Congratulations to Bill and Jan (my predecessor) Myers on the birth of their son who weighed in at 7 lbs. 1/2 oz. at two minutes to eight Tuesday morning February 27. Lynn, Lee and Tracey are just delighted with their baby brother whose name is Brian Hilyard.

Jeff Sandford, 10 Gosling Road attained the great age of eight years recently. Joining him to celebrate his birthday were David Cook, David Taylor, and Jimmy Jellison. Peter Holtz, Kathy and Randy Howieson and his sister Joy. They all went to Richmond Hill bowling during

In The Village Of Maple

the afternoon February 24 and returned home for the birthday fare and fun and games.

Friends and neighbors of Peggy Chalmers, 31 Malarene Road were sorry to learn she had slipped a disc last Thursday and is now flat on her back at home. She is bravely carrying on her office work from her bed for our friendly old man Doug. We all wish her a speedy recovery.

Lloyd and Det Palmer, Richmond Street flew to Tampa February 24. They motored to Daytona and met with Madeline and Jim Leatherdale, Mr. and Mrs. C. G. Brown, Mr. and Mrs. Weese and Audrey and Earl Magee. The men went to the races on Sunday while the women played shuffleboard and

hoseshoes and walked along the beach.

Monday they took a bus tour to Cape Kennedy and saw many things of interest. They went to Cypress Gardens and saw all the beautiful trees and shrubs and to Busch Gardens where there are many beautiful birds. They spent one night near Citrus Tower and the following day went to the top of the tower which overlooks the orange and grapefruit groves and their approximately 1,700 spring-fed lakes. Lloyd and Det were hoping to tour the packing houses but the eating crop of oranges was finished so they were closed.

They next went to the Aquarama at St. Petersburg and spent two nights at Clearwater. It was very windy there and blew the sand off the beaches and piled it against the cars and buildings. They visited a place called "Sea-arama" and saw many beautiful shells. The divers told them that the shells on the coral reefs are much prettier than anybody can paint them. One evening they went to the dog races at Derby Lane.

They arrived back at Tampa, Saturday and flew back to Milton arriving home around 6 o'clock in the middle of a very cold windy storm.

They had good flights both ways and had a very enjoyable holiday.

Audrey and Earl Magee and Betty and Don Weese flew to Tampa, February 23 and took a car to Daytona and the men went to the Daytona 500 Race Sunday. Monday they took a bus tour to Cape Kennedy where they saw the launching pads. They went into the space centre itself and saw a movie about the Apollo moon shot scheduled in two years. They went into the building where the rockets are assembled which is so huge that the Yankee Stadium could be put on the top of it and there would still be room to park cars.

They went to Miami one day and swam in the ocean which was very warm, the temperature being in the 70's. They drove to the southernmost point of the Florida Keys and there they saw hand screen printing being done and the finished products made into dresses sell at \$50 each. At Miami Beach they saw the lights at night which were just beautiful and the "Fontaine Bleu" which has its own yacht anchored in the bay.

They visited the Cypress Gardens and saw a water-ski show. Although it was cool and windy there they saw the lovely spring flowers daffodils and tulips, snapdragons and salvia and some beautiful shrubs.

They arrived home late Sunday afternoon and found it very cold and windy.

Mrs. Norman Payne of Thornhill will be the hostess to the Maple WI March 13 at 8 pm.

Mrs. Andrew Snider will be the speaker and Mrs. Donald Allen and Mrs. B. Andrew will be on the lunch committee. Everyone welcome.

Joseph Gibson School
February 29 the grade 5 classes accompanied by Brian Warrington and Principal Roy Robson went to Toronto.

During the morning they skated on the rink in Nathan Phillips Square, watched the monkey ice and roller skate and patiently waited to see the Nancy Green Parade which was very exciting for these 11 year old boys and girls. They toured the Toronto-Dominion Centre and saw the Eskimo sculptures and then went to the observation deck and had a birds eye view of the city. At 1 o'clock they went to the Toronto Art Gallery.

Mrs. Rochelle Muller's grade 2 class and Mrs. Lauma Beck's grade 1 class had a penny parade around their classrooms in aid of the Junior Red Cross. The grand total of all the various and diverse projects of the whole school for the Junior Red Cross is \$150.20, which, I am sure you will agree, is very gratifying.

Congratulations each and every one of you!
George Bailey School
Principal Russell Urquhart states that report cards will be out the last week in March.

Mr. Urquhart wishes to remind parents that if children have their lunch at school the rule is that they must remain on school property unless they have permission to go to the library or elsewhere at noon. Students have been breaking this rule and irate neighboring property owners have reported damages. The co-operation of parents is requested.

Talent Night this year was held February 28 and after expenses were deducted approximately \$68 was realized for the Junior Red Cross.

The program was opened with "O Canada" first in French and then in English by the choir of grades 7 A and B under the direction of Mrs. Jasette Neely. It was followed by a short play also by grades

7 A and B called "Matin D'Hiver" or "Winter Morning".

Judy Thompson followed with a very clear recitation "Father William". Garth Moore then played "Tango of the Mermaids" and "Rachelle" on the accordion.

Grade 6 A did a choral reading of "Zip Coon", Bobby Mathewson then stepped forward and recited a short poem called "When I Grow Up" and 6A followed with another choral reading "What is Good".

Carol Ball and Lesley MacFarlane were very "in as Bonnie and Clyde doing "Soft Shoe Shuffle". Louise Scott then recited the old classic "Vespers" or "Christopher Robin is saying his Prayers" and "Lesson with a Fan". Next came Karen Clendennan with a melody on the piano "Tales from the Vienna Woods" and "Beautiful Dreamer".

An amusing little skit followed called "The Devil Twin" with John McKay, Charles McNeil, Teddy Allen and Eve Hiel, Judy and David Thompson then played a recorder duet "Sarabande" and "Minuet".

The special class under the direction of Mr. Urquhart then did "Michael Row Your Boat" with the boys rowing the boat and Darlene Strickland and Brenda Langley singing the song, Rosemary Brice and Jill Davidson changed the mood completely as "Charleston Flappers".

Five girls from Grade 6A changed the mood again with two songs "O Texas" and "Born Free". They were Lyn Myers, Mary Brock, Laura Young, Anne Sinclair and Heather Amos. A square dance followed, by "The Maple Squares" Laurie Anderson, Connie Ball, Brigitte Bundschuck, Laura Hansen, Anne Hofland, Cathy Pile, April Prince and Lynn Wolfreys.

"The Return of Rip Van Winkle" was performed by Grade 8A followed by a recitation by Patti Bromfield called "Jonathon Bing". Sandra Principe then played two rousing pieces on the piano "Willies Boogies" and "Interlude".

Grade 8C chose a piece from the Bible "David and Goliath" with Tommy Jacklin as David and Hans Tobias as Goliath. Laurie Anderson then played two pieces on the piano "Prelude 1" and the old favorite "Greensleeves", Laura Hansen, Carol Mitchell, Kathy Kennedy and Cathy Garrick under the name of "The Four Winds" sang three songs "Four Strong Winds", "Sinner Man" and "Blowing in the Wind" followed by more pupils from grade 8C performing "King Midas" with David Thompson playing the principal part.

A complete change again with Lorna Madill, Joyce Wade, Lorraine Sherman, Debbie Arnett, Lynn Sharpe, Michele Camarari and Marjorie Reaman doing "Satire and Song" and it is hoped the teachers will not bear malice for this little piece.

The program was brought to a rousing finish by "The Bandits" Jim Hull, David Riehl, Pat Mulligan and Alan Tamburri playing two pieces on drums, electric guitars and tambourine.

Lighting effects were excellently carried out by Dale Bone and the program organized by Roger Severn.

Scout and Cubs
The annual father and son banquet was held at the community hall February 27 when 125 leaders, Scouts, Cubs and leaders were served a delicious roast beef dinner for the ladies auxiliary. A wide variety of pies had been baked by the mothers for dessert and were thoroughly enjoyed.

District Commissioner Dr. Peter Granger was the guest speaker and he spoke on the new and modern concept of Scouting. He explained the new approach and how the program is geared to suit every type of boy, how in the past each boy had to pass a series of tests to gain his second and first class badges and then work for badges and his cords, but now each boy can suit the tests he passes to his own individual character and leanings.

This program is similar to that of the Wolf Cubs which was commenced in 1966 and it is hoped more boys will want to join the Scout Movement and widen their outlook and experiences.

The boys raised a hearty cheer for the ladies who served their dinner as they plowed through the mounds of dirty dishes in the kitchen.

The group committee voted to hold a firework display again this year on Victoria Day, May 20. The charge will be \$2 per family and the Scouts will be selling tickets as they did last year, nearer to that date.

Guides and Brownies
The 1st Maple Guide Company had an enrolment ceremony February 26. Barbie Amos, Lee Myers, Nancy Lynn, Debbie Cook, Lorraine White and Judy Thompson were brought forward by their respective leaders to be enrolled. Ise Thompson, Judy's mother

had her camera along and took a few pictures.

After the ceremonies the guides and their younger brothers and sisters joined together for games, the most popular one of the evening being the "whisper game". In two instances the message came back perfectly.

At 8 o'clock the lights were turned out for the campfire singing and Social Convener Janny Brouwers of the parents group with the help of six Guides, served coffee, Freshie and cookies to the parents and girls and the meeting was brought to a close with verses and taps.

St. Stephen's Anglican
February 27 Interior Designer Betty Barrymore was the guest speaker at the monthly meeting of the women of St. Stephen's. Approximately 50 people attended the meeting and enjoyed the talk on the use of color in home decorating and the use of different types of carpeting. Coffee and cookies were served.

The "admission tickets" in the form of sewing items were sent to the Anglican Diocesan House in Toronto to be sent to Indian mothers.

The "mitten tree" for the church and Sunday school this year was very successful and 80 pairs of mittens and 12 hats were hung on it, also a baby quilt made by two members. These articles are sent to needy people in the north country.

St. Stephen's Sunday school has adopted a little Chinese boy who was six years old in December. His name is Yok Kwan Cheong and he lives on the Portuguese colony of Macao. He has two younger brothers and his father works in a Chinese medicine store and earns the equivalent of \$28 month in Canadian money.

Yok Kwan was adopted through the Canadian Save the Children Fund and St. Stephen's will contribute \$84 a year to help feed, clothe and educate him. Part of the money will come from the Lenten boxes and it is hoped projects will be organized to raise money too.

St. Andrew's Presbyterian
The annual World Day of Prayer service was held at St. Andrew's Presbyterian Church March 1. Mrs. Robert Watson of Woodbridge was the guest speaker and her theme was "Bear one another's burdens". Mrs. R. Anderson of St. Stephen's Anglican Church sang "I heard the voice of Jesus say". Taking part in the service was Mrs. E. Winter of Zion Lutheran Church, Mrs. C. Birkett of St. Stephen's Anglican and Mrs. E. Borrett, Mrs. G. Darker and Mrs. G. Jones-Whitney from St. Matthew's United Church.

A social hour followed the service and tea and cakes were served.

Tickets for the "Breath of Spring Fashion Show" can be obtained from Sandy Sinclair at 832-2623.

The Voice Of Concord

Neighborhood Notes

Debbie Sweeney celebrated her 13th birthday last week with friends Deborah Kerr-Taylor, Eileen Moore, Susan Startup, Susan Zanata, Darlene Syr, Vivian Gardner, Kitty Ford, Terry Coyne and Carol Ann Ferzackerley. The scene of the festivities was at the home of Carol Cole, King High Drive and a good time was had by all.

Mr. and Mrs. Lorne Madill have just returned from a wonderful holiday in the south. They first travelled to Delray Beach with Mr. and Mrs. Om Bowes, where they visited Mr. Bowe's brother.

It was almost like old home week as they met Mr. and Mrs. Ron Fenn, former residents of Concord, who were in Fort Lauderdale with their boat and also Mr. and Mrs. Percy Snider. Mr. and Mrs. Snider were in Winterhaven visiting their daughter Barbara who has just purchased a new home on a private lake. The Sniders and the Madills spent a very enjoyable day together discussing old times.

Despite poor weather, the Madills had a good and relaxing vacation but are very happy to be home again.

Happy birthday to Mrs. Kitty Hartley of 11 Lawrie Road. Mr. and Mrs. Hartley with friends Don and Bernice Hope, also of Lawrie Road, celebrated the occasion with an evening at the Skyline Hotel where they enjoyed dining, dancing and entertainment.

Debbie McCauley celebrated her 10th birthday with a party at her home on Lawrie Road. Attending the party were Laurie Haines, Kathy Barber, Debbie Godfrey, Elaine Welkoff, Lynn Price, Kimberly Rudge, and Pamela Coombs.

Sharry Lynn Camp of 20 Lawrie Road celebrated that important first birthday March 1. Although no festivities were planned it turned out to be a very full day with grandparents, aunts, uncles and cousins all dropping in to share a bit of "birthday cake" which suspiciously resembled teething biscuits.

Win and Norm Wright of Hillside Avenue received a lovely surprise recently in the form of a telephone call from their son Carl. Surprising, because Carl is a PO2 aboard the HMCS Provider which at this moment is in the Gulf of Mexico carrying out exercises and maneuvers.

Carl used the ship's radio to contact a ham radio operator in Montreal, who in turn contacted Mr. Herb Moore in Oakville who is also a ham operator. Mr. Moore phoned the Wrights and they were able to talk with Carl direct, (?) via telephone, via ham radio.

There have been a number of complaints recently regarding dogs roaming about the streets of Concord without leash or master. Canine Control Officer James Ryan reports that rabies is still present and the courts will take a very dim view of people allowing their animals to run at large and can impose stiff fines of up to \$50 on owners for their carelessness.

It is infuriating for us mothers who go for walks with our children only to find we have to spend all our time fending off stray dogs, who, minutes before had been ripping apart someone's garbage.

So take heed, dog-owners, for man knows no wrath like that of a mother protecting her children.

Guides

Concord Guide leaders will attend a training conference at Richmond Hill United Church, March 9.

Saturday, March 9 is also Guide and Brownie Cookie Day and they are looking forward to the support of the community in this annual venture.

Scouts

A reminder to parents: The annual father and son banquet will be held April 10 at the House of Concord. At this banquet a "Going Up" ceremony will be held for six Cubs who have progressed to Scout rank. School News

All the children of Concord School visited the Art Gallery of Toronto last week, grades 1 to 3 making the trip on Monday and grades 4 to 6 on Tuesday.

The children saw the Guggenheim collection of modern sculpture which evidently impressed them greatly because we understand the new library room at the school is now decorated with a number of pieces of "pop" art. One home that we know of was completely denuded of wire coat hangers for the raw materials of these imaginative works.

And a special award of some sort should go to Mrs. Sharron Taylor, teacher of the grade 5 class. The class has been studying China and last Saturday, Mrs. Taylor (and her very co-operative husband) took 11 youngsters, the last of six groups, down to Chinatown, to the Chinese room of the Royal Ontario Museum and for an original dinner at the Ports of Call.

Thus Mrs. Taylor, who copes with these spirited youngsters five days a week, devoted six of her precious Saturdays to furthering their education — in a most delightful way. The children visited several stores in Chinatown, buying whatever took their fancy — chopsticks, fans, incense, Chinese newspapers were just some of the items selected. They sat on cushions at a low table to eat their meal and most persevered with chopsticks right to the end.
