R. Hill Santa Drops In At Winnipeg

Members of the community of Richmond Hill and district have made two people very happy during the Christmas season by their immediate response to an appeal published in the December 19 issue of "The Liberal".
 Mrs. Eric Zinck of Beaver-ton Road South sent a Letter To The Editor on behalf of 7 year old Janette Martin of 59 Disraeli Street, Winnipeg 4, Manitoba, whose father was killed when he accidentally touched a high tension hydro wire and her mother is in a mental hospital.
 Mrs. Zinck asked readers if they would send a remembrance of Christmas — even a card — to Janette, who is now living with her 59 year old widowed aunt, a marvellous guardian but on a limited income and unable to bring to reality the magic of Christmas and presents under the tree.
 This year Janette truly believes in Santa Claus and Mrs. Zinck in her fellow members of the community, who responded so generously to her letter.
 It takes just a few minutes to send a card or address a gift, and often one doesn't realize what a pleasure it evokes — but this Christmas will always be remembered by a little girl in Winnipeg.
 Santa Claus is now a reality!

Jaycee Pledge Of Allegiance

Donald Deacon MLA York Centre (left) gets the handshake along with the Junior Chamber of Commerce Pledge of Allegiance Scroll at a special ceremony held recently at Montgomery's Tavern in Richmond Hill. Supplying the handshake and the scroll is Richmond Hill Jaycee Public Relations Chairman Tom Cannon.
 The presentation to Mr. Deacon was made in conjunction with similar one across Ontario by other Jaycee organizations. Its purpose is to stimulate the provincial government to officially adopt the pledge. A follow-up program involves having the school boards include the pledge in their opening exercises.
 Words to the pledge were composed by Alexander Cyr, MP, Gaspé, Quebec in 1964. They read: "To my flag and to the country it represents, I pledge RESPECT and LOYALTY. Wave with PRIDE from sea to sea and within your folds, keep us ever UNITED. Be for all a symbol of LOVE, FREEDOM, and JUSTICE. GOD KEEP OUR FLAG, GOD PROTECT OUR CANADA."

Vaughan To Negotiate Exclusive Agreement R. Hill Cable TV Co.

Richmond Hill Cable TV Limited will get first crack at the lucrative Vaughan Township market.
 Council voted, Monday, to continue negotiations with the company with a view to drafting an agreement for consideration at a meeting later in January.
 Council's decision effectively bars Roger's Cable TV Ltd. from competing for a franchise in the near future and gives Richmond Hill Cable a monopoly in the township. Another company, York Cablevision Limited, dropped out of the competition last month.
 Councillor R. D. McArthur said the question would only be reopened if township officials failed to conclude an agreement with Richmond Hill Cable TV.
 John Graham of Richmond Hill Cable TV, while saying he was not seeking an exclusive franchise, warned council that the township could become "a postage stamp community for cable TV operators" unless it took steps to ensure a uniform service throughout the area.
 He said approximately 10 per cent of the channels would be used for local programming by Richmond Hill radio station CFGM's personnel. CFGM and Richmond Hill Cable are affiliated.
 John W. Graham, appearing for Rogers Cable TV said his company would allocate one channel for similar programming "when it is available and desirable."
 The major difference between the two proposals was in the use of township hydro poles to carry the cable. The township will receive a minimum annual rental of \$6,000. Officials expect some poles to be involved.
 Richmond Hill Cable agreed to use the township poles "supplemented by Bell owned poles where necessary."
 Rogers Cable would do the same except along the Yonge Street corridor where it would rely mainly on Bell poles. Township officials also reported that Rogers Cable would require additional facilities to service areas in the township beyond the Yonge Street corridor to Richmond Hill. "This might exclude the Elgin Mills area," they concluded.
 The other difference was in cost to the subscriber. Rogers Cable would charge \$4.50 a month. Richmond Hill would charge the \$4.95 rate it is using in Richmond Hill. Mr. Graham said, however, his company was flexible on this point.
 An investment in knowledge pays steady dividends. Get into the habit of reading "The Liberal" every Thursday for complete and accurate coverage of the news of Southern York County.
