ed in her recitation that grown-ups always ask "Have You Been A Good Little Girl?"

Mrs. Sylvia Carroll's grade 1 class presented a play about a sad little boy who couldn't find his little black dog until a clown called for a surprise box in which they found the doggie, to the great delight of the audience.

Elizabeth Karamanis spoke on Mackenzie King, Grant Howes told us about the life of Charles Darwin, and Marie Ellen Souche persuaded us to try "Figure Skating".

These were the winning speeches in the grade 5 and 6 rooms and the last was the winner for the school.

Mrs. Margaret Sver's grade 1 and 2 class dramatized its favorite story by Dr. Seuss, "Are You My Mother?" tells about a little bird who couldn't find his mother until, after a series of adventures he returns to his nest where she greets him happily.

Six of Mrs. Margaret Macdonald's grade 2 students recited the poem, "Mr. Nobody".

Dianne Karamanis danced to the music of Swan Lake ballet and the Souche sisters tap danced to "Tip Toe Through the Tulips", followed later by their older sister Marie Ellen who tapped to "Dansero".

Victi Cole and Robbie Johnson played piano solos which were a very pleasant break between the stage acts.

Donna Cole told us in her recitation, "Faults and Virtues", that her mother says all her good qualities come from that parent, while all her messiness and bother come from father.

The patrol leaders from our division of Guides (including Richmond Hill, Richvale, Thornhill and Concord) attended a winter camp at Camp Samac, Oshawa, on March 15, 16 and 17. The girls, who are patrol leaders or future patrol leaders, learned new crafts, skills, songs and all aspects of camp life.

Sunday morning they participated in their own workshop service and later hiked around the camp area. This first winter camp for this area was led by Betty O'Rourke, Pat Mercer, and Jackie Majury of Richmond Hill, Vikky LeDez and Phyllis Paul of Richvale, and Norine Gorseline, and Penny Lee of Thornhill, all captains of companies in these areas, and by Sandra Canniff, who is a cadet leader and captain of Thornhill Company.

The Mark-Vaun WI is collecting outgrown teen-aged girls' clothing in very good condition to be sent to the Elizabeth Fry Society. ARDA PACING PROGRESS...

No Canadian should remain indifferent to the fact that there is, in this country, a program whose objective is to promote progress in disadvantaged rural areas. ARDA is a joint Federal-Provincial program and its goals are to increase income and employment opportunities of rural people and increase the efficient use of rural lands. In order to achieve these objectives, ARDA is using various means:

- In Ontario, for example, major emphasis is being directed to the farm enlargement program and to the counselling, training and mobility programs which are applicable to the entire rural population.
- The problem in Ontario resolves itself into the improved utilization of both human and natural resources. Our changing technology almost dictates that society will be increasingly urbanized. ARDA in Ontario can and is assisting in the many facets of relocating rural people in urban centers, while at the same time and wherever possible the land resources of the rural areas are being developed and brought into improved productivity to better serve the rural population.

In brief, social and economic development for rural people and optimum utilization of natural resources are the two concepts inspiring ARDA.
