

ANDREA STODDART
Andrea Wins Again

Sixteen-year-old Andrea Stoddart of Richmond Hill is making up this summer for what she didn't do the last one.

Like winning. All the way winning.

Miss Stoddart, who lives at 36 Starlight Crescent, captured the Toronto and District Golf Championship last week at the Woodbridge Golf Club.

The Summit Golf and Country Club miss had an opening round of 78, six over par, and a closing 80 yesterday for a 36-hole score of 158. She led runner-up Patti McCabe of Rosedale who combined rounds of 84 and 81 for second place.

For Miss Stoddart it was simply a case of winning yet some more laurels this summer.

A few weeks ago she captured the Ontario Junior Girls' Championship at the Summit.

She was also the number one choice to represent Ontario in the United States Junior Girls' Championship in Flint, Michigan.

What a difference a year makes?

Right. It was just last summer that Miss Stoddart was struggling to break out of a late season slump.

"My last major outing in 1967", she said, "was the Canadian Junior Championships at Saskatoon and I didn't play well at all. It was discouraging. Made me almost feel like giving golf up."

Andrea also finished second in the Ontario Junior Championships and then went to the Chicago juniors and took her lumps there. She also had a bout of the sickness.

Just not her year.

But this year . . .

Barbecue Party

Young Library Staff Honored By Seniors

Senior staff members of the Richmond Hill Public Library entertained recently at a barbecue party at the home of Mrs. Maureen Stephenson in honor of several members of the student staff who leave shortly to commence university studies.

Hostesses Mrs. Naida Berry, Mrs. Brenda Decent, Mrs. Barbara Maundrell, Mrs. Josie Fleming, Mrs. Marjorie Weeks, Miss Patty Peters, Mrs. Frances Kucera and Mrs. Stephenson welcomed their guests. They included: Gillian Evans who will be entering St. Michael's College, University of Toronto; Janet French who will be studying at the Lakehead University in the library technology course; Lynda Hayes will enrol at Innis College, University of Toronto and Christopher Cornwell at Trinity College, also at University of Toronto.

David Phillips has been promoted to the position of clerical assistant and will continue to work at the library until his enrolment in university in the fall of 1969.

Joining with their friends in the fun and assisting in cutting the huge farewell cake were other members of the student staff including Theresa Wilson, Jane Doris and Jennifer Gosling.

These young people play a most important part in the successful operation of the public library, undertaking a very wide variety of duties, and the library board and staff join in wishing them a very happy and successful future.
