

Town Council Declares Three Special Weeks

Three "weeks" were approved by Richmond Hill Town Council at its meeting last week. The week of April 20 to 26 was officially declared Children's Aid Week. During this week attention of the public will be focused on the need for foster homes, special service to disturbed children, preventive service to families and adoption programs.

The week of April 28 to May 4 was declared Navy League Week. The Navy League sponsors the "Patriot" Sea Cadet Corps located in Richmond Hill with the assistance of the Civilians and Legion.

Mayor Thomas Broadhurst reported there are now 60 boys in the corps with 80% from Richmond Hill, the remainder from Aurora and Thornhill. They range from 13 to 19 years of age.

He paid tribute to the excellent job these lads did of handling traffic at the arena during the midget hockey tournament this spring. The cadets will be tagging during their week with the objective of raising 50% of the funds necessary for the year.

The week of May 1 to May 7 was declared Mental Health Week, during which the York County Branch of the Canadian Mental Health Association will conduct its 10th annual fund-raising drive.

Men Of Music Win International Award

York North's Men of Music had cause to celebrate as they accepted an international award at the spring convention of the Ontario District Barber Shop singers at the Royal York Hotel April 12.

The North York Chapter of the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America came out on top in a 1962 competition based on activities and membership increase.

Dave McCaffrey of Newmarket, 1962 president, accepted the award from International Vice-President Hal Schultz.

The Men of Music also received a gift voucher for \$25 for music, an essential item for a singing group.

The music voucher is awarded to the top Chapter in the Ontario District.

Over 1,000 Barber Shoppers were on hand for the convention and competitions.

The North York Chapter has issued an invitation to the public to visit their booth at the Sportsman's Show May 8, 9, 10 Aurora Community Centre.

Thousands Of Salmon Planted In Area Rivers

It's been over a hundred years since the Atlantic Salmon thrived in Lake Ontario and the rivers near Toronto but it may happen again.

Department of Lands and Forest officials report that some 20,000 coho Salmon smolt, ranging in size from four to eight inches were planted at six sites last week in the upper reaches of the Humber River between Bolton and Palgrave.

During the same week another 20,000 were placed in Bronte Creek near Hamilton. Another 90,000 more are to be stocked in the Credit River.

These are the first coho salmon plantings undertaken by the Ontario Department of Lands and Forests on an experimental basis. The success of these plantings will determine greatly the extent of the future salmon program in Ontario.

With low temperatures prevailing during the past several weeks, and little snowfall, it's been decided by the department that the stocking of yearling brook trout in the Lake Simcoe District would be started earlier than usual.

About 8,000 have already been planted.

ROAD HAZARD INSURED

Meets or exceeds Canadian and American Safety Standards!

The new breed of cat: Omery, Husky, Agile, Swift, Silent, Turnpike Safety '4'. Road taming muscle to outperform even down! And it's no freak of nature. Safety '4's built that way with rugged DuPont 4-ply nylon cord. And a continental, grand-prix shoulder to pry on wilderness trails and concrete jungles.

*This Turnpike Safety '4' looks every inch a wildcat. No less than 20,000 clawing, peeling tread segments to make tracks on slippery highways and actually pave-the-way on routes too rugged to be called roads. Sure-footedness the tire kingdom has seldom known. Turnpike Safety '4' . . . this cat is wild!
