning; the joyful drama of it all. Especially when you had prepared for the sad drama of it all? How, how?

What's that. You know all about it, perhaps you saw the game, felt the same emotions? Don't have to explain it?

Great. What a relief. Won't have to do the story on after all.

EARTHBOUND
Back down to earth now. Just a few more things to say regarding the fine effort put out by the Jewellers in that CNE Tournament.

Of course, Domik took top honors, but again it was a nine-man effort right down the line that did it. The team got the hits when they were needed and came up with the big defensive plays when needed except for that last game. They didn't have a chance because of Domik.

And the more I see of perhaps the unsung half of the Domik-Dickie battery, namely George Dickie, the more I'm impressed with his ability to handle Big Bob. They've been matched for a number of years and this fact alone can add a tremendous amount of effectiveness to a pitcher's efforts. George is excellent defensively, can throw, can hit, can run.

His only weakness? He apparently has trouble with his breathing when he gets a foul tip in the solar plexus. But we'll overlook that. For the time being anyway. P.S. It happened at the last CNE game but George recovered and carried on in the great tradition.

HOCKEY COMING
Won't be long now until the hockey season will be in mid-stride and in accordance the newly-organized Richmond Hill Junior Hockey Club is continuing to get ready.

Latest announcement is the appointment of Earl Methe of Richmond Hill, as manager of the club and Jack Shropshire as coach.

More on these gentlemen at a later date but both are well known in 'Hill and area hockey circles. Earl, who is 46, was born in Sudbury and lived in The Hill from 1956 until moving to Don Mills in 1966. He moved back in July of 1967.

He was connected with the Richmond Hill Hockey Association for several years as coach, manager, executive, floor sweeper (it says here), etc.

As for Jack, he's lived here for the past 14 years, played amateur and semi-pro hockey for a number of years. For the last 18 years he has refereed Junior A and Senior A hockey in the OHA. He's also a past executive member of the Richmond Hill Hockey Association.

Young Swimmers Show Their Skill Earn Many Awards At Local Pool

Between 320 and 350 people enjoyed the varied program presented last Friday night at Richmond Hill Centennial Swimming Pool. Included were demonstrations of teaching from beginner level to senior and bronze, four routines by the synchronized swimming club and one by the staff, competitions in synchronized and speed swimming and demonstrations of diving and of skin and scuba diving.

The "Goon Squad" presented a comic clown diving routine and then a display of regular diving from elementary to the 2 1/2 front somersault performed by Dave Gallagher.

At the end of the performance awards and prizes were presented.

Winners of the synchronized swimming competitions were: Senior, Susan Thompson and Margaret Inglis; Junior, Elaine Rice and Jennifer Hunter.

Winners of the swimming races were:

10 years and under girls, free style, 25 meters, Gayle Knapton; 10 years and under boys, free style, 25 meters, Michael Beggs; 11 and 12 years girls, back crawl, 25 meters, Joan Wilson; Karen Chapman (tied); 11 and 12 boys, breast stroke, Randy Diddams; 13 and 14 boys, butterfly, 50 meters, Nick Mil-

letic; 13 and 14 girls, breast stroke, 50 meters, Dale Andrews; 15 and 16 boys and senior boys, individual 100 meter medley, David Payne.

Other swimmers received awards earned during the York County Summer Swim League program: Cathy Andrews, bronze standard for girls free style, 25 yards; Nick Milletic, gold standard for butterfly and bronze standard for free style, breast stroke and back crawl; Dale Andrews, bronze standard for 50 yards, girls' free style; Mark Griffiths, bronze standard for breast stroke; Dennis Buck, silver standard for back crawl, 50 yards, bronze standard for free style and back crawl, both 25 yards, bronze standard for breast stroke.

Dynes Win CNE Tourney

Two 'No-Hit' Games For Bob Domik

By FRED SIMPSON
Rapid Robert Domik of the Richmond Hill Dynes Jewellers ripped up the CNE Fastball Tournament record books last week by firing back to back no-hit games.

It was the first time any pitcher has accomplished such a feat in the long history of the tournament.

His efforts also made it possible for a Richmond Hill team to win the tournament and the Bulova watches that went with it for the first time in six tries.

Domik started the ball rolling after his team's 10-6 opening win over Toronto Platina and went into high gear with successive 4-0 and 2-0 wins over J & M and Shopsy's of the Beaches Fastball League and St. Catharines Teepees in the final.

It was the St. Kitt's win that topped them all as Domik went into the game fresh from a seven-inning no-hit effort the previous night.

Seven innings later he had tacked on another no-hitter missing a perfect game by the margin of one walk in the first inning.

In this contest he struck out 17 of the 22 batters he faced and 15 of the final 18 batters. The last nine men to face him failed to even get wood on the ball.

A two-base run-scoring error in the fourth inning followed by a home run provided Domik with all the runs he needed. Third baseman "Skip" DeGeer started the inning off with a ringing double to centre field which skipped by Bob Collard. DeGeer went all the way around.

Neb Gayman followed with a sizzling shot which went over the right field fence on a line. They were the only hits the

Jewellers could manage off the fine hurling of Wally Dick. No balls were hit to the outfield and only three to the infield.

In dominating the final game in such a fashion Domik managed to upstage himself.

It was on the previous night against Shopsy's that he fired the ball past 16 batsmen in seven innings and walked five.

Hitting heroes in this contest were DeGeer and Les Downing as the Jewellers exploded in the third inning after threatening in the first and second innings.

DeGeer was first up in the third and first home as he whaled Moe Zabatiuk's pitch over the right field fence. Gayman and George Dickie then grounded out second to first setting the scene for Downing.

Downing drove another Zabatiuk tipped over the fence and grandstands behind it to make it 2-0. Charlie Leeming singled but Domik popped to third to end the inning.

Dynes' opening inning threat came with one out as Gayman doubled down the third base line. He was left stranded as Dickie struck out and Downing lifted out to centrefield.

They threatened again in the second inning as Leeming opened with a single, Domik followed with another single, and Billy Hunter sacrificed them to third and second respectively.

Leeming then made a bid to score as Glen Bennett pulled a sacrifice bunt but was nipped on a fine throw by first baseman Jack Waters to Catcher Andy Brown. Danny Boyne ended the inning by skying to second.

Shopsy's got a look-in only once in the game and that was in the second inning as Domik hit a wild streak after striking out

the first batter. He walked Leo Durocher, struck out Brown, and then walked Waters. But he ended the inning by whiffing Vandy Van Lammers.

The Jewellers managed six hits all coming off Zabatiuk who was replaced by Kemp in the fourth inning. Leeming led the hitting parade with two.

Domik hurled a total of 28 innings in the four-game tournament striking out 48 of the 99 batters he faced. He allowed six runs in the first game but then pitched 21 straight runless innings.

He allowed a total of only nine hits in the four games. Capsule comment: Wow!

One-Hitter For Domik

As Dynes Win By 3-0

Bob Domik spun a one-hitter Thursday night of last week as Richmond Hill Dynes downed New Toronto 3-0 in a Fairbanks Major Fastball League game at the town park.

Dynes runs came in the sixth, seventh and eighth.

Neb Gayman opened the scoring in the sixth with a homerun; Davey Day did the same in the seventh, and the final run was scored by Les Downing who led off the ninth with a triple and came home on Domik's fly-out.
