going PLACES

meeting PEOPLE

Graham Lamont, 27 Malaren Road, returned to Maple from a trip to Europe, in the early hours of the morning August 9, after a 20-hour delay in London where the plane had mechanical trouble. A part had to be flown in from Montreal, fitted and the plane serviced before it could fly to Canada.

Mr. Lamont was one of the teachers accompanying 160 students from seven schools in Southern Ontario, who left Toronto International Airport July 11 on a month long trip to Europe.

Going first to London they visited, among other places Westminster Abbey, St. Paul's Cathedral, the Houses of Parliament, the Tower of London and Buckingham Palace where they watched the changing of the guard and where two boys were almost arrested for climbing 20 feet up Queen Victoria's monument for a better view and photographs. They were rescued in the nick of time by the fast talking teachers who explained the position and the paddy wagon went away empty.

After almost a week in London they left for Paris visiting

IN THE VILLAGE OF MAPLE

all the usual haunts of tourists and students, then on to Switzerland and Austria. At Innsbruck the trip was marred by the tragic death of 18-year-old Carl Hamilton, the only son of the Vice-principal of Dryden High School, who was killed in a fall on the same mountain that Mr. Lamont and six students climbed. The elevation from the valley floor to the peak of the mountain was 7,000 feet and it was a 20 mile walk. They were consequently jokingly nick-named "Monty's Mountaineers". The rest of the party went up the mountain by cable car.

While in Europe the party travelled by four buses. Each bus had a university student as a guide and the one on the bus that Mr. Lamont travelled on had quite a sense of humor and kept them all amused.

After Austria they travelled to Italy and then returned to England for a few days in Devonshire. While in England a memorial service was held in Exeter Cathedral for Carl Hamilton.

In each country the students used the language of the country as much as possible. They knew a few phrases and added more as they went along. They learned the character of the people of each part of Europe they visited, learned the money

and widened their horizons immensely. All agreed that, apart from the tragedy that occurred in Innsbruck, it was a very successful and enjoyable trip. The party was accompanied by a nurse who was kept quite busy with minor ailments, administering pills and potions as required, but no serious injury or illness occurred.

A farewell party was held for Art and Kay Wolfreys of Maple Avenue at the home of Roy and Carol Munshaw, 13 Railway Street, August 8. The former neighbors of Art and Kay wished them well with the gift of a glass dish to remember them by. A delicious supper was served in the garden, but the good luck cake and coffee and tea had to be served indoors due to a thunderstorm.

Art and Kay and their two daughters Lynn and Gail left the following day for Syracuse, New York where they have taken up residence in Candlelight Lane.

Peter Beecham, 3 Goodman Crescent leaves Maple August 17 to represent the Maple Scouts at the Ontario Scout Jamboree at Kelso Conservation Area, Milton. There are expected to be approximately 3,000 Scouts and leaders at the

camp and Peter will be there for a week. Ted and Marilyn Jackman, 30 Goodman Crescent with their children Kathy and Kelly returned recently from an interesting tour. They first went to Haliburton and Algonquin Park, on through the Ottawa Valley, crossed over to Hull and into the Gatineau Hills and the Laurentian Mountains and then visited for a few days with Marilyn's brother, Don and family near Montreal.

While staying with Don, a one time resident of Maple, they were able to swim every afternoon at the curling and swimming club of which Don and his wife are members. They went to an antique barn one day where they were very intrigued with all the paraphernalia on sale. One item that caught Marilyn's eye was a number of wooden rosaries for sale. They went to a steak party one evening.

While they were in Montreal cousin Debbie had a birthday so Kelly and Kathy were able to join in the fun. They also dined out one evening at Thorncliff Restaurant, a beautiful restaurant which served a delicious meal. The Jackmans arrived home in the heatwave we had in July and were glad not to have had to travel too far in the heat.

A five-day Bible club was held at 18 Railway Street from July 29 to August 2 with an average attendance of 11 boys and girls. Marian Chapman of Hamilton was in charge of the children who listened intently to the Bible stories and sang songs and played games together and each day learned a memory verse from the Bible.

Kay and Jim Jones, 24 Goodman Crescent and their children Stephen, Michael and Laura returned August 9 from a three-week trip through Quebec, New Brunswick, Prince Edward Island and home through the States.

While in New Brunswick they went to Fredericton and visited the art gallery, the museum, the parliament buildings, etc. In Prince Edward Island they were lucky enough to be in Surrey while the Surrey Regatta and Fisheries Exhibition was taking place and then in Montague when the Annual Highland Games were in progress when everybody who had

once lived in the area seemed to have returned home for the fray. They spent a couple of days at St. Andrews-by-the-Sea, New Brunswick on their return journey and thought it was a quaint and lovely town. The Jones family have a camper-trailer and found most of the camp-sites on their tour very pleasant and convenient. The weather was very kind to them most of the time and they are now looking forward to next summer when plans will be made for a trip of a similar nature.

Lions Baseball In the games played August 5 the results were Lions 6 - Wildcats 3, Buds 15 - Beavers 9 and Leafs 18 - Tiger Cubs 7, August 8 the games were threatened with thunderstorms, but after a very brief shower the games were played as scheduled and the scores were Lions 15 - Tiger Cubs 5, Buds 13 - Leafs 9 and Wildcats 9 - Beavers 3.

One of the home runs scored by the Wildcats August 8 was made by Vince Cudia the captain of the team, who was celebrating his birthday that day. His mother made a cake and sold drinks and took them to the game so all the players could help Vince celebrate in style.

Swimming Lessons The second session of swimming lessons is now in full swing having commenced August 10, the bus leaving the community centre at 10 am. Maple Lions Club provide the bus free of charge to the parents to enable more children to benefit from the instruction given at Thornhill Swimming Pool during the summer holidays.

The results of the tests taken last Wednesday and Thursday at the pool by the children are as follows: Beginners graduating to juniors — Jill Bothwell, Linda Kuntz, Sandy Key, Barry Key, Robert Horner, Jimmy Jellison, Sonia King, Kelly Jackman, Lidia Bundschush, Wendy Taylor, Andrew Fitzgibbon, Michaela Weidenfelder, Janet McIntyre, Kim Weese, Heather Lamont, Greg Mushaw, Michael McInnes, Karen Ivens, Peter Pflug, Rickie Mundola and Gail Bonerra.

Juniors graduating to intermediates — Steven Allan, Tom Weidenfelder, Deborah Key, Candy Weese, Jo Anne Sara, Brigitte Bundschush. Congratulations to all of you!

Vaughan Rural Residential Lot Contrary To Twp. Official Plan

In spite of the fact that it conflicted at several points with the township's recently adopted Amendment 15 to the Official Plan regarding rural residential development, Vaughan Township Council July 30 approved, without comment, rezoning of a 2.761 acre parcel of land on Dufferin Street to rural residential use.

Located at the southeast corner of Maple Sideroad and Dufferin Street, part of Lot 20, Concession 2, the parcel is the property of G. A. Walter.

The land is zoned "A" agricultural by Bylaw 2523 which requires residential lots to have at least 25 acres and 330 feet frontage on an improved public road, neither of which the proposed severance possesses. Staff reports to the planning board noted that the proposed lot is devoid of trees, suitable for agricultural purposes, does not appear to have soil suitable for a septic tank, and would out-let directly onto an arterial road.

Official Plan Amendment No. 15, under the heading "Policy" stated that "The township will discourage the creation of lots with access directly onto arterial roads." As well, rural residential development was to be contained in selected areas of the northerly and westerly parts of the township, where the rolling topography does not lend itself well to agricultural uses.

Lands surrounding the lot are used for agricultural purposes although there are several non-farming residential properties on the west side of Dufferin Street, some 900 feet away.

The staff report also noted that Mr. Walter had supplied no information as to whether there is a sufficient supply of potable water available for the lot.

Only aspect of these objections which the planning board appeared to have coped with was the driveway onto County Road 25, Maple Sideroad. It recommended that the driveway should be constructed along the east boundary of the lot so that when subsequent severance is made of the property to the east it could have its driveway against the joint boundary, resulting in only one entrance onto Maple Sideroad.

Council accepted planning board's recommendation of the severance without discussion, subject to requirements of the committee of adjustment. These included a dedication of 10 feet of land across the full width of the property for road widening purposes, payment of a sum of money equal to 5% of the land value for public purposes and a written agreement with the township regarding provision of municipal services to the property.

KNOW WHAT HE'S TALKING ABOUT? When a neighbor comments on the week's news, don't be caught short. Make it a habit to read "The Liberal" every Thursday for latest developments in local government, education and community affairs.

Pretty Summer Wedding

Mr. and Mrs. Brian Allen are pictured above following their June 1 wedding in St. Mary's Anglican Church in Richmond Hill. The bride is the former Maria Jankowiak, daughter of Mr. and Mrs. Francis Jankowiak of 105 Baker Avenue in Richmond Hill. The groom is the son of Mrs. Donald Allen and the late Mr. Allen of 24 Keele Street North in Maple.

Mr. and Mrs. Allen are now residing in Toronto where the groom will be working on his master's degree in engineering at the University of Toronto.

First Full Time Safety Officer Begins September 1 In Vaughan

Police Constable Jack Hamilton of the Vaughan Township Police Department was recently appointed School Safety Officer and will assume his duties at the beginning of September.

Constable Hamilton takes over the post from Sergeant James Nugent and will be the township's first full time safety officer.

He will conduct a safety program in the schools and will be available for talks to parents' groups, service clubs, etc. Constable Hamilton will represent the police department on the Vaughan Township Safety Council. This is a volunteer organization concerned with safety generally and consists of representatives from the fire department, township council, the school board, the school principals' association and service clubs.

Constable Hamilton joined the Vaughan force in January 1967 and prior to that had been a member for five years of the Royal Ulster Constabulary in his native Ireland. He and his wife, Yenie, live in Richmond Hill with their three children, Paul, Pearl and Mark. They are members of the local Free Methodist Church and are very active in the work of the church, particularly with children.

NEW MARKET: Councillor Bruce Eves recently expressed criticism of the number of conventions Deputy-revee Clare Salisbury was attending this year. Council had just approved the attendance of Mr. Salisbury, Councillors Tom Surgeon and Seneca Cook and Clerk Grant Blight at the Ontario Municipal Association convention in Windsor August 11-14. Later council approved Mr. Eves' attendance with Fire Chief John Gibson at the Canadian Fire Chiefs' annual session at Kelowna, B.C. in September.

NEWMARKET: Teams of doctors and nurses at York County Hospital worked for eight hours recently before a Toronto man was declared out of danger with a good chance for survival after he had almost drowned in Lake Wilcox. Cyril Bulgin, 19, an expert swimmer, attempted to swim from a raft to shore at Blue Spruce Park when he went under. He was pulled from the water after about four minutes later, apparently dead. A doctor and the ambulance men worked on the man at the lakeside and then rushed him to the hospital.

THE Challenge OF CANCER

CANCER DANGER SIGNS The Canadian Cancer Society lists these seven danger signals as possible signs of early cancer: (1) Unusual bleeding or discharge. (2) A lump or thickening of the breast or elsewhere. (3) A sore that does not heal. (4) Persistent changes in bowel or bladder habits. (5) Persistent hoarseness or cough. (6) Persistent indigestion or difficulty in swallowing. (7) Change in a wart or a mole. These signs do not always mean cancer but if you notice any of them, tell your doctor. If they are caused by cancer, early treatment is essential.

NOTICE TO CREDITORS AND OTHERS

In the Estate of DOMENICA DECIANTIS, late of the Town of Richmond Hill, in the County of York, Widow, deceased.

All persons having claims against the Estate of Domenica Deciantis, late of the Town of Richmond Hill in the County of York, Widow, who died on or about the 20th day of June, 1964 are hereby notified to send particulars of same to the undersigned on or before the 31st day of August, 1968, after which date the Estate will be distributed, with regard only to the claims of which the undersigned shall then have notice, and the undersigned will not be liable to any person of whose claim they shall not then have notice. Dated at Toronto this 1st day of August, 1968.

BELL LINES

by J. W. Toccalino Manager - Bell Canada

Look what an important month August has been. Columbus sailed from Spain in August 1492. Talking motion pictures were shown for the first time in New York City in August 1926. The first message by Atlantic cable was sent in August 1858. World War I began in August 1914. World War II ended in August 1945. The Red Cross was established at Geneva, Switzerland in August 1864. The world's first Long Distance telephone call was made August 10, 1876 between Brantford and Paris, Ontario.

August 18 this year sees the introduction of Econo-Pak service which offers a package of Long Distance calling to individual line residence customers. This new service provides 60 minutes of Long Distance calls a month from your telephone to any number of points that you might wish to call within your home province provided that they are served by Bell Canada dial telephones. Charge for the total 60 minutes is only \$10. All calls will be timed on a per minute basis. Econo-Pak service rates are available between 12 noon and 8 p.m. any day in the week. For full details just call your local Business Office.

My "spies" are at work again and word they are sending back from visits to Man and His World in Montreal glow with enthusiasm. It's Expo without the jostling crowds but all the sparkle and world-in-miniature interest of last year. Two of the more eye-catching buildings have changed character inside this year. The former British Pavilion, now topped by a gigantic flag of Montreal, features the Music Belfry and has become a meeting-place for music lovers. The other section of the building has become Caneers of Yesteryear where exhibits pay tribute to the pioneers of the automobile. The 20-storey geodesic bubble which last year housed the American exhibit has been transformed into a fascinating aviary and garden area — really, an exotic indoor park. Some 800 birds of 150 different species are housed in enormous cages. In fact, in one section, visitors walk into a tropical garden to be greeted by flamingoes, peacocks, toucan birds with their huge beaks, and dozens of other brilliantly colored birds from tropical lands.

Several new exhibits are fascinating visitors this year. The Humor Pavilion gives a fun-filled look at the lighter side of life: Dolls representing people from the five continents and the way they dress provide a lesson in history and is a veritable museum of man in the Mirror of Man Pavilion. The Telephone Pavilion now has two sections. Canada 67 brings back the thrilling Walt Disney Circle-Vision 360 film. The other section of the building is now Montreal 326 and recalls the 326th anniversary of the City of Montreal. Poland and Ireland are two new participants in Man and His World. And for those who wish to relive Expo 67 there is a memorial pavilion where the great moments are remembered. A collection of flags of the participating countries, costumes worn by the hostesses of the various nation pavilions, slides, photos, reports and newspaper clippings are all there. Again this year Man and His World seems to be the place to visit for a comfortable, quick voyage around the world.

NEWSPAPERS

MAKE A BIG DIFFERENCE IN PEOPLE'S LIVES

your next few minutes can mean greater shopping satisfaction for you

The way to get more satisfaction out of your shopping is to plan it on the basis of the information you get in your ABC weekly newspaper. There is no easier way to save time, energy and money when you go to the stores.

Instead of wishing you knew where to find what you want to buy, you can settle in your own mind the details about prices, colors, quality, sizes and other essentials, just by reading the advertising in "The Liberal". And as you read, you can decide quickly and easily where your shopping trip will take you, even before taking an actual step away from your home.

You get your choice of the largest, most attractive selections when you read the advertising in your ABC weekly newspaper. Retailers place in the ABC weeklies more of their advertising than they place in any other advertising medium. Many stores advertise only in your home town paper.

So, for more satisfying, more enjoyable shopping, read the advertising in "The Liberal" and plan your trips accordingly. Be sure to read the advertising in "The Liberal" this Thursday and every Thursday.

Shopping is more successful and satisfying when you start it in "The Liberal" before you visit the stores.
