

MRS. S. GROUNDSELL

**Triple Winner**

Winner of the August "Triple Your Baby Bonus" draw at Richmond Heights Centre was Mrs. S. Groundsell, 5 Malaren Road, Maple. Mrs. Groundsell received a cheque from the merchants' association for \$36, when her name was drawn at the end of the month.

She has two children, eight-year-old Michael and seven-year-old Jacqueline, and her monthly government family allowance cheque is for \$12.

You may be the lucky mother this month. All you need to do is cash your cheque in a member store at the centre. It's that easy!

**Another Winner**

**Elmer Contest**

Another reader of "The Liberal" has been judged a winner in the Elmer's Summer Safety Contest.

Twelve-year-old Libby Hughes, daughter of Mr. and Mrs. J. C. Hughes, 388 Balkan Road, Richmond Hill won a Flyte accessory kit in the third contest, which appeared in the August 29 issue. Libby listed the seven errors in the picture correctly and did a fine job of coloring.

The kit contains a mirror, bell and streamers. Libby is a grade 7 pupil at Crosby Heights Senior Public School.

**Represent York EMO At Florida Conference**

Norm Foster, chief rescue officer for York County Emergency Measures Organization, and Ed Macdonald of Newmarket and their wives, attended the 21st annual International Rescue and First Aid Conference in Hollywood, Florida, during August.

Mr. Foster, who lives at Gormley, was a judge during the rescue competition between 20 teams from across North America. The winning team came from Canada — the Kitchener-Waterloo EMO Rescue Squad.

Among the new techniques demonstrated was removal of trapped persons from damaged automobiles. This was accomplished by removing the front window, bending back the steering wheel and getting the casualty to the hospital in the same position in which he was found in the wreck.

Last year Mr. Foster and the York rescue team demonstrated to policemen in the county the equipment available for removal of victims from damaged automobiles.

The fact that the four district people attended the conference at their own expense indicates their keen interest in this type of survival activity.
