"The Liberal" is always willing to publish items regarding people and events contributed by its readers in Maple, Concord, Edgeley and Kleinburg. Maple, please phone Mrs. Pam Rolfe, 832-1122; in Edgeley and Concord, Margaret McLean, 884-1105, in Kleinburg, Mrs. Lucille Shaw, 893-1432.

Reeve Bailey, Birkett & Fraser Want Fast Action On Maple Parking Ban

Vaughan Township Council agreed July 9 by a vote of 3 to 2 to enact a 24-hour parking ban on Keele Street, Maple Avenue and Richmond Street within the Village of Maple.

Hold-out against the bylaw was Deputy-reeve Garnet Williams who has opposed the idea since it was first discussed at the beginning of this year.

The delay was a sore point with Councillor Charles Birkett. "This has been under discussion since the beginning of the year. It is ridiculous that it has dragged on so long," he said. "It can go on until someone gets killed."

Dr. Birkett also accused Deputy-reeve Williams of obstructing council's instructions at York County Council. "It is evident that when you go up to county council you oppose what this council wants," he said, referring to the several times the proposed bylaw has been "diddled about" up at York County.

"When I go up to York County Council I vote with my conscience," said Deputy-reeve Williams. "I vote as a county council member, not as a member of this council. It is not incumbent on me to vote as you tell me to."

Reeve Brian Bailey disagreed on this point. "I go (to York County Council) to represent this municipality," he said. "When a majority of this council votes for something, this is the position I take."

He also added, however, "I've never really been able to solve what I am supposed to be

doing up there." (at county council).

The committee report council was discussing recommended that York County Council be asked to pass, without reference to its special roads committee, a parking bylaw prohibiting parking in Maple in accordance with Vaughan's earlier request and in compliance with recommendations of the Department of Transport.

(At the last session of county council, the request for the Maple parking ban had been referred back to the special roads committee).

Deputy-reeve Williams termed the proposed recommendation an insult to county council. "They have referred it to a special committee and we have no business to tell them what to do," he said.

Dr. Birkett accordingly moved an amendment to the report, deleting the reference to county council and instructing instead that a bylaw banning parking in compliance with Department of Transport recommendations be prepared for presentation to council.

Mr. Williams noted that the Department of Transport had also made recommendations respecting off-street parking, but it was agreed that this could be discussed when the bylaw is prepared.

Dr. Birkett's amendment was carried, with Reeve Bailey casting the deciding vote. In favor were Councillors David Fraser and Birkett; opposed, Councillor Dalton McArthur and Deputy-reeve Williams.

New Bank Opened

"A new concept in banks, built for the future" was how Branch Manager Larry Ashton described the new Royal Bank building at Keele Street and Highway 7, Concord.

Seen above at the official opening of the building are, (left to right) Assistant General Manager of the Royal Bank of Canada H. E. McClenaghan, Mr. Ashton and Donald Deacon M.L.A. York Centre who cut the ribbon prior to the open house held July 11.

Mr. Ashton is a director and treasurer of the Industrial and Commercial Association of Vaughan. He is also community service director of the Rotary Club of Vaughan and is a past president of that association.

Maria Jankowiak Wed Recently In St. Mary's Anglican Church

White shasta mums and pink gladioli decked St. Mary's Anglican Church in Richmond Hill for the June 1 wedding of Maria Jankowiak and Brian Allen.

The bride is the daughter of Mr. and Mrs. Francis Jankowiak of 105 Baker Avenue in Richmond Hill. She is a graduate of Richmond Hill High School and is working as a librarian at the Central Library in Toronto.

The groom is the son of Mrs. Donald Allen and the late Mr. Allen of 24 Keele Street North in Maple. He won the Helen Hogg Scholarship at Richmond Hill High School, and earned his Bachelor of Science in chemical engineering at the University of Toronto.

Reverend James O'Neil officiated at the afternoon service, and Mrs. E. A. Cover played Handel's wedding march.

The bride was given in marriage by her father. She wore a floor length white gown of silk organza over peau de soie. Picot bows trimmed the sleeves and the hem of the dress. Her silk illusion fell in two lengths, one to her shoulders and one to the floor with a train edged in scallops of the same material as her gown. The bride's grandmother made the bridal gown and all the attendants' dresses.

The bridal bouquet was an old fashioned assortment of pink roses, white heather and carnations and stephanotis.

Heather Jackson of Toronto was the maid of honor, and Janice Austerbury of Richmond Hill was a bridesmaid. The girls wore floor length blue flowered chiffon gowns with bows at the shoulders. They had blue bows scattered through the curls in their hair, and they carried bouquets of yellow shasta mums and fern.

Dwight Powell of Richmond Hill was the best man. Ushers were Jeffrey Radley, Noel Gillings of Maple and David Gerstein of Toronto.

At the reception at Wrixon Hall, the mother of the bride received the 75 guests in an

In the Village of Maple

would pour into the sky as oil and tires burnt. The people watching began to disperse as it got dark and the fire was still raging with Maple's finest firefighters standing by unable to do much but save surrounding buildings. So far no report has come through that anybody was hurt in the blaze, though two firemen were overcome by smoke.

It was pitiful to see the large flock of pigeons flying round and round with nowhere to roost for the night.

Earl and Lois Line and their children Ronnie, Dale and Timmy, 9 Ontario Street spent the first week of July at the cottage on Canal Lake, 15 miles from Beaverton. The weather was kind to them and they thoroughly enjoyed themselves lazing in the sun.

The Munshaw family, 18 Railway Street, had guests for the first week of July. Their friends Barb and Charlie Haskell and children Pam and Chuck from New Bedford, Massachusetts spent the week with them. They left during the evening July 8 as they wanted to see Niagara Falls at night.

Dale Line, 9 Ontario Street, was seven years old on the seventh day of the seventh month. This should be a lucky year for Dale!

Happy birthday also to Lesley Shields, 21 Railway Street, who was 5 years old July 11. That same day Judy Thompson, 7 Welton Street, was 11 years old.

Young Billy Wright, 18 Gosling Road had an unfortunate accident Tuesday when the wheel came off his bicycle and in the fall he fractured his jaw. His mother Shirley reports that it doesn't appear to bother him too much, the only thing is that he cannot chew!

He was taken to York Central Hospital for treatment. Former Vaughan Township Reeve Albert Rutherford was driving along behind Billy, saw the accident happen and very kindly took him home, for which Shirley was very grateful.

Sympathy goes this week to

Gord Stephenson, 15 Railway Street, whose father passed away in York County Hospital, July 6 at the age of 87.

Close to 125 employees of Superior Propane and members of their families enjoyed the annual picnic at Greenwood Conservation Area July 4. The program included swimming, horseshoes, bingo and the usual games and races and continued until around 10:30 p.m.

Church News

During the month of July, Rev. Norman Green who is the assistant curator of the new planetarium at the University of Toronto is conducting Sunday services at St. Stephen's Anglican Church.

Dr. Ramsay Armitage attended the 10th Annual Congress of the Canadian Esperanto Association at the Lord Simcoe Hotel, in Toronto recently. During the course of the congress, he took the service in Esperanto

at Wycliffe College, U of T. Dr. Armitage has been a member of the Esperanto Association for several years. He reports that he has not taken an active part in its work and describes himself as "just a student."

Lions Baseball

The baseball season organized by the Lions Club for boys eight years old and over, got underway last July 4, when teams were selected and the rules and regulations were explained to the players.

The coach and their assistants this year are Beavers, Coach Keith Arnett, Assistant Grant Rose; Buds, Coach Bob McIntyre, Assistant Jim Hopkins; Leafs, Coach Del Moore, Assistant Ross Garrett; Lions, Coach Bruce Murchison, Assistant Lindsay Boudreau; Tiger Cubs, Coach Bruce Palmer, Assistant Rod Shields and Wildcats, Coach John Pile, Assistant Fern Limoges.

Scores for games played July 8 were Lions 6 Leafs 4; Tiger Cubs 14 Beavers 13 and Wildcats 26 Buds 1.

July 11, Lions 6 Beavers 5, Buds 13 Tiger Cubs 4 and Wildcats 3 Leafs 1.

AURORA: Union members at Sterling Drug have authorized strike action to back up proposals for higher wages. The vote by members of Local 9-435 of the Oil, Chemical and Atomic Workers International Union was 125 in favor of strike authority and 56 opposed - about 69.1 percent support. There are about 200 workers at the plant. A total of 181 took part in the vote.

SHARON: - An inquest into a traffic accident in which two men were killed and two others seriously injured was postponed July 5, when the presiding coroner failed to appear.

Coroner Dr. Patrick Greaves, Newmarket, could not be found to conduct the inquest which he ordered a month ago.

Two other coroners in the area could not be summoned on such short notice.

Twenty witnesses, jurors and insurance adjusters, in addition to spectators, waited 1½ hours until the hearing was postponed on the advice of the Attorney-General's Department.

Burn Waste Lumber Stored At Concord

Glen Ash Developments Limited, owners of the property at the southwest corner of Bathurst Street and Highway 7, Concord, have been given permission to burn an accumulation of used lumber on the site between July 9 and August 9.

Tenant on the 101-acre parcel in 1965 was storing salvaged lumber but was told to "cease and desist" as this was contrary to the bylaws. Since the tenant left some dumping has continued and in December 1967 a court action was brought against Glen Ash Developments with a conviction registered. A suspended sentence was levied with no fine on the condition that the lumber be disposed of.

Glen Ash subsequently asked permission to burn the refuse and at the July 9 meeting of council, Bylaw 2096, which forbids burning any type of waste, was amended to permit burning of the salvaged lumber during the specified period.

A fire permit will be issued by the fire chief and he may specify any conditions necessary to ensure that the burning done safely.

95 Children Enjoying Park Program

Registrations have been far beyond expectations for the children's summer playground program at Maple Grove Park and the Maple Recreation Committee regrets that it is unable to accept any more youngsters.

There are 95 children now enjoying the program which the committee feels is the most present staff can cope with. They promise that next year they will plan for a larger number.

Plans for the fall and winter recreation program were discussed at a public meeting held in the community hall July 8.

A 10-week series of classes in modern ballroom dancing will be held in the community hall, beginning September 15. A professional instructor will be engaged to conduct the classes. Anyone interested in this course may call Mrs. Jane Hills, 832-1057, who is making arrangements for it.

Badminton will be played

at one or both schools in town depending on the number of registrations. Chairman Fred Young is looking after this, so a call to him at 832-2634 will get your name on the list. This program will begin in October and games will be played Thursday evenings from 7:30 to 10:30. It is anticipated that 40 people will sign up for this.

A physical education program intended as a hockey warm-up for boys will begin the third week of September, either at the community hall or at one of the schools and will continue for three or four weeks.

Eucre players are invited to call Bruce Thurston at 832-2575 who is organizing a eucre club to start in October. The group will set its own dates of play and the recreation committee will arrange for a hall.

Later in the winter, probably February or March, a golf clinic will be held - a

warm-up for next summer's golfers.

The recreation committee is concerned at the moment with finding out what activities young people would like to have going in the village. They would like to have two teen-agers, a boy and a girl, on the committee and present at the next meeting which will take place August 12 in the community hall.

Mr. Young invites any active young people who would like to be on the committee and speak for young people to call him at 832-2634.

Currently, the committee is working on the drafting of a complete schedule of all activities planned for the village - church groups, young people, card clubs, bowling, what - have - you. When this is complete, copies will be sent to all village residents so everyone will know what recreational opportunities exist in the area.

going PLACES

meeting PEOPLE

There was a great flurry of excitement last Thursday evening when the first siren wailed out at about 8:40 pm. The black and grey smoke was billowing up into the sky and the first rumor had it that it was the shopping plaza on fire. Upon investigation though it was found to be a barn at the airport.

Everybody was standing at a discrete distance to watch the fire which was burning with great gusto and it appeared impossible that anything could be salvaged. After about a half an hour there was a great roar and the roof collapsed. Every few minutes thick black smoke

OFFICE MANAGER TRAINEE

Our Retail Stores Division offers an interesting training program leading to the position of Office Manager. We are Canada's leader in the Rubber Industry and because of our rapid growth in the retail field, we have real opportunities for the successful applicant. The man we are seeking will be a High School graduate, with previous successful office experience and an aptitude for sales. Salary commensurate with qualifications.

Company paid benefits which include Paid Vacation, Hospitalization, Medicare, Life Insurance and Pension Plans.
