They are travelling by automobile and hope to arrive about October 4.
The community extends its best wishes to them in this venture.
A warm welcome to Mr. and Mrs. Ben Barnes and their three children of Montreal, who have taken up residence at 23 Crestwood Road.
Hostesses Fran Geno, Betty Skeo and Marjorie Fitchett held a miscellaneous shower for bride-elect Jackie Mathews recently when she received many lovely gifts for her new home. Jackie will marry Brian Cummings, who is a former student of Powell Road School.
Happy birthday to Rosemary Canale who celebrated her 15th on September 29.
Home and School
Powell Road Home and School Association held its first meeting of the fall term September 24. President Olive St. John opened the meeting with prayer, then welcomed everyone.
Constable Jack Hamilton of Vaughan Township Police was the special speaker and gave a very interesting outline of his plans to make the students of Vaughan more safety conscious.
Constable Hamilton believes parents should concern themselves about their children's safety and should check their bicycles and teach them the rules of the road. He will eventually visit every township school and give safety talks to the students.
Miss A. Leary, principal of Powell Road introduced her staff this year — Miss C. Dyson, grades one and two, Mrs. Doris Tilt, grades three and four, Mrs. Carroll, special class. Miss Leary teaches grades five and six with supply teacher Mrs. Berard.
The parents were invited to visit their children's classrooms and speak with the teacher.
The grade prize this month for most parents attending went to Mrs. Tilt's grades three and four.
Everyone enjoyed refreshments following the meeting.

More Bus Shelters No More Bus Routes

Vaughan Township Council last week considered a request from a group of Markham Township residents in the North Thornhill area, requesting that the north Yonge bus route be varied to extend east to Bayview Avenue, serving their area.
Council noted that in Richmond Hill, with considerable development between Yonge and Bayview, the town subsidizes an independent bus operator to provide feeder routes from the Yonge Street line.
However, feeling that a precedent might be set and that a similar request would come eventually from residents of the proposed BAIF development between Yonge and Bathurst Street, council declined to approve the request from the Thornhill residents.
Council was more amenable to a request from Markham Township for three more bus shelters on Yonge Street.
Shelters have already been approved by both townships for Carrville Road, Garden Avenue, Thornhill Golf Club, Edgar Avenue, Uplands Avenue and Centre Street.
Three more shelters at Elgin Street, Woodward Avenue and Clarke Avenue as requested by Markham Township will also be constructed. Costs estimated at \$4,020 will be shared on a 50/50 basis between the two townships.
