MRS. M. NEEDHAM

Triple Winner

Richmond Heights Centre's monthly Triple Your Baby Bonus draw for October was won by Mrs. M. Needham, 55 Trayborn Drive, Richmond Hill.

Mrs. Needham cashed her \$8 cheque in a member store at the centre, deposited her name in the box provided and received \$24 when her name was the one drawn. That was all she had to do to triple her money.

That is all you will have to do to qualify for the November draw.

Have You A Dependable Personal Pharmacy?
Everybody should have one personal pharmacy which they can call their own. They should be sure to get all their prescriptions filled only in their own personal pharmacy. There are important reasons for this.
Every pharmacy records each prescription they fill. Some people are allergic to certain drugs. Others may be getting prescriptions from more than one Doctor and the medicines may conflict with each other. When one pharmacy fills all your prescriptions, the record file contains all the information needed for the pharmacist to help protect you. If you will permit us to be your personal pharmacy your prescription record will always be completely available.
YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound and dispense yours?

The annual penny auction sale was the highlight of the November meeting of the **1st Beverley Acres Scouts and Cubs Ladies Auxiliary** with Mrs. John Riswick doing a very efficient job as auctioneer, and members picking up outstanding bargains from the many items offered for sale.

The December meeting will be held on the 12th, one week early and will be the Christmas party. Each member is asked to bring a 50 cent gift and box lunch. No definite date has been set for the boys' parties.
