

# ... Sport Spots ...

(Continued from Page 9)

You need hits from everyone, if possible, but you have your key hitters on every team and they've got to come through. The rest you depend on for the odd hit in the right spot and for airtight fielding. It's no secret who the key hitters are—the ones who have to hit if you're going to win—are in the Jewellers.

They are—and not necessarily in this order—fellows like Bill 'Skip' DeGeer, Neb Gayman, Al Mufford and Les Downing. And we're not slighting the other players who can and do come through. You 'all' is needed.

DeGeer is probably one of the toughest hitters around the country. You know that somewhere around the line he's going to hit. It doesn't matter how good the pitcher is. The same for most of the others.

## NEED FAN SUPPORT

Also important are the fans who can give the team a lift. So if you've got nothing else pressing on the Labor Day weekend it would be a great help if you piled the family into the car and breezed down to St. Catharines. Help spur on Coach "Casey" Cripps and the rest of the Dynesmen. They're making their contribution to putting Richmond Hill on the map. More on this later.

## "COOL" IT

And now to "cool" the scene . . . just a trifle. Eric Girdler, chairman of the Richmond Hill Power Skating Committee, reports that plans for an upcoming power skating school are well underway.

Meetings have been held by the club executives with coaches and managers of Richmond Hill Minor Hockey teams with a view towards finalizing details.

Youngsters from six years of age up are welcome to register for the courses. Registration dates are set for August 24 from 10 am to 3 pm and August 26 from 7 am to 3 pm. Locale is the new arena.

## INDUSTRIAL TOURNEY

Back to summer. Reid's Auto Body of the Richmond Hill Industrial Softball League will be entering the annual Etobicoke Industrial Fastball Tournament this weekend at West Deane Park on Rathburn Avenue in Etobicoke. May the best team win and may that be Reid's, naturally.

## SOCCER SCHOOL

And don't forget the Toronto Falcons Soccer Clinic to be held at Bayview Secondary School August 22 from 5:30 pm on. The school is being sponsored by the Richmond Hill Minor Soccer Association. Such international soccer stars as Iris DeBrito, Ken Bracewell and Oscar Lopez will be on hand to teach you youngsters how it's done.

And, oh yes, you can win a soccer ball autographed by the Toronto Falcons.

## Wimbridge Ladies Revert To "AA" Class

Wimbridge Cleaners Ladies Softball team came up with one win and two closely-fought losses in three games during the past week.

August 6 they bowed 2-0 to Donlands of East York in a hard-played game. Pitcher Virginia Ross turned in an exceptionally fine performance on the mound, but she and her team mates lacked their normal punch at the bat.

August 7 the lassies of Richmond Hill played host to Peterboro in the second game of the PWSU playdowns and lost 1-0. This loss eliminated them from the Intermediate "A" category and they now revert to the "AA" class.

Peterboro connected for eight hits and committed two errors, Richmond Hill's batting slump continued as the girls registered only two hits and two errors.

Monday evening Wimbridges defeated Bay Ridges at Bay Ridges 11-9 and were back in batting form for this one. It was just as well, as added to their other chores was umpire education—the rule book being produced and explained on more than one occasion.

Again Virginia Ross turned in a good performance on the mound and drove in four runs to lead her team to victory.

Tonight (Wednesday) the local girls will take on Burns Cartage of the East York League.

Thursday they journey to Hamilton to play the first game of a PWSU playdown round, with Hamilton returning here Saturday night.

## Roaring Air Cooler Receives Attention

Since members of Markham Township Council are attending the annual convention of the Ontario Municipal Association at Windsor, there was no council meeting this week. The regular session will be held August 19 at 7:30 pm.

The two-week interval will give an opportunity for engineers to overhaul the air-conditioning in the council chambers. Since the new chambers have been in use (only a few months), the cooling system has been consistently noisy and has defied all attempts to soften its roar.

At the August 6 meeting Reeve Stewart Rumble gazed around the chamber and commented: "This would be a pleasant room if it weren't for that blasted air-conditioner."

The clerk reported the staff had hesitated to ask for extensive work on the equipment because of the warm weather. But engineers have been instructed that they have "two weeks to get with it!"

## Let's Play Tennis

By Ross MacMillan  
Phone 884-5725

Richmond Hill Lawn Tennis Association

It was with profound sorrow that the tennis club learned of the tragic passing of Amelia Albery, an esteemed member of the Thornhill club, who had represented her club in all York County Tennis League games this season.

Though a comparative newcomer to the local tennis scene, having previously played out of Toronto's Moore Park Club the late Mrs. Albery had quickly endeared herself to team-mates and opponents alike by her high quality of play, her excellent competitive spirit and her deep love of the game. Her fine Scottish humor contributed much to everyone's enjoyment

of the game. John Marais, team captain of the local club, summed up the sentiments of all by saying, "Amelia Albery's untimely death has cast a pall over not only our club, but all clubs comprising the York County league. She had won the respect of all and we are deeply grieved."

The executive of the Richmond Hill club, on behalf of the entire membership, extends to the Albery family and to the Thornhill Tennis Club their deepest and sincere sympathy.

## Toronto Falcons Here August 22

The Toronto Falcons of the North American Soccer League will be in Richmond Hill August 22.

Purpose: To hold an instructional soccer clinic for Richmond Hill youngsters at Bayview Secondary School.

Featured will be such international stars as forwards, Iris DeBrito, Oscar Lopez, and defenceman Ken Bracewell.

The clinic is being sponsored by the Richmond Hill Minor Soccer Association which is urging soccer fans in Richmond Hill and surrounding areas to attend the clinic and give the Falcons "a real welcome".

There is no admission charge and parking is free. Refreshments will be available.

Some lucky boy (or girl) will win a valuable soccer ball autographed by the Falcon players. The clinic starts at 5:30 pm.

## Surf Marine, Brennan's Fight For Playoff Spot

Surf Marine and Brennan TV are currently locked in a death-struggle for the fourth and final playoff spot in the Richmond Hill Industrial Softball League.

A single point separates the two teams with only three games remaining in league play. Brennan has the edge at the moment 11 points to 10 but both teams meet in the second game of a doubleheader Friday night at 9 pm in the town park.

League President Andy Chateauver is hopeful that the playoffs will start with a doubleheader this Monday night in the town park.

Eric's 9, Transmission 2  
Eric's Cycle and Sport locked up at least a third place tie by downing Mr. Transmission with the winning verdict going to Pitcher Ken Roberts. Doug Archer led the offensive with three hits. He was abetted by Gerry Bourque who lashed a three-run homer. Dave Webster was the losing hurler. Tony Berry led the losers with three hits while Ted Cox had two.  
Pinecrest 5, Transmission 4  
Bill Ash outpitched Bruce

Stevens in a close contest Friday night. For hard-luck Mr. Transmission it was the sixth one-run loss this year. The team has won only one game and tied two others. Jack Matchett and Paul Hunter led Pinecrest in the hitting department. Tony Berry and Stevens were the best for Transmission.

Reid's 7, Pinecrest 4  
League title winning Reid's Auto Body recorded their 14th win in 15 starts setting a league record with 28 total points. Bob Kennedy was the winning pitcher scattering seven hits while walking two and striking out 10. Losing pitcher was Bill Ash who gave up 11 hits, walked four, and struck out seven.

Gord Wright led the way with three hits for the winners Al Ciampini, Mack Clement and Gerry Lazar each contributing two. For Pinecrest it was Paul Hunter with two hits and Rod Mabley with a two-run triple.

Pinecrest 13, Surf Marine 3  
Bill Ash pitched a four-hitter striking out 11 and walking only three as Pinecrest clinched second place on Monday night. Bob Whitmarsh led the offensive way with a single, double

and a triple and also drove in four runs. Jack Greavette, Bill Savage also helped with two hits each.

Brenan 8, Transmission 7  
Brenan TV moved into fourth place with its win in Monday night's second game. Brennan came from behind scoring four runs in the fifth inning and three in the seventh. It was Mr. Transmission's 12th loss of the season and their seventh by one run.

Bruce Thompson was the winning pitcher. Offensively it was Dave Reid and Terry Adkins delivering the big hits. Barry Holden with three hits and John Cook with two were the best hitters for the losing team.

From Chemical Research and Electronic Computer emerges . . .

# SAFETY "99" POLYESTER

THE MIRACLE CORD TIRE

Rated **40,000** Miles  
— of smoother low cost travel  
BUILT TO OUTLAST all others  
**HIGH MILEAGE SAFETY "99"**

From the eagle-eye of a microscope . . . the exacting precision of the computer . . . the ingenuity of chemists and engineers . . . comes the 'miracle-cord' POLYESTER. As revolutionary as the wheel! The 'grand-finale' of 10 painstaking research years, so tough and defiant it's Road Hazard Insured and we'll even replace it if it punctures . . . ever! That's confidence!

POLYESTER can't overnight flatspot that causes "morning-thump", keeps perfectly round and rolling for 40,000 miles and in one case 100,000 miles! Amazing? Yes, . . . but, true! And with POLYESTER you can forget about blow-outs due to moisture and rot. Keeps a uniform shape from time and the elements, it almost seems to improve with age. POLYESTER lays a true, even-gripping footprint on highways and country trails . . . and isn't that a step in the right direction. POLYESTER HIGH MILEAGE SAFETY "99" . . . get a pair, or better yet, . . . get four . . . there's safety in numbers!

What is POLYESTER?  
From 10 years of painstaking research blossoms a revolutionary tire cord combining Nylon and original equipment Rayon. Antiquates all other tire cords. Only top-quality Polyester is used for HIGH MILEAGE SAFETY "99". By the way, POLYESTER tire cord costs a little more, but, it's a whole lot better.
