Richmond Hill Something To Sing About — The Ryders At United Church

Give me that old time — Or give me that new, What does religion Mean to you?
 To the Ryders, it is a happy vital way of life — in fact it is being alive!
 The Ryders are CGIT graduates from Toronto for whom six years in CGIT also meant summers at Ryde Lake Camp. The girls shared so many experiences that they decided to stay together — even after graduating from CGIT. Thinking of their happy memories at Ryde Lake, it was only natural for them to choose "The Ryders" as the name for their newly formed group. It reflects the esteem in which they hold that camp.
 The eight girls are now in nursing, teaching and university and in every phase of their daily life they endeavor to maintain their purpose — to show that religion is fun, it is being happy and vibrantly alive. They would like to share their enthusiasm with you on March 17 at Richmond Hill United Church.
 As guests of the local CGIT the Ryders will conduct a service of worship on the theme "Commitment to Jesus Christ" at 7 p.m. in the church. Ward Mashinter of CGIT and Alistair Gorman and Cedric Robertson of the Venturers will assist in the service with members of the 5th Richmond Hill Scouts as ushers.
 The Ryders have a refreshing, positive approach to the Christian faith that can be enjoyed by everyone from the youngest member of the family to the still young. The CGIT extends a most sincere invitation to all who will accept the challenge of "Commitment to Jesus Christ".
 Following the service, you are invited to share in a social hour in the Christian education hall. Bring your family and your friends, and sing along with the Ryders as you enjoy coffee, conversation and the pleasure of good company.

Local Adult Bus Fare Increases
 (Continued from Page 1)
 chairman of the transportation committee, noted that there had been no increase in fare since the bus service came into being in 1956. "There has been quite a big jump this year in the mileage rate — from 50c to 60c."
 "This could happen again. I can't see how you can expect to spread this extra cost over all ratepayers considering the low percentage who use the facility."
 Mrs. Hancey agreed that providing transportation through public funds is expensive. "But you have to think of the people, too. I feel the service was warranted and I feel it is still warranted. I also feel that 15c is a fair fare for the public involved." She went on to suggest dropping the extra bus put on in the morning, but was assured that both morning buses serving the industrial area are being used to capacity. Mayor Broadhurst told Mrs.

Pickering Frowns On Metro's Dump Plans
 First reaction of Pickering Township officials to the prospect of that township becoming the eventual repository of 12 million tons of Metro garbage has been far from favorable.
 Metro Works Committee last week approved a request from Works Commissioner Ross Clark for authority to negotiate for three parcels in Pickering Township, totalling 1,037 acres.
 The proposal was called "not particularly neighborly" by Pickering Reeve John Williams. "I don't cherish the thought of Pickering becoming a dump for Metro," he said.
 An appropriation of \$1.5 million was approved by the works committee to begin acquisition of the land. Bulk of the property is owned by sand and gravel companies. One 387-acre site is adjacent to the Greenwood Conservation Area. Once the land is acquired, it would probably not be used for six or seven years.
 Acquisition of the Pickering sites, as well as the Thackeray and Maple sites in Vaughan were recommended in the \$175,000 study on waste disposal made for Metro by James F. MacLaren Limited.

Hooliganism At Arena Continues
 (Continued from Page 1)
 regular calls were being made by the police, Councillor Lazenby reported that last Saturday night he had been in the box office or the immediate area for four hours — from 6:45 to 10:45 p.m. — and no policeman made an appearance during that time. "There was only one entrance open and he would have had to go past me to enter," he stated.
 "I have been told that in past years when Richmond Hill was a smaller community with a smaller police department, a man would drop in and check the crowd. Maybe communication with the police has broken down, but the arena needs that symbol of law and authority to make these young people think twice before they act as they

In Memoriam

GREENFIELD, Edna (Ted) — In loving memory of Edna (Ted) Greenfield who passed away March 15, 1968. A wonderful mother, woman and aid. One who was better, God never made. A wonderful worker, loyal and fair. Tenderly helpful. O mother you were. Just in your judgment, always right. Honest and liberal, ever upright. Loved by all, our pride they share. Pride in the wonderful one you were. My lips cannot tell how I miss her. My heart cannot tell what to say. God alone knows how I miss her. In a home that is lonesome today. —J. Greenfield and family. clw37

ORR — In loving memory of our dear daughter, Kimberley Ann, who passed away March 17, 1967. Two little hands are resting. A loving heart is still. A little daughter we loved is waiting. For us just over the hill. Sadly missed by Mom and Dad, Louise and Stephen. clw37
