Frank Grabarchuk Twp. Demands Cleanup Weldrick Rd. Dumping

Frank Grabarchuk, owner of two lots at the corner of Weldrick Road and Yonge Street will be required to clean up the property as a result of a by-law passed May 20 by Vaughan Township Council. Mr. Grabarchuk is a resident of Richmond Hill.

It was reported that numerous complaints had been received by the building department during the last few months about conditions on the lots. They were described by Councillor Louis Wainwright, who lives in the area, "a disgrace to the township. It's another township dump in disguise with everything there from old bed springs to old toilets. The sooner we can get it cleaned up the better."

Reeve Garnet Williams agreed, commenting, "It's an eyesore. I don't know how he has got away with it as long as he has."

However, it was reported that efforts have been made to have Mr. Grabarchuk correct the conditions. On May 2 a letter was delivered to him by the township's bylaw enforcement officer, advising him that if the garbage was not cleaned up immediately, council would be asked to pass a bylaw on May 20, requiring the work to be done.

Council was told Mr. Grabarchuk had not made any move to rectify the situation and gave three readings to the by-law, which then became effective when signed by the reeve and clerk.
