Experience Wins School Bd. Seats

Markham voters left little doubt as to what they wanted their representative on the York County School Board to have—experience. The more experience the candidates had, the better they did at the polls.

JOHN MacKAY
Tops Public School Board

Topping the polls with 1,880 votes was John MacKay who has been a member of TSA 1 since its inception eight years ago and chairman of the county school organization committee. Mr. MacKay has also been a member of the York County Public School Committee for three years and is a director of the Ontario Public School Trustees Association.

Only 25 votes behind him was Mrs. Louise Aimone who had seven years experience on the board of Markham TSA 1, and represented the board for three years on the York South Regional Education Committee.

The third member elected was John Honsberger who picked up 1,691 votes. Mr. Honsberger was a member on the York Central District High School Board for 11 years and a member of TSA 1 for one year.

Giving Mr. Honsberger a close fight for Markham's third seat on the board was Mrs. Mildred Toogood. Mrs. Toogood, who had 12 years experience on the Unionville Public School Board and has been a member of TSA 2 for four years picked up 1,364 votes.

Trailing the polls were Elson Miles with 1,209 votes and Peter Rossi with 653. Mr. Miles is a former chairman of TSA 2 of which he was a member for two years and Mr. Rossi has two years experience on TSA 1.

Elected to the separate school board were Mrs. June Mallon, a former guidance counsellor, trustee and secretary on the Markham-Vaughan Board. Dr. William Lacroix, Steele Valley Road and Gordon McMahon, Thornhill, a member of Markham-Vaughan Separate School Board for two years.

They turned back bids by Paul Greenan, a 10-year veteran of the Markham Township and village board, Bernard Rainford, a former member of the Vaughan Separate School Board and Father Francis Robinson, parish priest of Our Lady, Queen of the World Church, Richmond Hill East.

Final results showed Mrs. Mallon, 294, Dr. Lacroix, 240, Gordon McMahon, 228, Father Robinson, 216, Mr. Greenan, 113, and Mr. Rainford, 53.

Announce Cable TV Coming To Richmond Hill By End Of February

Prospects are that installation of the new cable television system in Richmond Hill will be completed by February 28, 1969.

Making the announcement this week was Stewart Coxford, president of the newly formed Richmond Hill Cable TV Limited.

Mr. Coxford, who with partner John Graham is a principal in CFGM Radio Broadcasting Limited, stated that "already over 70 percent of the town is wired but only the first phase, the northwest section of the municipality, will be energized by December 15."

The company hopes to complete the installation in all sections of Richmond Hill by February 28.

Cable television has been available for years in Newmarket, Aurora and certain parts of Markham Village. The service is based on a sophisticated master receiving tower delivering by wire a clean, snow-free television picture to individual homes.

Mr. Coxford acknowledged that "generally speaking most residents of Richmond Hill feel there is already pretty fair reception here."

"However, our engineering studies or reception in the area only proved that it was no more than 'pretty fair'. Our engineers have discovered that on the whole most homes are receiving too much signal from the two Toronto channels and usually an inconsistent but less than excellent signal from Buffalo. With cable television these distortions and inadequacies should be eliminated."

The advantages of cable television will be even more pronounced with the soon to be available to all set owners of UHF signals, the Channel 17 Buffalo educational signal, and the awarding in 1969 of the new Toronto Channel 25 station to one of four applicants.

"It is expected that UHF Channel 19 will also be awarded to the Ontario Educational Television Authority. Both Channels 19 and 25 are expected on the air before the end of 1969 and both will be available to Richmond Hill Cable subscribers at no further charge."

Another bonus for cable users will be the availability of Channel 12, Peterboro, which carries Toronto Argo home games. These home games are presently blacked out for general area television set owners.

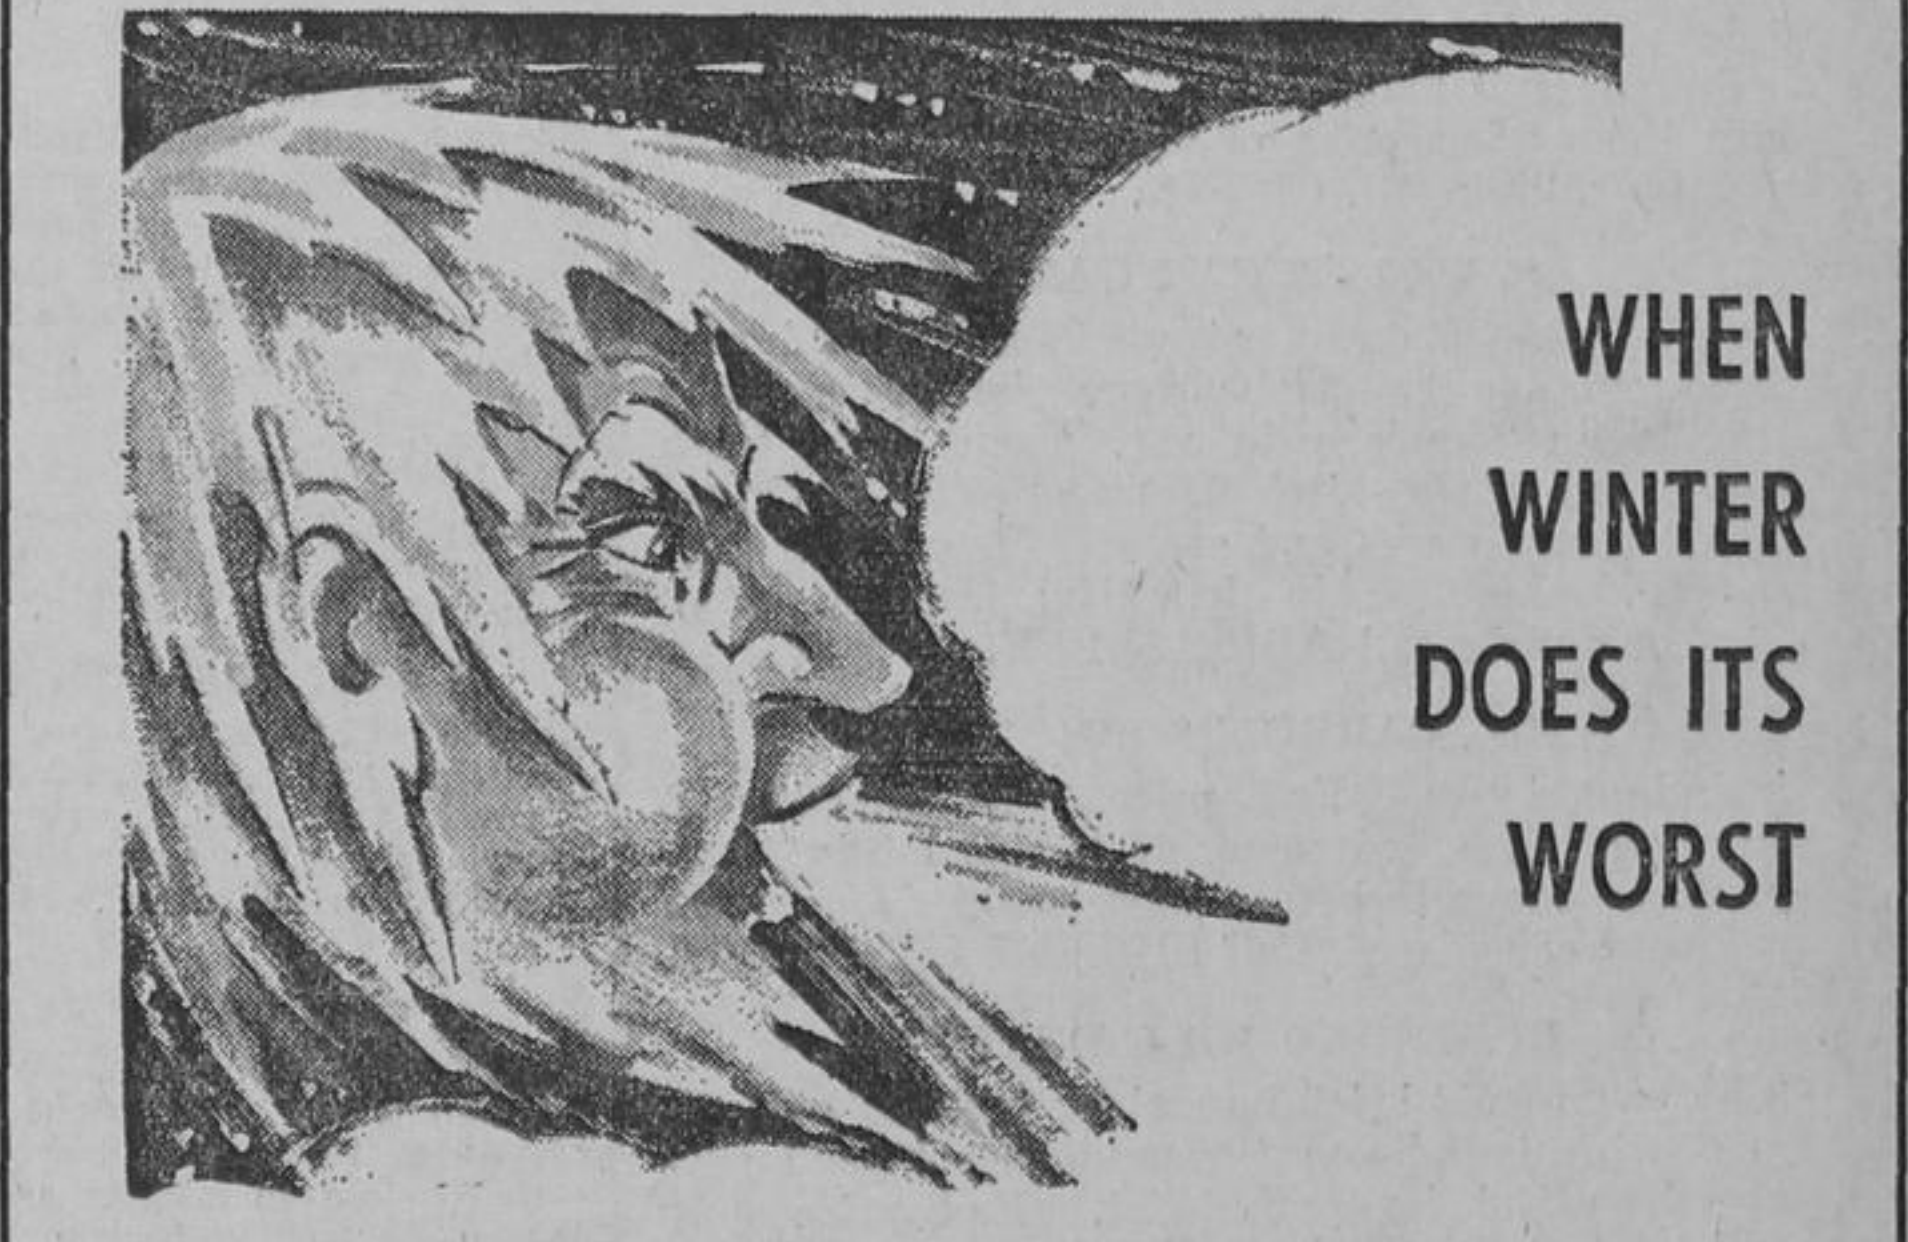

Mr. Coxford also said the presently unused Channel 5 would be used for local cable-casting.

"Most of the time the channel will be delivering information on local weather. It will also carry public service announcements for local non-profit organizations."

Offices of the new company are at 244 Newkirk Road, Phone 884-8111.

Rates for the cable service will be \$4.95 per month and \$17.50 for initial installation. For full details see advertisement on Page 10 this issue.

"However, while the company has the Bell Telephone construction crew in Richmond Hill free installations can be made when the crew is working a particular street."

In Memoriam

DEIGHTON, Walter J. Senior—In loving memory of a dear father, who passed away December 6, 1966.

The blow was great, the shock severe,
We little thought the end was near,
And only those who have lost can tell
The pain of parting without farewell.
More each day we miss you, father,
Friends may think the wound is healed,
But they little know the sorrow
That lies within our hearts concealed.

Sadly missed by son Walter Jr. and family. *1w23

McKEE, Martha — In loving memory of our dear mother, who passed away suddenly in Orillia on December 6, 1967. She left us very quietly with all her thoughts unknown. But left us with the memory that we are proud to own. So treasure her dear Lord in your garden of rest. For when she was on earth, she was one of the best. Sadly missed by her family, Gordon, Myrtle, Laura, Mary, Eva and Archie (Bud). * * * *

ORR—In loving memory of a dear husband and father, Elmer R. Orr, who passed away December 5, 1967. We who loved you, sadly miss you. As it dawns another year, In our lonely hours of thinking, Thoughts of you are ever near. Lovingly remembered by wife and family. * * * *

RAHAM—In loving memory of a dear wife Hazel Raham, who passed away December 8, 1967. She bade no one her last farewell. She said good-bye to none. The heavenly gates were opened. A loving voice said, Come. Sadly missed by husband, Lew. * * * *

Michael Roman & Dad Happy Pair

By **MICHAEL RAPSEY**

Several weeks ago young Michael Roman was the political hero of the Roman household. He had just been elected hobby-leader in his grade 4 class at St. Mary's Separate School in Richmond Hill.

On Monday night it was Dad's turn to be a hero as he swept to a runaway win to become Markham Township's deputy-reeve. Dad's overwhelming win didn't bother Michael a bit as he reflected that his win by four votes was equally impressive percentage-wise.

Michael had worked hard during his father's campaign and he was happy to enjoy the fruits of victory at a mammoth party in their Victoria Square home.

Reminders of the past campaign were still in evidence — Vote Roman signs at the driveway entrance, scraps of paper covered with election returns by the telephone.

For the 100 or more Roman well-wishers that flocked to the party there were reminders that the man of their choice was now deputy-reeve.

They had chosen him for different reasons — some because they had a personal grudge against the incumbent, some because they agreed with Roman's policies and others because they personally admired him.

"I don't agree with everything Tony says or does," commented one man, "but whatever he does he does from his conscience."

For Mrs. Roman the party was a time of quiet elation. "It's a very wonderful and rewarding experience particularly after you've worked so hard for it," she said. "You appreciate it more after you've worked for it."

And she remembered her husband's first political defeat when he lost a race for elective office by 14 votes.

"It's heartbreaking to know that one more hour of work could have made the difference," she reflected. "We were so naive then, I often wonder how we got so far knowing as little about campaigning as we did."
