## meeting PEOPLE

Mrs. Keith Thomas RRI Maple had surgery March 5 at York Central Hospital and is progressing favorably, her sister Marion Robson reports.

Sympathy of the community goes to Mrs. Barney Bryan whose sister died last week.

Janet and Barry Watson, 7 Oldfield Street and their neighbors at 9 Oldfield Street, Joanne and John Stephenson spent five days at the Tallman Ski Lodge from February 25 to March 1. The weather was just gorgeous and skiing conditions were excellent. They swam in the outdoor heated swimming pool, went on a sleigh ride and enjoyed moonlight skiing. They saw some movies and were entertained by a guitarist and discoteque dancing.

Well fancy that! Somebody stole the Maple Leaf Flag and the Red Cross Flag from the township flagpole last weekend. Did anybody see this little feat take place? Like a member of the police force, perhaps?

**Lions Club**  
March 15 is the date of the St. Patrick's Dance this year at the Community Hall from 9 pm till 1 am. There will be an orchestra to play for both modern and square dancing and tickets are \$4 per couple. Come along and bring your friends to celebrate "the wearin' of the green" and help the local Lions Club in their good work.

**St. Patrick's Dance**  
Commencing March 21 at 10:30 am there will be a story reading for pre-schoolers at the

Centennial Library at the corner of Merino Road and Goodman Crescent.

Parents of pre-schoolers are invited to bring their children along to listen to the enchanting children's stories and afterwards to take a book or two home, on their own cards, to read to the children.

Librarian Mary Ellis states that this will be a regular Thursday morning session and several mothers have volunteered their services. The reader March 21 will be Barbara Hill.

**Joseph Gibson School**  
A very interesting display of pioneer objects has been collected by the three grade 4 classes in connection with their pioneer enterprise. Part of the collection may be seen in the display case in the front hall of the school and everybody is welcome to come in and view it.

Principal Roy Robson wishes to warn both parents and children of the dangerous condition of the ditches at the present time and for a few weeks hence. Also he states that a child has been bitten by a wild animal which has been caught and is under observation, so please parents stress upon your children not to go near any wild animals now that they are venturing out in the warmer weather. Rabies is still very prevalent and the shots that have to be given are very unpleasant.

**Home and School Association**  
Shirley Young introduced Mrs. Helen Hewson who was the guest speaker at the March 6 meeting of the Maple Home and School Association.

"The Quirks and Quandaries of Growing up" were examined by Mrs. Hewson who is well versed on this subject being the originator of study courses used

by educators and parents alike. These courses are entitled "Meet Your School Age" and "The Adolescent and the Modern World".

Her topic ranged over behavior patterns as they relate to the physical and emotional growth of children.

After the talk, those present were divided into four groups to discuss the particular problems individual parents were experiencing and a speaker was chosen from each group to put questions to Mr. Hewson, who then advised on each particular problem put forth.

Some very interesting subjects were discussed and the meeting could have gone on to well into the night.

Coffee and cookies were served to the approximately 55 people who attended and Barbara Hill thanked Mrs. Hewson for a very interesting evening.

It has been increasingly drawn to the attention of the members of the Maple Home and School Association that there is a growing concern about the need in Maple for expanded recreational facilities for our youngsters. As a result a decision has been reached by the organization to be hosts at a public meeting to which all Maple adult citizens are invited.

This community meeting is scheduled for March 21, to be held at George Bailey Senior Public School, 8 pm. Scott Darach, of the Community Planning Branch of the Department of Education will be present at this meeting to act as an advisor and catalyst for our ideas. To stimulate discussion, Mr. Darach will show the film, "To Reach A Child", which discusses how this problem was handled in Flint, Michigan.

Purpose in hosting the meeting is not to undertake the running of a recreational program, nor even to convince the community that there is a need for such a program, but rather to provide a meeting place for everyone with ideas on this topic to come together and discuss these ideas.

The outcome of the meeting may very well be that the majority feel we do not need any further recreational facilities. Or it may be the crystallization of the idea that we do, into a formula of action to get such a recreational program started. Either outcome will depend on the presence or absence of people with ideas and views on the subject.

**St. Andrew's Presbyterian**  
The Explorers group of St. Andrew's Presbyterian Church held a "World Day of Prayer" Service at the church March 1. The speaker was Mrs. Violet Mitcham and her theme was "Bearing one another's Burdens" and "Prayer". The children sang the anthem "Flying out the Banner".

Four of the Explorers graduated to CGIT, Gail Cooper, Diana Foulds, Rosemary Brice and Anne Sinclair. Rosemary Brice and Anne Sinclair received their "E" pins for gaining all six stars for their excellent work during their three years as Explorers.

The Explorers planned the complete program for the service by themselves.

Lee Hynd, the leader of the Explorers will be glad to welcome any girl between the age of 9 and 11 years, no matter what her faith, to join the Explorers who meet every Thursday evening 6:30 - 7:45 at the church hall. Lee has an occupational therapist to teach craft work and another helper to teach music.

In the very near future, Sandy Sinclair and Pearl Forrest will be commencing CGIT meetings for older girls 11 years and up and the four graduate Explorers will be the core. Watch this column for the date of commencement.

Get your ticket for the Breath of Spring Fashion Show early. Call Sandy Sinclair at 832-2923.

**St. Stephen's Anglican**  
The 12 year old girls' class is planning a mobile bake sale for March 16 commencing 10:30 am in the subdivision selling from door to door. Brownies, cakes and cookies will be sold. Proceeds for the little adopted Chinese boy Yok Kwan Cheong in Macao.

There are approximately 14 girls attending the JA led by Shirley McBrien with the help of the teenagers of the Church. The JA was reformed last fall

and is reported to be a very keen group.

**Guides and Brownies**  
Monday, March 4 the York West Division held a music training night at King City United Church. Captain June Ball, Lt. Pam Rolfe, Brown Owl Sadie Allen, Tawny Owl Peggy Dieceman and Tawny Owl Jean Johnson attended, along with 25 Guide and Brownie Leaders from the district.

Norma Davis a guide captain was the instructor and taught many new songs and games which will in turn be taught to the companies and packs of the district.

Coffee and cookies were served by the King City Parents' Group and the evening passed very quickly.

The 1st Maple Brownie Pack held an enrolment March 6. Laurie Ball, Cathy Birkett, Jill Bothwell, Christine Brown, Cheryl Cooper, Lori - Ann Fraser, Carol Hill, Kathy Howie, Kathy Johnson, Janet McIntyre and Libby Young were brought forward by Tawny Owls Peggy Dieceman and Jean Johnson and then by their district and presented to District Commissioner June Ball to be enrolled.

The nervous and excited little twentees made their promises and gradually swelled the fairy ring. Afterwards Lynda Moore was presented with her Golden Bar and Kim Michasiw and Debbie Brouwers were each presented with their writer's badge which they had worked hard to earn.

After the ceremonies were over the Brownies were taught two of the new games learned at the music training session Monday evening.

A special surprise was in store for the District Commissioner. The past president of the parents' group had baked a cake in honor of her birthday which was on that day. A brownie was put on it, the Brownies wished her a happy birthday and the cake was cut and served to the parents and Brownies with coffee and freshie.

The parents' group met March 5 at the home of Sadie Allen, 35 Netherford Road with 23 parents attending.

President Marilyn Third welcomed the mothers and Past President Barbara Hill read the minutes of the last meeting and also presented a brief treasurer's report in the absence of the Treasurer Sylvia Plant who was unable to attend.

Matters discussed were a fund raising project, new uniforms for the two Tawny Owls and the mother and daughter banquet.

An appeal was made to those present for somebody to come forward and take the position of secretary and at the conclusion of the meeting a new member Eileen Brice offered her services which were gladly accepted.

Coffee, tea and cookies were served to all those present to quench the thirst after some very lively discussions.

**Scouts and Cubs**  
Scouter Frank Robson is very pleased to report that Dave Ault of Shur-Gain Farms has offered his services with the Scout troop.

Baloo Murray Hobbs of the 1st Maple "A" Pack spent 3½ hours Saturday afternoon with Sixer Randy Howieson and Second Gary Forrest and Paul Rolfe working on three tests in the Tawny Star.

**Vacation Bible School**  
During the coming week of school holidays there will be a daily vacation Bible school at the community centre, sponsored by the Alliance Church and all the boys and girls are invited to come.

Last year it was held in the home of Mrs. Sadie Brown with

**BRADFORD:** Chief Inspector James Erskine of the OPP Anti-Rackets Branch reports an early recurrence of the "bank inspectors fraud". An 80-year old resident of the town was persuaded to turn over \$950 to a man who claimed to be a bank inspector. Unsuspecting elderly people are often the victims in this type of swindle but everyone should be warned that bank inspectors or police officers do not under any circumstances ask persons to withdraw money from the bank.

## Kingdon Boake

### Tours Europe On Hockey Scholarship

Kingdon Boake, son of Mrs. Audrie Boake, Keele Street North recently received his degree of Bachelor of Science in Business Administration from the University of Denver. Mr. Boake is also a graduate of Richmond Hill High School.

Mr. Boake is presently touring Germany, France, Switzerland and Denmark playing hockey with the team from the City of Kitzbuehl, Austria. Mr. Boake attended the University of Denver on a hockey scholarship and on the completion of his course, was invited to play on the Austrian team last November. While he could not speak German Kingdon made the trip equipped with a dictionary.

However, it turned out that the coach of the team is a

Czech who speaks German; one member of the team is a Parisian Frenchman who translates the coach's instructions into French and this is then translated into English for Kingdon by a bilingual French-Canadian on the team.

While this sounds more than a little awkward, the messages must be getting through because the team has been on a winning streak and Kingdon scored nine goals in the last 10 games.

When the hockey season is over, Kingdon and a friend intend to visit Hungary, Yugoslavia, Istanbul and Athens, then by ship to visit friends in Rome and Florence. From there they plan to go to the opening of the Grand Prix in Monte Carlo and then on to Spain to
