TSA 2 Markham Auctions Schools No Classroom Shortage This Year

Two of its old, one-room schools will be auctioned off by TSA 2 Markham this Saturday afternoon, September 9. Auctioneer is W. D. Atkinson of Stouffville.

The first sale will take place at No. 12 school on Concession 5, south of the Gormley Townline at 1:30 pm. At 3 pm, the second building, No. 19 School on Concession 9 near 19th Avenue will be sold.

There is a reserve bid on each property. Business Administrator Wilfred Morley reports considerable interest in the buildings and has a lengthy list of people who asked to be advised of the auction sales.

Anyone wishing further information or to inspect the buildings may call the board office, 887-5267.

Mr. Morley reported at the last meeting of the board that classrooms at Dickson's Hill School would be ready for occupancy at school opening. Furniture was installed last week.

With the addition of the eight new rooms, the school now has 12 classrooms, plus a library and general purpose room. An adequate water supply was located just recently and the septic tank bed, which had presented problems, has been enlarged to specifications of the York County Health Unit. Both these services have cost more than allowed for in the budget.

Property Chairman Elson Miles reported that the alterations to the septic tank tile field will cost \$11,000 over the estimates. While the building was ready for school opening, it was not completely finished and work on the grounds will take some time.

Accommodation-wise, TSA 2 is in a better position than last September when shifts were necessary because Parkview School was not ready at school opening.

The board had been concerned that the same situation might arise at Dickson's Hill this year but the construction firm, Belbee Construction Limited was not held up by strikes and construction proceeded according to schedule. The only holdups were the well and septic system.

Mr. Morley reported that TSA 2 was in a much more fortunate position in this regard than some neighboring boards. In Markham Village, a new school which was to have been ready by September is still in the early stages of construction because of strikes throughout the summer and the board has rented Mount Joy School from TSA 2 to help out until their own accommodation is ready.

Bus routes could not be completely finalized before school opening because of increased school population, although children were given new bus routes in June. "The bus routes could change," said Mr. Morley. "I am getting calls constantly from new people moving into the area."

It is expected that the cost per bus will remain the same as last year.

At its last meeting, the board again considered the question of the site of the new senior school planned for September, 1968. The board was asked to explain, at a meeting with members of Markham Township Council recently, why they chose a site on Concession 7, rather than at Unionville, where the bulk of the population is.

The board had felt that land on Concession 7 close to Markham Village services would be more reasonably priced. However, it was agreed to investigate the possibility of a site on Concession 5, west of Seiberas Road with respect to land and servicing costs.

Church News

Monday afternoon of last week, the junior girls' and boys' class of the Sunday school, accompanied by their teachers Mrs. P. Bennett and Mrs. J. Boyd, held a picnic at Bruce's Mill Conservation Area.

The children enjoyed swimming and a delicious picnic supper.

September 10 at 11:30 am church service will be held with Rev. Martin Jenkinson in charge.

Choir practice will start for the fall September 7, from 7:30 to 8:30 pm.

Women's Institute
The first meeting of the WI for the fall season will be held September 12 at 8 pm at the home of Mrs. Harry Barber. The theme of the meeting will be historical research. Roll call — "Bring Something Old in Silver." There will be a guest speaker on antique silver. Hostesses: Mrs. H. Mortonson, Mrs. D. Rumney, Mrs. C. Walker.

Lions Auction
The Lions Club is holding its annual auction and rummage sale in the community hall on September 23. There will also be a sale of baking and produce. Rummage sale starts at 11 am, auction sale at 1 pm. Refreshments and a bicycle draw are other features.

Useful and saleable articles of any kind are required. For pick up call 887-485 or 887-5420.

All proceeds will be used in and for the community for health and welfare; boy's and girls' recreation; sight conservation; blind and emergency relief.

Neighborhood Notes
Albert Tatton returned home recently from York Central Hospital, Richmond Hill where he underwent surgery. He wishes to thank all who sent cards, flowers, and a special thanks to the Victoria Square UCV for the beautiful red roses.

Mr. and Mrs. Albert Jude of

Willowdale were Sunday dinner guests of Mrs. A. Tatton recently.

Mr. and Mrs. Douglas Scotchmer and family of Galveston, Texas, visited Mr. and Mrs. Jim Boynton and family. Douglas is a former Richmond Hill boy, and he and Jim attended Richmond Hill High School and later college together in South Carolina.

Miss Sara Gibson has returned home from Europe where she spent her summer vacation touring every country except behind the Iron Curtain. Sara is the eldest daughter of Mr. and Mrs. Ed. Gibson.

Rev. and Mrs. Martin Jenkinson returned home last week, after holidaying the month of August in Vancouver with relatives.

A speedy recovery is wished for Mrs. Don Matthews, who is in York Central Hospital. Her address is Room 411.

Mr. and Mrs. Stuart Burnham of Guelph and Mrs. R. Perkins called on Mr. and Mrs. Ralph Boynton on Wednesday of last week.

Mr. and Mrs. Jack Leitch, Sharon and Peggy have returned home after spending their holidays in Western Canada.

Mr. and Mrs. Vic Draper and Tammy of Ottawa have been visiting here the past week with their parents and sister, Mr. and Mrs. Gordon Draper and Lois.

Birthday greetings to Sherry and Shelly Brumwell, six years, September 7; Miss Joy Mortonson, September 9; Peggy Leitch, September 12; Karl and Katharina Vanderkooy, five years, September 12.

Mr. and Mrs. Harold Bradford of Ravenshoe spent the weekend with Mr. and Mrs. Percy Bennett.

Mr. and Mrs. Harry Barber Jr. and family of Guelph visited Sunday here with their parents, Mr. and Mrs. Harry Barber Sr.

Early Seeding Of Winter Wheat Promotes Thicker Stand, Survival

For winter wheat which will be seeded soon early seeding promotes a thicker stand and winter survival. Treating the seed with insecticide will stop wireworms and other soil insects. These are apt to be bad in fields broken from sod.

Standard variety of wheat for this area is Genesee with Talbot also a good choice, particularly if lodging is common.

Wheat can use high rates of nitrogen profitably, but most of

it should go on early in the spring. At seeding around 15 pounds of nitrogen is enough for good fall growth. Where a lot of straw is plowed down, extra nitrogen is needed to rot it quickly. About 75 pounds of ammonium nitrate will do this job well.

If you are contemplating making improvements to your farm this fall, Agricultural Representative A. A. Wall advises making application for capital grant from the Ontario Department of Agriculture and Food.

Half the cost, up to \$500, is available for new wells or farm ponds. There is a 40% grant on field enlargement and grants of one-third the cost on new buildings, remodelling of buildings, paving yards, new storage, or land drainage.

There is sure to be a lot of interest in drainage after this exceptionally wet growing season. Orders should go in now, even if the work is scheduled for next year, as tile men have

a lot of work booked and the machines are not readily available.

Details and applications for capital grants, as well as assistance on tile drainage, are available from the Department of Agriculture's Newmarket office. It is now located in the Newmarket Plaza, on the second floor at the west end, in what was formerly the auditorium. The phone number has also been changed. It is now 895-4519.

Interest on daily balance

YOUR savings earn the highest true interest in a Savings Deposit Receipt Account. No other account in Canada earns you so much interest. That's because Guaranty Trust calculates interest on the minimum daily balance.

There are no chequing privileges but withdrawals can be made any time. Minimum balance \$3,000.

Guaranty Trust

Federally incorporated and supervised.
Capital and reserve \$27,000,000. Deposits in excess of \$400,000,000.

CORRESPONDENT: MRS. F. H. LEAF

Neighborhood Notes

September again, and those pipers of the road are whisking children around the township each to his proper school in long yellow buses. Motorists beware! Many a driver winds up in court charged with disobeying traffic rules where school buses are concerned.

Donald Tribbling is Norm

Reid's new associate in the Norman Reid bus lines.

The von Kaitz family is moving from the farmhouse at Brae Doon Farm, north of Arneligh Heights Subdivision, and the new tenants will be Meryl Johnson and his daughter Mary Ellen.

Mr. and Mrs. Ken Stots and Mrs. Lucy Topham of Stouffville spent several days last week with Mrs. Stots' sister and her family at Simcoe.

Mrs. S. J. English returned last week from a vacation at Severn River with the K. C. Gray family.

Mrs. English's grandson, Bill Bartram, whose wife was the first married woman ordained in the United Church, is moving to Chicago where he will enter divinity school this autumn.

Honor Rev. Graham Scott
On Sunday following the service at Brown's Corners United Church there was a congregational luncheon to honor Rev. and Mrs. Graham Scott. Mr. Scott served as student minister on the Victoria Square Charge under Dr. A. F. Binnington for the past two years and relieved Rev. Christopher Dugan during the month of August at Brown's Corners.

At his graduation in June, Mr. Scott received several scholarships, and will take post graduate work at Emmanuel this year. Next year he and Mrs. Scott will go to Europe for two years of graduate study. At Sunday's luncheon the couple were presented with token gifts — a corsage for Mrs. Scott and a purse for Mr. Scott.

Buttonville women will surely recognize the message in Pat McClelland's new book, "Ladies Please Provide." The item listed above was one such call to action. Mrs. McClelland, who lives at Cedar Grove and has written an entertaining local column for years has named the password — PROVIDE! — in this her most recent work.

This week Brown's Corners UCV will answer the cry — on September 9 at the Firefighters' Club when they will cater for 115 guests at a wedding — hot roast beef and all the trimmings. The following Wednesday they will serve dinner for 175 at Leitchcroft. Seldom a week goes by that some group is not dined by the local ladies, be it church, women's institute or hospital auxiliary members.

Two Buttonville landmarks are presently being torn down to make way for the new golf course bordering Buttonville Airport.

The barn on the Hood farm is gradually being dismantled, and now work has commenced on the small barn on the Stephenson property north of the mill, bordering Don Mills Road.

Residents are wondering what the situation is now regarding property on which interested persons were hoping to build seven stores, at the corner of Don Mills Road and Perth Avenue south of Highway 7.

Last Sunday night a new "For Sale" sign was erected on the property.

Last month home owners who live in this area protested to Markham Township Council that so many stores in that site would be unprofitable for several reasons.

IMPORTANT ANNOUNCEMENT

Cascade 40 Richmond Hill Hydro Consumers RENTAL WATER HEATERS

After 8 years of rental payments on an electric water heater, no further rental will be charged on that heater for the remainder of its life. Only the energy charge will continue.

In the event the unit fails and has to be replaced before the 10 year guarantee expires, rental charges on the new unit will not be reinstated until the end of the guarantee period of the original installation. The customer is assured 2 years free of rental charges.

All maintenance and application of the guarantee on the complete unit, will be carried out by Richmond Hill Hydro at no cost to the customer.

The plan commences immediately and becomes effective automatically for the customer as the 8 years is completed.

This new plan has been made possible because of the wide acceptance of rental units by our customers. Richmond Hill Hydro has 1,900 rental water heaters in service.

Further information on the new rental plan will be mailed out to each consumer as he becomes eligible.
