Surf Marine Juveniles Win 1st Game Milton Tournament Monday Night

NOVICES
Shut Out Oak Ridges
Friday night the Hillers hosted Oak Ridges in an exhibition tilt and defeated the visitors by a 3-0 score.
Big Mark Morrison got things rolling for the radio kids with a second period goal on a pass from Wayne Lundy. The score remained 1-0 in favor of the Country Gentlemen until early in the third period when flashy Mike Rowley scored two unassisted goals to put the game out of reach for the Oak Ridges squad.
The season is now almost wrapped up for the novices, who have one game left to play during the midweek tournament. This one will mark the end of the 1967-68 season.

PEEWEEES
Oshawa 3, R. Hill 1
Friday night the Lions Pee-wees lost 3-1 to Oshawa, the team which recently won the Goderich Grand Championship. Scar-Goderich Grand Championship. Early in the third Terry Rice scored two goals to lead the team to a 2-0 victory. In the second period Terry Rice scored

Girls' Gymnastics

Saturday, April 6, marked the GBSSA Girls' Gymnastic Meet held at BSS. The tournament lasted from 10 am to 4.30 pm. It was a long day but wearied competitors admitted it was a successful one.
Judging was excellently handled, with former European Gymnastic Champions Mr. and Mrs. R. Sonnenschein on the panel.
A large contingent of schools was present thus filling each event in junior and senior with a large number of entrants. Present were athletes from Aurora, Markham, Richmond Hill, Newmarket, Bayview, Thornhill, Bracebridge, Langstaff, Woodbridge and also a large number of 'out of town' schools like Orillia, Barrie and Alliston.
In each group, junior and senior, the five events covered were floor exercises, balance beam, uneven bars, vaulting and trampoline. Upon the final tally of points Woodbridge won by a scant 1.9 points over Bayview with Richmond Hill in fourth spot.
Junior floor exercises featured a three way tie for third between Rhonda Snary (RHSS), Marlene Mass, BSS) and Karin Haessler (BSS). Second place went to Janet Wright (RH) with Janet Grant from Eastview SS, Barrie coming through to win the spoils.
In senior floor exercises Base Borden Collegiate Institute's Pauline Batten came through with Lesley Nicholls of Bayview finishing third to Virginia Zink of Alliston. Lorri Sim and Jan Barel from BSS finished eighth and fourteenth respectively.
Junior balance beam was won by Janet Wright (RH) while senior balance beam was a toss-up between Lesley Nicholls (BSS) and Cathy Bowman (RH) who were both enjoying a fine day.
Janet Grant took another event, this time the uneven bars. Kathy Willock (RH) finished fourth in the same event. Cathy Bowman got her second first of the day in the senior uneven bar. In the same event Bev White and Lorri Sim finished sixth and seventh.
Junior vaulting saw Kathy Willock (RH) mount the winner's stand followed by Anne Tanquy (BSS) in second.

Ken Hamilton's Column

Senior vaulting was climaxed by Pauline Batten from Base Borden winning her second first place of the day.
Upon completion of the meet and addition of individual points it was evident area athletes had left their mark. In grade 9 Janet Wright (RHSS) had finished overall second.
In grade 10 Kathy Willock (RHSS) had finished first. In grade 12 and 13 Cathy Bowman finished second in front of Bayview's Lesley Nicholls who placed third.
Once again the meet was a complete success. All competitors had obviously put in a great deal of practice and hard work adding to the success of the meet. To the competitors and judges who made this success possible I say, "Good show! I hope you'll do the same next year!"

BEHIND THE SCENES

Bayview's Anne Tanquy who broke her toe while finishing second in the junior vaulting also attempted the tramp which only further irritated her foot. Also Diane Mowatt of Richmond Hill was sidelined due to measles.

MIKE LIPP SENSATIONAL

"There was no way he could be beat!" This was a typical remark made of Mike Lipp after he swam in the York Central Swim Meet held at Downsview Heights on April 2. Lipp won the 200 yd. freestyle by swimming away from Dennis Buck who finished a strong second.
Buck also won the backstroke helping add to Bayview's point total. Mark Tilson took the butterfly event.
Final tally was Langstaff 52, Woodbridge 50, Bayview 48, Thornhill 43 and Richmond Hill 26.

AUTHOR'S NOTE

In my short writing career I've covered three sports: badminton, swimming and gymnastics. Woodbridge, by far the smallest school in all three of these events, has won two firsts and a second in final school standings.
Could the fact they are so small and yet a winning school have anything to do with school spirit?

BANTAMS

The North End Cleaners Bantams played two exhibition games last weekend, tying one and losing the other.
R. Hill 1, Red Wings 1
Thursday they played hosts to the Toronto Red Wings in an extremely hard-fought and rather rough game. Chris Andrews was the marksman on the only local goal, being aided by Greg Binkley early in the first period.
The score remained 1-0 until the last minute of the game when on a slight defensive lapse the Red Wings tied it up. Both teams were called for numerous penalties and at times were two men short.
Larry Kellett, Glen Spearing, Greg Binkley and Scott Mabley played extremely strong games on defence and Louis Moore turned in one of his finest performances in goal.
Up front the Weber twins controlled the play whenever they were on ice. A couple of times Bill Weber put on a real display of killing off double penalties.

Toronto Aces 7, R. Hill 5

Friday the Cleaners met Toronto Aces for the fourth time this year and came out on the short end of a 7-5 score.
The Cleaners jumped into the lead in the first minute of play when Dick Weber, assisted by Cronkwright and Bill Weber found the range. The Aces scored three unanswered goals before Dick again cashed a Glen Spearing pass.
In the second period the Aces appeared to run away as they scored two more without a reply from the Hillers.
In the third they again showed their scoring finesse as they increased their lead to 6-2. Midway of the period the line of Andrews, Barnett and Gropp got hot and scored three unanswered goals. Gropp from Barnett and Andrews, Andrews from Gropp and Barnett and Andrews from Spearing and Barnett.
At that point it appeared the game was going to end in a tie, but in the final minutes the Aces broke through and added another marker for a 7-5 score.
Chris Andrews' two goals brought his season's total up to 58.

MIDGETS

Legion 2, Toronto Rangers 2
The Legion last Sunday conquered the invading Toronto Rangers 2-0. This leaves only one team, which has defeated the Hillers this year, which has not been bested in a later contest.
Both goals in this game were scored by Methe, with assists from Evans, McKillop and Dunkley, as the Legionnaires got revenge for their defeat at Trenton.
This was a fine game with the Legionnaires skating well, passing well and really wanting to win. Bantam Larry Kellett joined the team on defence for this one, and looked good as he turned in a strong game.
The Legionnaires missed Captain Hal Murphy, their leading scorer.
The Legion will host a good midget team next Sunday, identity unknown at time of writing, as they prepare for the Legion Tournament the next week.

JUVENILES

Surf Marine 4, Dundas 2
Surf Marine Juveniles Monday night played Dundas in their first game of the Milton Juvenile Tournament and won by a score of 4-2.
Wednesday night they will play Brampton, 1968 OMHA champions, who won over the strong Butter-Beeps Club.
In Monday night's contest Mark Dobbs scored at 3:45 of the first period, unassisted. Roy McBrien scored at 4:15 on a pass from Harvey Gordon when the Dundas goalie came out of the net midway to the blue line to clear a puck. However, Chris Dunlop swooped in like a hawk, stole the puck and scored in the open net. Dundas scored to make it 3-1 for the Hill at the end of the first period.
At 6:37 of the second period Chris Hopson let go a blazing slapshot from the blue line to end the scoring for the Hill. Dundas picked up a second and final goal in the period.
Should the juveniles defeat Brampton Wednesday night, they will play Friday at 9 pm against either Oshawa, Toronto, Marlboro, Burlington and Whitby. The tournament finals are on Saturday.

ST. LAMBERT COMING HERE

The St. Lambert, Quebec, juvenile team Tuesday morning confirmed two weekend games here with Surf-Marine crew.
They will meet the local juveniles in the first game Good Friday at 10 pm, and in the second game Sunday at 12:45 pm. Both games will be played in the new arena.
Following Sunday's game, arrangements have been made for a luncheon for both teams' members and their parents at the Legion Court. The St. Lambert team will be staying at a motel in the area.

PICKERING: Township Council

had a heated meeting recently when on a vote of 4 to 3 it was resolved that all meetings of committee of the whole will be open to the press and public. The only closed meetings will be those dealing with personnel, budget or salary negotiations, land and buildings sales or leases, or any other matter voted by a majority of council to be not in the public interest.

AURORA: Just back from a Florida holiday, Reeve Jim Murray

was in fine form at the April 1 town council meeting. He promised some startling announcements soon in regard to water, castigated council for moving slowly and threatened to call the police to make Councillor Evelyn Buck sit down. He also challenged the mayor, when he challenged him to give more direction, then forecast a tax raise of six to 10 mills.

AURORA: Prospects of a HOME scheme for this town

have faded since council has resolved to negotiate with OHC on a basis that apparently is not acceptable to the corporation. The town is asking for homes of a minimum of 1,300 square feet or assessment value of \$7,000, but the OHC says it will not be able to meet the minimum area. The OHC is planning to build 126 houses between Golf Glen and Regency Acres.
