#### Levy One Mill Memorial Park

King City Village Trustees have asked township trustees to levy one mill on the village's 1968 tax bills for the memorial park. This levy will raise about \$2,000 and will be used by the parks board to purchase equipment for park maintenance. Trustees noted that this is a one-shot levy and is not to be considered as setting a precedent.

Other major expenditures on the park this year will come from funds provided by the King City Lions Club and other

At the trustee meeting on February 12, Mrs. Laura Rollings displayed her Canada Centennial Medal and the accompanying citation. Trustee David Clark complimented her on receiving this coveted honor and extended the congratulations of trustees and citizens of the village.

#### Honor Retiring Chief At Gift Presentation

The man who played a large part in organizing King City Volunteer Fire Department and became its first chief on January 12, 1955, David (Pete) Glass was honored February 13 by his fellow firemen and villagers. Mr. Glass recently resigned from the position of chief as his present employment will not permit him to fulfill the Captain Jack Monkman

of the brigade paid tribute to Mr. Glass' services to the department and the community as fire chief and reminisced about humorous and interesting events which have taken place since the brigade was organized. He then presented the retiring fire chief, on behalf of the 18 volunteers who have served under him, with a desk set, with pen, clock and suitably en-

skating show.

graved plaque on a marble

On behalf of the village trustees and citizens, Trustee Dave Clark paid tribute to Mr. Glass, "under whose direction the King City Fire Brigade has developed into a first fire-fighting unit. It need take second place to none." He then presented the retiring fire chief with a top quality projection screen as a token of appreciation for 13 years of devoted service. Mr. Clark was pinch-hitting for Peter Williams, chairman of the village trustees and police and fire commissioner, who was unable to be present because of illness in his home.

Harold Kirby who has served as deputy-chief of the volunteer fire department since its inception 13 years ago, will be in charge until a new chief is appointed.

# How Fast is IUU FASI?

#### At Night the Critical Speed is 55 mph

A little known fact regarding the dangers of speed at night is illustrated in this chart. The Ontario Highway Traffic Act requires that automobile headlights must reveal persons or vehicles at least 350' ahead. At 55 mph a motorist is travelling at a speed that brings him dangerously close to being unable to avoid crashing into a stalled vehicle or stationary object on the road ahead. At 60 mph it is doubtful that a driver could stop in time, and at 70 mph he is limited to two unattractive alternatives: crashing or swerving off the highway.
