Correspondent Leonard Lomas — Phone 884-3000

**Church News**  
Sunday morning at St. John's Anglican Church saw the introduction of a fully choral service, the responses, creed and Lord's prayer all being sung. The anthem, "Seek Ye The Lord," was sung by the choir, with Miss Brenda Ash as soloist. The choir pews on the north side have been moved toward the altar now that the old organ has been removed after 61 years of service.

The organ from St. Mark's is now installed behind the pulpit and because of a bequest and a memorial donation will likely be replaced by a new and more powerful instrument shortly. The rector continued his sermon series on the life of Jacob. The service next Sunday morning at 11 am will be morning prayer.

The spring meeting of the North York Deanery Great Chapter will be held March 26 at Trinity Church, Aurora, commencing at 6:30 with a celebration of the Holy Communion, followed by dinner at 7:15 pm. This will be the last meeting with Rev. John Speers, rural dean, present before his departure to St. Stephen's House, Toronto. Tickets are available from the rector at \$1.75.

## THE Challenge OF Cancer

**CANCER DANGER SIGNS**  
The Canadian Cancer Society lists these seven danger signals as possible signs of early cancer: (1) Unusual bleeding or discharge. (2) A lump or thickening of the breast or elsewhere. (3) A sore that does not heal. (4) Persistent changes in bowel or bladder habits. (5) Persistent hoarseness or cough. (6) Persistent indigestion or difficulty in swallowing. (7) Change in a wart or a mole. These signs do not always mean cancer but if you notice any of them, tell your doctor. If they are caused by cancer, early treatment is essential.

Sunday, March 24, cars will be leaving the church at 3:30 to visit the model of the temple in Jerusalem, which is on exhibition at the Beth Aneth Synagogue, 100 Elder Street, Downsview. This model, which was previously on display at Expo, can be viewed privately from 2 to 10 pm Monday to Thursday, from 10 am to 4 pm Friday, from 7:30 to 10 pm Saturday and from 10 am to 10 pm Sunday.

The young people's group had bowling practice Saturday evening prior to the Koinonia Bowling Tournament to be held March 23 at 3 pm at the Olympia Alleys, Yonge and Edward Streets (just above Dundas). The tournament will be followed by a banquet at St. Paul's Church on Bloor Street.

The married couples group met Friday evening March 15 at the ABC Alleys, Richmond Hill for a bowling party. Four teams took part. Mrs. Mildred Ash won the single high ladies prize with 276. W. Fleury won the single high men's prize with 288. The team consisting of Mr. and Mrs. R. M. Sayers, Mr. and Mrs. P. J. Hughey and Mr. and Mrs. R. Doig won the team prize. After pizzas and other refreshments at the rectory, darts and chess were played by the men, while the women enjoyed a chat.

**Neighborhood Notes**  
The death occurred on Saturday of James Hinson, Elm Grove Avenue, Oak Ridges. The funeral was held Tuesday at the Thompson Funeral Home, Aurora. Mr. Hinson was a parishioner of St. John's Anglican Church.

Mrs. Rose Ainsworth, with Carol and Pauline, left March 19 for England. Frank is staying on for two or three weeks before joining them.

The spring euchre party organized by the community club will be held at Jefferson Public School March 26 at 7:45 to 10:30 pm. The organizers remind all parents that, even if you do not attend, your ticket will still make you eligible to win the door prizes and that all proceeds are to provide funds for the plane trip being arranged for all pupils at the school.

Birthday greetings are extended to Heather McFee and James Ford, who celebrate March 26.

The father and son banquet for 1st Jefferson Scouts and Cubs was held March 14 at St. John's Anglican Parish Hall. The banquet was catered by the mothers' auxiliary. Head table guests were Brian Winje, president of the group committee, Rev. E. C. Gerber, Stewart Bell, Mr. and Mrs. M. Ensor, Jimmy Gerber and Stanley Ensor. Twelve fathers and 25 boys attended the banquet. The toast to the group committee was proposed by Stanley Ensor and answered by Mr. Winje, who introduced the head table guests. Graham Carson, member of the group committee, was enrolled as a lay Scouter.

The Scouts gave a demonstration of camping and the Cubs a demonstration of first aid, after which the North York Chapter of Barbershop Quartets entertained with songs. The Jefferson Euchre Club held its fortnightly meeting March 11 at the home of Mrs. Jean Lomas. First prize was won by Mrs. Alice Mashinter and the consolation by Mrs. Mary Hazelhurst. Mrs. Lomas won the lone hand prize.

VINCENT CASEY  
**Announcement**

Ken Morrison, general sales manager of Binions Motors Ltd., Aurora, is pleased to announce the appointment of Vincent Casey to the sales staff, a long time resident of the area. Mr. Casey brings some 20 years of sales experience to his new position. He welcomes his old friends and customers to visit him at Binions Motors, 195 Yonge Street, Aurora, for their car and truck requirements and offers them personalized service.

## What about next week?

There's only one way for you to be well-informed about important local events and your special interests. That's by reading "The Liberal" every Thursday.

# Your Legion Reports

Branch 375, Royal Canadian Legion  
By Eric Chapman - 884-0086

When the International Mid-get Hockey Tournament gets underway in Richmond Hill next month the culmination of almost a year's hard work will be realized by many people.

Not only will there be a feeling of satisfactory accomplishment among the organizers and their wives, many local businessmen will also be feeling a little proud. And rightly so; because without the financial support of local commerce and industry the Legion's venture would never have been possible.

While this reporter would like to list each supporter individually in this column, space unfortunately forbids it. However, the program of events which is currently being published, will contain a full review of all our friends who generously supported Richmond Hill's first series of international hockey.

Financial backing has also come from donations made by Legion members, and incidentally the executive. Every time the Legion hockey committee meets, a small charge of one dollar is levied for attending. This committee is probably the only one in existence where a member thereof is required to pay for the privilege of donating his time and energy.

Certainly it must be hard for some people to believe that such men still exist. Luckily for overpaid pseudo-politicians, and the nation, they do.

All trophies to be awarded have now been secured, some of these are presently on display in various local stores. Signs are also going up around town proclaiming the event, and wherever such signs appear advance tickets for the tournament will be on sale at 75 cents. Daily admittance to the new Richmond Hill Arena will be \$1 while the series is being played.

Discipline at the town arena was one of the numerous subjects discussed at a recent meeting of the committee. It was decided that three Legion Sergeants-at-Arms' would be present at the tournament. Three of the busiest members will patrol the arena aisles while play is in progress, and should any ignoramus attempt to disrupt the proceedings with malice aforethought, a swift kick in the derriere will be affectionately, diplomatically and tactfully accorded.

Parking facilities will also be overseen by a Legion steward, and woe betide any Volkswagen driver who slips noisily but unobtrusively into the space allocated for Gordie Howe's Oldsmobile.

The branch ways and means chairman has also been provided with voluntary employment. He will see that a door prize is awarded on each day of the tournament, and the membership secretary will be in regular attendance at the door dispensing tickets.

A host of other jobs still remain to be filled by suitable applicants; and volunteers Legion, RHMHA, or otherwise, wishing to help out in any way are invited to place their names with any member of the hockey committee or Sports Officer Gord Mills.

Prospective volunteers should do this NOW! — for every successful event becomes filled with volunteers when the hand-wagon is in motion, and procrastinators we need like a hole-in-the-head.

With regard to the line-up of teams. Everyone, including our own Fred Simpson of "The Liberal" and Messrs. Vipond, Dunnell, McGregor and Hewitt, is waiting to hear. The applications of 16 teams, and more, have been received but the hardest part is deciding and approving 16 from among the very best.

This is presently being done, and all that can be reported in this direction is the statement in the form of a well-worn cliché that "patience is indeed a virtue".

For members that do not care too much for hockey (there still remain quite a few), we report that our ladies' auxiliary darts team recently brought the zone darts trophy home to Richmond Hill.

The ladies: Adelaide Mills, Joan Dickson, Isobel Bonner and Anna Lehtonen, competed with 25 teams for the trophy recently at Woodbridge. It seems that congratulations are once again in order for the female flock.

Legion district "E" public speaking chairman, Frank Barrett, reports that district finals for young public orators will be held this coming Saturday at Legion Court commencing at 2:30 pm. Winning contestants from three Legion zones will be heard from, including our own Branch 375 winner Barbara Peirce, a grade 8 student at Crosby Heights Senior School in Richmond Hill. Winners of this contest will proceed to competition at provincial level and Legion members and their guests are cordially invited to witness and hear the young speakers in action.

A large audience is always encouraging to persons saying things of importance for the first time.

Finally, a reminder that Dinty Moore and his corned beef and cabbagers will hold a special event at the court on April 5. The evening event will be restricted to males and is in aid of minor hockey. Tickets at \$2.50 are available.

Next week this column will attempt to relate some of the Legion's national news (there is quite a bit of it), unless of course your reporter is lobbied on the way by yet another colloquialist wearing skates.

# Five Teachers Leaving - Hiring Underway

For school boards the next few weeks will be most important as resignations are received from members of the teaching staff and teachers are hired as replacements and for additional classrooms.

That the annual process has already started in Richmond Hill Public Schools was evident at the board's meeting on March 14.

Five resignations were accepted with regret, contracts were authorized with two experienced teachers and it was reported that two highly capable applicants had been accepted for the training of elementary school teachers for the 1968-69 period.

Lawrence Halliday (MacKillop) and Ronald Sproule (Crosby Heights Senior), both residents of Aurora, will be transferring to the new senior public school in that town. Miss Marlene Yaworski (MacKillop), a resident of Toronto, and Mrs. Beverley Wilson (MacKillop), who will be moving to the city, will both be joining the Toronto public school system teaching staff. Bruce Eyleigh, teacher of special education classes at Crosby Heights Senior, has resigned to accept a position with a

secondary school board in York County.

Superintendent Gordon McIntyre reminded trustees that this is the second special education teacher who has gone on to a secondary school in the county, which indicates that there is an integration of programs between the special education program in the elementary school and the occupational courses in secondary schools.

He also noted that the local public school system is developing teachers of the calibre which will be needed for the proposed Don Head Secondary School.

The board approved the appointment of Mrs. Myrtle Campbell, who is at present teaching at the Thistletown Hospital School for emotionally disturbed children and is experienced in teaching children with learning disabilities and emotional problems. The appointment of Miss Beverley Williams was also approved.

On Monday Mr. McIntyre, Mr. Dobson and the principals of the six public schools interviewed additional experienced teachers. May 3 they will be recruiting at the two teachers' colleges.

Christopher Foot and Mrs. Sara L. MacDonald have been appointed under the internship plan. Each has a strong academic background in English studies and has worked professionally in the field of journalism. Each has indicated an interest and competence in working with children, Mr. McIntyre stated.

There were five highly qualified applicants, but the Department of Education permits the local board only two internships at a time, he explained. Selection this year was done by a committee containing representatives of the teachers' federation and the department.

**ASSISTANT SUPERINTENDENT**  
Inspector Murray Dobson will be known as assistant superintendent of public schools, if the department approves a change of title request being forwarded by the local board. The duties and responsibilities of the office will not be changed.

Mr. Dobson will attend a workshop on school design being sponsored by the department at Barrie March 28 and 29. Minister of Education William Davis will be guest speaker at a dinner.

The registration fee of \$20 will cover transportation and living expenses.

**EDUCATIONAL TV**  
William Kinsley, vice-principal of Beverley Acres School, will be attending a conference on educational television at Ryerson Polytechnical Institute May 3 and 4, sponsored by the audio-visual education committee of the Ontario Teachers' Federation. The conference will teach the use of cameras, video tape recorders and other equipment and techniques for utilizing broadcast programs in the classroom. The \$10 registration fee covers all costs at Ryerson including coffee and lunches and Friday night dinner. The Minister of Education will address the conference.

**TRANSFER FUNDS**  
Permission has been requested from the Department of Municipal Affairs to transfer the balance in the reserve account for purchase of a school site to the revenue section of the 1968 budget, to reduce this year's tax levy. The balance, including interest, is \$13,104.38 and the funds are no longer required for the purpose for which they were established.
