

Art Patron, Beloved Grandmother Mrs. Willy Redelmeier Passes

Well known for her interest in community affairs and her support for many charitable institutions, Mrs. Willy Redelmeier, passed away February 1 at her home Don Head Farms, Maple Sideroad, after a lengthy illness. Mrs. Redelmeier was in her 76th year.

The Redelmeiers and their three sons came to Canada from the Netherlands in 1939. They settled at Don Head Farm in 1940 and the farm subsequently gained world-wide recognition for the quality of its breeding livestock.

Following Mr. Redelmeier's death in 1953, the farm was carried on under Mrs. Redelmeier's guidance. She entertained the World Jersey Conference in 1954 and individual Jersey breeders from all parts of the world.

A teacher prior to her marriage, Mrs. Redelmeier had a deep love of children. For many years it was her custom to hold a Christmas party for children of the farm employees, sometimes up to 30 or 40 of them, and this past Christmas she much enjoyed a Christmas party with her grandchildren.

Mrs. Redelmeier was honored president of the Richmond Hill Horticultural Society and a former member of the Art Gallery of Ontario. She was a member of St. Mary's Anglican Church, Richmond Hill.

Surviving are three sons, Ernest and Francis who operate the family farm and Robert of Toronto, and eight grandchildren.

A private funeral service was held at home February 2 followed by interment at Maple Cemetery.

The many friends of Mrs. Nelson Dean, Vaughan Road, are delighted to see her home again after major surgery at Wellesley Hospital in Toronto.

Elected to office at the annual meeting of the York Centre Riding Association of the NDP, held February 7 in the local public library were: President J. Knott, Vice-President R. Clifton, Secretary P. Sutherland and members at large, S. Blakeman and W. Naylor.

The Allencourt District Local Association Guides and Brownies would like to thank mothers of the Guides and Brownies for generously baking or donating money for their recent Valentine Card Party.

It was most successful and a special thanks is extended to Mrs. R. Sculthorpe, Mrs. W. Urquhart and Mrs. W. Bonnell for the use of their homes and all the people who bought tickets to help this worthy cause.

Diana Bubeloff, with only two seasons of piano study behind her, was selected to enter the Kivans Music Festival in the piano solo, 10 years and under class, and received third prize award with 82 marks playing Russian Hopak. The adjudicator's comments were "A good sense of movement and expressive contrasts". Diana placed only three marks behind the winner's 85 percent.

Also competing in the festival was David Thomas, with only one season of piano study, who placed 4th with 78 marks in the 8 years and under class. The adjudicator commented "This is a steady march with well marked rhythm — some effective contrasts of expression — it had character!" For a little fellow, just turned 8-years-old, playing The March of the Gingerbread Men, the above are highly complimentary remarks.

In the piano duet, 11 years and under, Linda Hare and Diana Bubeloff, the only pair to play A Contradance by Mozart, from memory, came through with 78 percent. Comments for their effort were "This was carefully co-ordinated — some effective contrasts of expression".

Why Prescription Drugs Cannot Be Returned

Sometimes a medicine prescribed for you by your physician does not accomplish the desired result, or has a disturbing allergic effect on you which is not beneficial. Your physician will direct you to stop taking that medicine and will usually prescribe another.

Unlike other pharmacy products, which are guaranteed by their maker, prescription drugs cannot be returned for a refund. Pharmacists are responsible for the potency and purity of prescription drugs. Once they have left the pharmacy and are no longer under our supervision, we could not dispense them in a prescription for someone else. You would not want a medicine returned to us by a sick person.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound and dispense yours?
