Newmarket, Aurora, Richmond Hill, Thornhill, Markham and Stouffville.

Honorary President is Senator Wallace McCutcheon of Gormley with the balance of the executive drawn from Oak Ridges, Thornhill, Stouffville and Richmond Hill.

And John is hoping his club — now admittedly operating on a shoe-string — will expand and do its share to spread the track and field gospel around the area.

He points out that the sport of running is, believe it or not, becoming more popular all the time.

THE "JOGGERS"

Examples are the "jogging clubs" now springing up in Toronto featuring people of all types, sizes, and ages. We should be in there somewhere.

"Of course," warns John, "if you're not used to running you should start it in easy stages. Jog a mile or so the first week and gradually pick up. You'll find yourself capable of going a little bit farther as each day goes by."

He adds that "jogging clubs" also help you to get to meet people on a social basis, etc. Maybe even your doctor.

But back to John and his new club. Any high-schoolers or other young men (old men?) interested in becoming members can find out all the information by calling John at 889-1619. That's if you're in the Thornhill, Unionville, or Richmond Hill areas.

But as for the rest of you: Don't start running until you see your doctor. Think I'll go myself today. Might even run there.

HIGH COST OF LIVING

See where the cost-of-living is now taking a whack at the Richmond Hill Minor Hockey Association and, naturally, the moms and dads who foot the bill for the junior.

Not to mention the purchasing of those 1967 minor ball softball jackets for Bobby, (running around \$12) which is coming at a time when hockey prices are also confronting the beleaguered parents. You got to have them but it's all money, eh?

Loop Prexy Harold Barnett staves off the criticism from parents with three or four children by stating that it's understandable but something that can't be helped.

He points out the increased registration fees — up from \$6 to \$8 in the ages 5-12 bracket, and \$6 to \$11 in the 13-18 bracket — are a direct result of increased operational costs. Season tickets are available at \$7 each.

The costs increased to the point where the association ended last year's operation with a deficit. The added costs of the new arena and the potential increased refereeing fees have further complicated this situation.

It's something, I suppose, that can't be helped and it's the price one has to pay in this day and age.

As one parent put it: "I've got one child, he's a goalie and it cost me about \$52 for goalie skates this year. Add this to the registration, season tickets, gas to out of town games, etc., it takes money."

"But," he added, "I personally get \$500 worth of pleasure out of the \$60 or more I may pay a year by watching him have fun. I think it's worth it. But it can be pretty rough if you have three children participating."

DYNES TIME

By this time the Richmond Hill Dynes Jewellers may or may not have wrapped up the 1967 Fairbanks Major Fastball League championship for the second year in a row. Will go limb walking and predict they will have. So congratulations.

It's been a good year with Domik and company providing some topflight entertainment.

And, oh, one more thing. Someone has suggested perhaps the Dynes Jewellers and the Beaches Fastball League's winning entry should hook up in a "city" championship battle this season.

Now that would be a dandy providing the weather stays warm for a while. The inimitable Mr. "Casey" Cripps says he would be ready, willing, and able.

Lose 40-13

Suburba Knights Downed Again... This Time Via Burlington Braves

It was lumps and bruises time again last week for the Richmond Hill Suburba Knights Junior football team.

The brutes this time were members of the Burlington Juniors who romped to a 40-13 win.

But — despite the lopsided and passing which culminated in a 30 yard passing play to flanker Dennis Laverty for a touchdown. Laverty, incidentally, also plays the quarterback position for Richmond Hill.

One of the dramatic plays of the game belonged to the losers as quarterback Kapitza tossed a 25-yarder to end Rod Huggins who broke loose after appearing to be stopped — he had his helmet ripped off by a lunging opponent — and then scampered 50 yards before being brought down short of paying dirt.

Richmond Hill's defence was porous on this occasion out but there were still some standouts. They included Rich Dick, another ex-Ram, who played a rough game at end. John Galaski played extremely well at middle guard; ditto Dave Johnston at corner linebacker.

been only able to salvage a 7-7 tie and that was against Scarborough Rams.

Despite the score, Saturday's game proved to be the Knights' best to date.

Their first touchdown came in the opening quarter on a fine end run by Harry Ahofs, a veteran of the junior conference.

It was Ahofs' best game of the season. At one point he made a perfect pass to end Bob Booth on a halfback option that covered 30 yards.

Burlington led 21-7 at half-time but the game Richmond Hill squad doggedly attempted a comeback.

The visitors added to their total in the third quarter but the Knights fought back in the fourth.

Newcomer quarterback Ernie Kapitza was the main offensive inspiration for Richmond Hill as he moved the team into scoring position twice.

He capitalized on one occasion as he combined a running

Dynes Jewellers Near Title; Lead Male Shop By 2 Games

Even a miracle would have trouble sparing Male Shop after last week's 7-0 ramble for Richmond Hill Dynes Jewellers.

The win was the second straight for the Jewellers who moved to within one game of capturing the best-of-three Fairbanks Major Fastball League championship for the second straight year.

And it may be all over now as the Dynes team was slated to play the third game Tuesday night of this week. (See the front page for the results of this game.)

Again it was a combination of lusty hitting and air-tight pitching from pitched ace Bob Domik who allowed only three hits, walked two, and struck out 14.

Opponent Al Griffin wasn't so fortunate in getting tagged for the seven runs, 12 hits. But he wasn't helped at all by his teammates who booted the ball on seven different occasions.

Dynes was off and running in the first inning as Neb Gayman led off with a walk, ditto George Dickie, and Les Downing followed with a Gayman-scoring double.

LEIK PLAY TENNIS

Richmond Hill Tennis Club By Les Harper

The annual general meeting of the club will take place, October 13, in the basement of the library starting at 7.45 pm. A good turnout is most important for it is at this meeting we elect the new executive for the 1968 season.

Anyone wishing to nominate a candidate will find the appropriate sheets on the notice board in the clubhouse. Following this meeting we will adjourn to the Harpers' at 427 Lynett Crescent for refreshments. The more the merrier.

It was a cold blustery day with showers but this did not deter the stalwarts who had signed up to play in the Newmarket Men's and Ladies Singles last Sunday.

The Richmond Hill contingent was unsuccessful and the honors went to Don Paul, Newmarket, (men's singles). Because of inclement weather the ladies' singles event was not finished and so the co-holders are Joyce Jones, Aurora and Elizabeth Shearer, Barrie.

Charlie Leeming went out pitcher to first and during the temporary confusion Dickie attempted to scramble to third but was nipped.

The score remained 1-0 until the fourth when Domik led off with a single, Glen Bennett was hit by the pitcher, and Danny Boyne doubled to score Domik with Bennett moving to third. Buck Buchanan struck out but Bennett came home on Skip DeGeer's sacrifice fly to right field.

The Jewellers moved the game away out of the reach in the seventh as they reported in with four more runs to make it 7-0.

Dickie singled and ended up on third on a two-base wild throw by Catcher Jack McKenzie. Downing then doubled scoring Dickie. Leeming struck out but Domik walked. Bennett whiffed only to have Boyne come up with a single to send home Domik and Downing with Boyne ending up on second.

Red Wilson batted for Buchanan and proceeded to single home Boyne.

If Jewellers lost Tuesday a fourth game will be likely slated for tonight (Thursday) at the town park at 8.30 pm.

Dynes Win First Game Of Finals Zipping Male Shop By 8-1 Score

Dynes Jewellers did what everyone expected them to do Thursday night of last week.

They breezed to an 8-1 win over Male Shop in the opening game of the best-of-three Fairbanks Major Fastball league finals at the town park.

Sailing to a five-hit victory was Bob Domik who shut out the enemy until the top of the ninth.

Individual hitting star of the night was Bill "Skip" DeGeer who whacked out two home runs.

He started it off early. First man up in the first inning. Zot. A long home run over the right field fence.

Dynes made it 3-0 in the fourth as Bren Selvage walked and two outs later came home on Charlie Leeming's inside the park homerun to centre field.

The Jewellers added to their scoring in the seventh as Bucky Buchanan struck out, Leeming singled, Billy Hunter struck out, and DeGeer whacked his second homerun of the night.

Then came the eighth inning as Les Downing got into the act belting another home run. Danny Boyne batted for Selvage and came through with a single.

Pitcher Domik then brought him around with a wallop over the left field fence.

Male Shop made a belated rally in the top of the ninth. Domik started them off by

walking Bill Hamilton. Jack McClenaghan sent him to second with a single. Hamilton came home on another single by Bob Kennedy.

Domik settled down to get Nick Lucy on a fly out, ditto Flynn, and then struck out the final batsman to end the game.

He struck out 13 of the opposition.

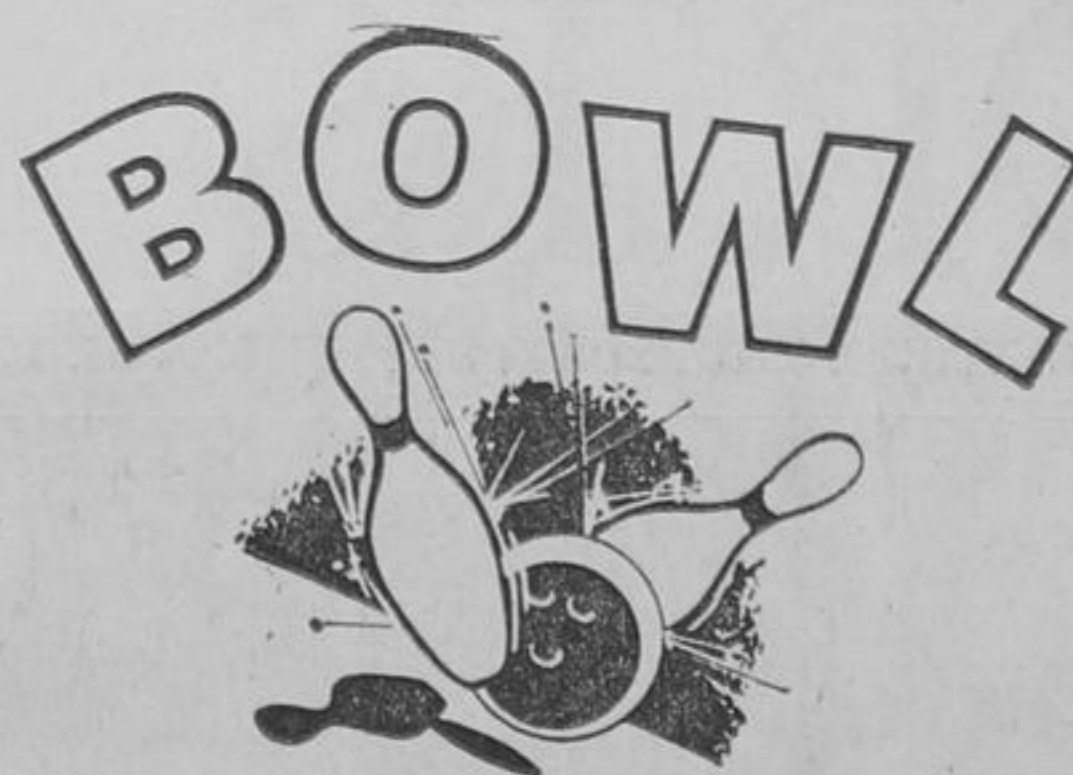

McClenaghan came up with two hits off of Domik.

The third and possibly final game will be played tonight (Thursday) at the town park. Game time, 8.30 pm.
