BELL

by W. R. McDonald

Manager - Bell Canada

In the last week or so our Annual Report

for 1967 has been mailed out to our shareholders.

Some of you may have received one since more

than a quarter-million Canadians hold stock in

Bell Canada. Behind the financial figures are

several stories of events which marked our

progress during Centennial Year. Our sponsor-

ship with other members of The Telephone

Association of Canada of the popular Telephone

Pavilion at Expo 67 wasn't the only milestone

in Montreal. If you visited Expo and used any

of the attractive public telephones while there -

we had almost 550 located on the Expo site -

your call went through Canada's first electronic

telephone exchange. We opened this exchange

in time to serve Expo 67 and its millions of

visitors. A similar unit will be added this year

to Toronto's telephone network, and work is

being started on one for Ottawa. We grew past

the 5 million mark in the number of phones

served - in fact, 284,000 were added to the

Our construction program was vast - for

Interest in space age communications was

the first time in a single year we exceeded \$300

million in construction expenditures to further

expand and improve our communications net-

work. Over 95 percent of this money was spent

reflected in two projects. In the first, we started

construction of an earth station at Bouchette,

Quebec, designed to test satellite relay of TV,

date and voice communications into Canada's Far

North. In the second, we joined with members

of the Trans-Canada Telephone System and

CN-CP Telecommunications in the proposal to

provide a domestic satellite communications

Company's ability to continue to hold unchanged

at the 1958 level our basic schedule of local

telephone rates — a significant victory in the

Of special interest to all of us was the

in Canada.

system for Canada.

struggle against inflation.

total at the service of our customers.

Go North!

A committee of interested county citizens headed by Mrs. Sidney Samuels, R.R. 3, King, is busy trying to get the provincial government to establish a railway commuter service from Toronto to Newmarket.

The response to a coupon similar to the one below, which appeared in the Aurora and Newmarket weeklies, has been most encouraging. Over 1,000 residents returned the coupon to Mrs. Samuels.

Minister George Gomme this week. This will be followed by a public meeting which will likely be held at King City.

> COMMUTER SERVICE GO NORTH! COMMITTEE MRS. SIDNEY SAMUELS R.R. 3, KING OR PHONE 727-5134

I support the proposal to institute a Go Service north of Toronto. There are members of my household who would probably be using such a service.

Dr. Bob McClure Will Speak Here

The Veteran United Church medical missionary Dr. Robert McClure, MD, FRCS, FICS, who has devoted his lifetime to serving the teeming multitudes of China, the Middle East and India will be speaking in York County this month. Sunday, March 24 he will

address a Presbytery service in Trinity United Church, Newmarket at 7:30 pm and Wednesday March 27 at 8 pm will speak at a rally in Markham High School. Admission to this event is by ticket available from any United Church minister or men's club president in the area.

On the morning of March 27 he will address assemblies of students at Richmond Hill High School and Bayview Secondary and at noon will talk to the York Central Ministerial Association. The next day he will be speaking in secondary schools in Uxbridge and King City and will be a guest at a reception for United Church ministers and their wives in King City. Dr. McClure is noted for

his devotion and dedication and for improvising by using material that is available if the recommended material is not at hand. A dynamic speaker he spends his furlough year, every five years, travelling and speaking to large and small groups across Canada on behalf of the missionary and maintenance department of the United Church.
