Open Maple Cancer Campaign

The beginning of the cancer campaign in Vaughan Township was marked by the raising Monday morning of the society's flag at the municipal offices Maple, where it will fly throughout April.

Above, Reeve Brian Bailey (left) is seen receiving the flag from three members of the Maple branch of the society, First Vice-President Mrs. Lorne Wells, Campaign Chairman Mrs. Robert James and Co-Chairman Mrs. David Anderson.

going PLACES meeting PEOPLE

A going away party for Jack and Min Sykes, 10 Malaren Road was held at the home of Norm Ruttle March 30. Jack has been very active with the Midgits Hockey League, and Coach Norm and Manager Bob McIntyre and the hockey executive expressed their appreciation with their presentation of a beautiful glass dish, hoping that it will always remind the Sykes of their friends in the Maple Hockey League.

Jack, Min and family will be moving to Kitchener in the very near future and will be greatly missed by their friends and neighbors.

Harry Hansen, 33 Lancer Drive is a patient in York Central Hospital. Harry had a gall bladder operation Monday and we wish him a speedy recovery.

Kelly Welham, Richmond Street, flew to England March 16 to see his ailing father. This was a very unexpected trip. He received a letter, made up his mind to go and was gone in about nine hours. This was Kelly's first trip home since coming here 12 years ago. He managed to see all his brothers and sisters and several of his old acquaintances while he was there and returned to Maple March 25.

Dr. Charles Birkett was a recent patient in York Central Hospital where he caused a bit of concern for a while with an acute throat infection, requiring an emergency tracheotomy. However, we are glad to report he is very much better now, and back at home.

Mr. and Mrs. Jim Wardrop, 204 Railway Street had three grandsons, Stephen, Michael and David for a long weekend at the beginning of the school holidays while their daughter Norma and husband Bob went skiing with friends.

Art and Shirley Amodeo and children Gail and Glen, 23 Netherford Road and Tove Synbo left Maple March 16 and drove through eight States on their way to Daytona. It rained and was quite cool until they got to South Carolina and then the sun shone and everything was beautiful. They arrived in Daytona at 5:30 in the afternoon rush hour which they didn't enjoy one bit. Maryland is just beautiful, said Shirley, so green and white and clean. They had just two days, the middle weekend, that were quite cool, about 60 degrees, but for the rest of their stay the temperature hovered between 80 and 85 degrees.

Although they drove about 3,200 miles the complete change and rest on the 26 miles of white sand at Daytona gave them all a beautiful suntan.

Farewell
I think spring has finally arrived. Just when you can't bear to shovel another walk, zip up another runny nose, you awaken one morning, open the curtains and there it is.

The ground is bare of snow, green sprouts are thrusting their way through the earth and the trees are bursting with new leaves. Open the windows and the warm air rushes in with a sweetness born of promise of many good things to come.

But I regret that this will be the last column that I will be writing as we are leaving the community before the middle of May. We will be moving to Clairville in the Woodbridge area and it will be a great "uprooting" for my husband and me as we have spent all our lives in this community. However, our hearts will always be in Carrville.

I have enjoyed writing the Carrville Column but I am afraid it has suffered in the past few months because I could not spend as much time on the column as I would have liked. I hope you will help our new correspondent as much as you have given me in order to make the column both interesting and informative.

ANNUAL MEETING
The annual meeting of the Maple Minor Hockey Association will be held April 17 at the community hall.

This is an open meeting and the election of next year's executive will take place. All parents, officers and executive of the league are requested to be on hand for the report on the 1967-68 season.

There will, however, be a Maple minor frolic night on May 3 at the community hall. This will be a dance with buffet and refreshments providing an opportunity for parents, coaches, sponsors, and hockey friends and fans to have a 'winding up' to the hockey season.

For this one you leave the kids at home and enjoy yourself. The cost is \$4 per couple and profits will provide funds for the start up of the 1968-69 season.

A players' banquet will be held April 26 at 6:30 pm at the same location.

There are over 270 players, coaches, referees, managers and executive this year and parents are requested to leave the players at the hall and return around 8:30 pm. Facilities are not adequate for the inclusion of parents with the enlargement of our league this year.

If such were possible it would probably be a popular policy with Canadian Dairymen. Losses from calf deaths during the first 6 weeks of age are often frequent.
