Neighborhood Notes
Commencing February 1, the post office will close at 1 pm Saturdays. This is a new regulation that has been enacted by the post office department. Only first class mail and newspapers will be delivered by the rural couriers on Saturday and since they will make their rounds much earlier residents are asked to put their mail in the boxes early on Saturdays. Wicket service at the post office will be available from 9 am to 1 pm Saturdays. Remember February 1 is the starting date.

When Christmas is over and the outside lighting equipment is brought in, it is not unusual to find less equipment than was put out. We wonder why people have to stoop so low as to "lift" bulbs which are used to beautify homes over the holiday season. In our case a green spotlight was removed. Perhaps we should be thankful the thief needed only a green one, since two blue ones were also available!

Mr. and Mrs. Dean Harvey of Port Arthur spent the holiday season with his parents, Mr. and Mrs. Lloyd Harvey and other relatives.

Tobago, Trinidad was the locale chosen by J. Swindells for a three-week winter holiday.

Miss Beth Anne Wideman, daughter of Mr. and Mrs. Harold Wideman had her tonsils removed recently but is progressing well.

A number of residents attended the funeral of the late Mrs. Lucinda Stauffer Friday afternoon. Sympathy of the community is extended to the Boller family.

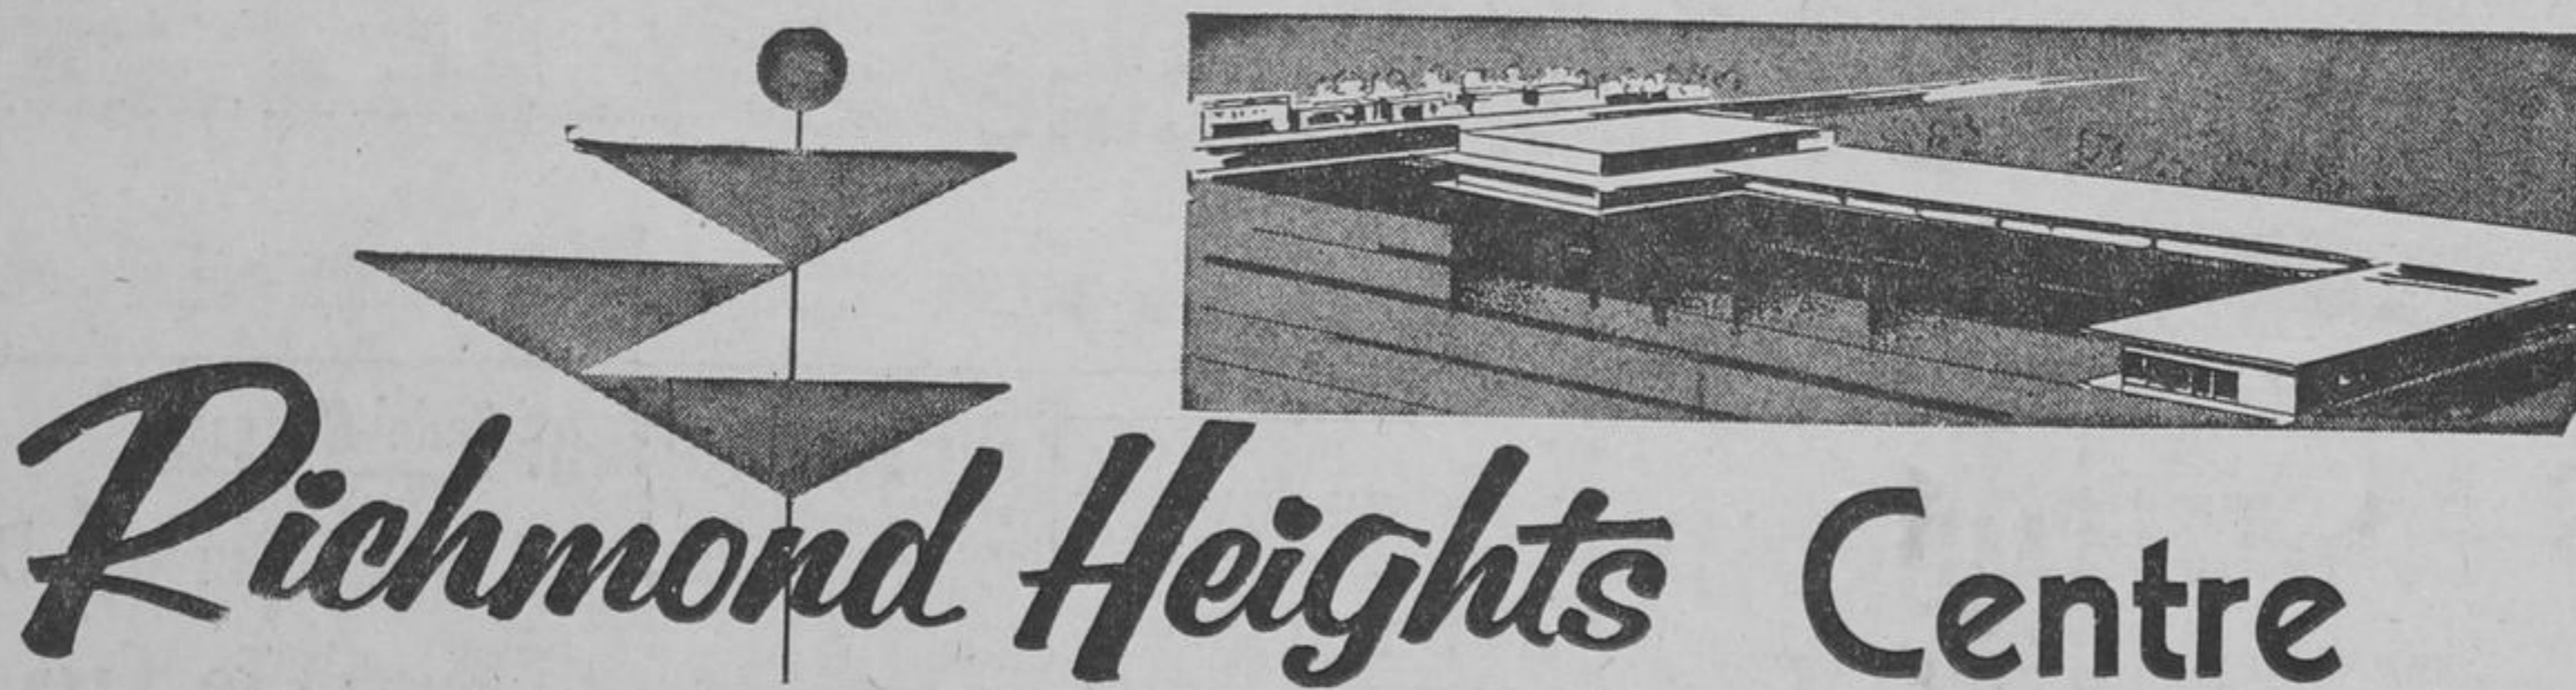

WI
Gormley WI will hold their January meeting on the 22nd at the home of Mrs. E. A. Smith. Roll call will be "The Most Historical Day I Can Remember". Mrs. F. Munroe will have the Gazette and Mrs. Deb Baker will review a Canadian author or artist. Mrs. George Boynton will convene the program of historical research and current events.

Church News
Emmanuel Bible College presented inspirational and challenging messages at the morning and evening services at the Missionary Church Sunday.

Rev. Ward Shantz, district superintendent will speak at the Missionary Church January 19 at 7:30 pm.

The senior women's sewing circle of Heise Hill Church met all day Tuesday at the home of Mrs. Joseph Wideman.

The intermediate sewing circle whose meeting was postponed because of road conditions last week met Tuesday evening at the home of Mrs. Russell Heise.
