Ross and Jo Garratt, Goodman Crescent spent the week of November 4 to 11 holidaying in Bermuda. They flew down and stayed at the Waterloo House while there. Jo reports that the weather was in the 70's with only one day of rain. One of the most impressive things about their trip was the extreme friendliness of the native Bermudians. Jo's mother Mrs. D. Ashdown of Toronto kept house for the Garratts while they were away.

George and Iris Sara, Oldfield Road, spent last week in London, Ontario attending the Mobile Homes Convention. The approximately 400 people attending the convention stayed at the Holiday Inn. The group was entertained royally with one highlight being a show with Wally Koster as the guest entertainer.

Son Jim Sara was home the previous long weekend for his mid-term holiday from St. Andrew's College. Unfortunately Jim had a case of German measles that coincided with his holiday.

Son Michael injured his eye playing for Langstaff Secondary's football team, during the week that Mr. and Mrs. Sara were away.

The Festival Choir of Vaughan will have a group of 40 of its members, including several Maple youngsters, taking part in this Saturday's Santa Claus Parade. The group will be on a float with Bobby Gimby, singing "Canada".

A new dining spot in Maple has been opened for a few weeks now and provides a pleasant treat for anyone looking for a special spot to have lunch. Mrs. Edith Thornton, proprietress, Maple Restaurant at Keele Street North has added an intimate dining room to her restaurant. This room seats 30 and is very tastefully decorated with a nice atmosphere.

The Brownies and Guides in town went by chartered bus last Saturday to the afternoon performance of the Ice Capades at Maple Leaf Gardens. This very special treat was enjoyed by all the girls.

The Voice Of Concord

People and Places
From this column onwards, news should be directed to Mrs. Margaret McLean at "The Liberal".

Your correspondent, Mrs. Pauline Taylor will be moving from Concord within the next few weeks so will be unable to continue collecting the news in this area. I have very much enjoyed writing this article each week as well as the many acquaintances that I have come to know even if only by their voices and the friendliness and help of everyone with whom I have been in contact and give up the job of correspondent quite reluctantly.

Mr. and Mrs. Clive Taylor with Craig, age five and Cheryl, 10 months, are moving further north to Schomberg, where a home they are having built is nearing completion on three acres of land they bought several years ago.

In deep contrast, the home they are leaving in Concord is over 170 years old, a converted church.

Anyone who is interested in serving the community as a correspondent is invited to call Mrs. McLean at 884-1105.

Councillor Dave Fraser, Highway 7, mentioned that council meetings are being changed from Monday to Tuesday evenings. This will be on a trial basis to see whether it works out.

The next meeting will be November 28, then every second Tuesday afterwards. Meetings are held at the municipal offices in Maple and are of course, open to the public.

Mr. and Mrs. Donald Hope, Lawrie Road, are proud and happy to announce the birth of a son, William Donald, on October 24 at York Central Hospital, Richmond Hill. The five pound weighed in at 7 lbs. 5 1/2 oz. and is a baby brother for Donna, age 3 1/2 years.

Now that Hallowe'en is over for another year, while gazing over the calendar it sort of hits one with a bang to see that the Royal Winter Fair is upon us and will be closely followed by the Santa Claus Parade. If families are thinking of attending either one or maybe both of them, let's hear all about it from you. Let's hope that the temperature is a trifle warmer for the parade than last year.

Remembrance Day, November 11, also happened to be the third birthday of Michael Camp, Lawrie Road and the happy occasion included a party that same afternoon. About 10 young friends attended, among them: Patricia Wright, Adrienne Olley and Kevin and Sean Sweeney. Michael's young sister Sharry, eight months, found the party just wonderful and she sat the whole afternoon just stunned by the noise and excitement of all the children enjoying themselves.

Trip Into History For Gr. 4 Vaughan Pupils
Every grade 4 pupil in Vaughan Township Public Schools will spend a morning between November 13 and 30 visiting three historic sites in the township, under the auspices of the teachers' Centennial committee. They will then spend the afternoon at the craft centre at Pioneer Village. This was announced at the November 9 meeting of Vaughan Township Public School Board.

Maps, guides and information have been provided for use of each class in preparation for the tour. Following it a project in team-teaching will be carried out by the supervisors to demonstrate possible correlation among various areas of school programs.

Included in the list of sites from which to be visited are the old harness shop at Don Head Farms, the Hayhoe Mill at Woodbridge and the industrial area.

Weed Control Needed In Towns And Villages
Due to heavy and prolonged rainfall, weed control spray schedules were interrupted during the past summer and as a result weeds such as Canada thistle, perennial thistle and ragweed were epidemic in some fields, particularly in the centre part of York County, reported York County Weed Inspector Frank L. Marritt, at a recent session of county council.

Mr. Marritt also reported that the many farms in the southern part of the county held for investment and not farmed have become a menace to good farmers. Most such owners were contacted this fall however, and advised to spray for weeds next season. Both county, township and provincial roads were said to be very clean of noxious weeds this year. However, Mr. Marritt suggested that more spraying could be done on rights-of-way in towns and villages to control ragweed and abate the hay fever problem.

White weed control on rail road rights-of-way had been a problem for several years past. Mr. Marritt noted that last year and this both the CN and CPR had instituted chemical weed control programs with gratifying results.

Bowling Results
Results of last Tuesday's bowling from "The Spotlight Coffee Club" reveal that the high average scorer was again Joan Webster with 210. High single (flat) was a tie between Anne Bowses and Doris Higginson with 244. High single (with handicap) was another win for Anne Bowses with 262. The familiar name of Joan Webster shows up again taking the high triple (flat) with 687 and the score of high triple (with handicap) goes to Lil Poole with 688.

Team 5 took five points when playing Team 3 which got two. Team 2 took four points while Team 6 got three. Team 4 took four points leaving Team 1 with three.

Many parents whom teachers would liked to have seen were conspicuous by their absence. If at any time parents would like interviews with teachers or principal Brian Robinson, please telephone the school at 889-2542.

Special thanks are extended to the room mothers, Mrs. F. Poirier, Mrs. D. Todd, Mrs. D. Fraser, Mrs. G. Barber, Mrs. R. Wallace and Mrs. J. Madill. Special thanks also to Dave Fraser for his assistance.

How lovely to hear that four children from Concord Public School took prizes at Woodbridge Fair which was held recently. They are: Ruth Templeton, grade 5; Blair Bruce, grade 5; Silvana Savini, grade 2 and Mark King grade 4.

The Concord Guides are holding a bazaar November 25 at Concord Public School from 10 am to 1 pm. The girls will be coming around to pick up any saleable loose articles from homes November 18, from 10 am onward. If you are not able to be at home on that day an alternate pick up can be arranged by calling Mrs. Templeton at 889-1961.

Scouts
At last Thursday's meeting the Concord Scouts were given instructions on laws and participating games.

We would like to apologize to Bill Gambell whose name came out in last week's column spelled as Bill Campbell.

Edgeley WI
The ladies of Edgeley WI had a most enjoyable time on the evening of November 8 when they were guests of Maple WI. Also entertained on the same occasion were the ladies of Richmond Hill and Vellore WI. During the evening Mrs. A. Burton of Woodbridge showed slides of her trip overseas when touring the British Isles and the Continent. The roll call had something of a switch to it, for the ladies called their maiden name and told where they were born. The evening concluded with a delicious lunch.

Edgeley's own WI meeting was held the following evening, on the 9th. Held at Mrs. C. Boake's house, it saw 15 ladies present. The program was mostly a report of the area convention by Mrs. Earl Jackson and was said by everyone to have been very good. Part of the evening was put aside to have a penny auction and from what we hear, this was most amusing and much enjoyed by all. The appetizing refreshments served were contributed by the committee. The door prize was won by Mrs. J. Spencer.

The next meeting will be December 7 at noon at the home of Mrs. Bruce Snider and a pot luck luncheon will be served.
