

# Maple, Kleinburg, Concord & Edgeley News

"The Liberal" is always willing to publish items regarding people and events contributed by its readers in Maple, Concord, Edgeley and Kleinburg. Maple, please phone Mrs. Louise Cooper, 832-2408; in Edgeley and Concord, Malcolm Kilburn, 889-8393; in Kleinburg, Mrs. Lucille Shaw, 893-1432.

## Walkathon Raises Over \$3,300 For Tennis Courts

**By Louise Cooper**

A triple record was made in the walkathon, organized by the Maple Recreation Committee, under the special efforts of Jan Myers, to raise more than \$3,300 for the new tennis courts to be built on land set aside by the Maple Lions Club in the park behind the community centre.

Frank Robson, who is an idol of all the young people in the village, raised the most money, somewhere around \$200; he was the oldest of the 150 who strode out behind the bagpipes of Rev. E. F. Andrew at 9 am and finished the 20 mile walk; he was also the last to return, along with Liberal Correspondent Mrs. Lucille Shaw of Kleinburg, and her family of four little ones who all finished as well.

The first to cover the 20 mile route was Terry Watson of Lancer Drive in Maple, who is an excellent runner and belongs to the Bayview Secondary School Track Team, and is practising for the cross country run in September. Terry covered the 20 miles in three hours flat.

Second to arrive was Bill Lamont, aged 12, of Malaren Road, who covered the distance in four hours.

The Maple Lions generously donated \$5 to be added to

the total earned by each of the first 20 to complete the walk. As well as the first and second runners, the following qualified for the \$5. Garth Moore, third, in a time of four hours and 20 minutes, Peter Rayburn, Digby Bourke, Doug Hill, Bruce Palmer, Gord Morris, Bobby Mathewson, Ken Ferris, Ray James, Stephen Morris, Steve Allen and Libby Young, 9 years old, who was the first girl to finish, Gary Roberts, Ted Allen, Ricky Phillips, Kathy Carrick, Nancy Brown and Jackie Holmes.

This donation brought some of the earnings of the first 20 walkers into the \$60 bracket.

Wendy Gipps, young daughter of Mr. and Mrs. H. W. Gipps, Lancer Drive, participated in the walk, covering two miles. Wendy's achievement was a particularly noteworthy one, since she is blind.

The walkathon was an exercise in community spirit, since we are sure that 90% of the families in the area participated in one way or another, from pledging money, to driving the route and supplying soft drinks and food. Since the lunch truck which had been arranged for, did not make an appearance, it left quite a few of the children who had been de-

pending on this for their lunch, thirsty and hungry.

There were participants in this walkathon from as far away as Sutton, Kleinburg, Concord and Thornhill. Neil Ross of Sutton, Andrew Kizik of Thornhill, Mrs. Lucille Shaw and her family of Kleinburg, and several teens from Concord.

The number of young children who not only walked, but finished the complete 20 miles has amazed everyone. The youngest seems to be little Wendy Shaw of Kleinburg, who has just turned six, followed by at least four seven year olds, Jeffrey Shaw, Gordon Cooper, Bobby Amos and John Phillips.

The top earners after Frank Robson, who earned the most, were Jean Barndon with a total of \$102 and Deborah Key with \$73.80, these were followed with several who earned over \$60.

The money that was collected this week from those who pledged, and we are asking that anyone who has pledged, and is not approached please get in touch with any member of the recreation committee, or Jan Myers at 832-1423, as several children lost their pledge sheets, and since they tried so hard, they deserve to contribute every cent they earned.

The money will be turned in at the community hall June 2 from 7 pm till 9 pm and the last date, June 5 also from 7 pm to 9 pm.

Several walkers deserve special mention, for example Kathy Kennedy, who carried one little girl piggy back for long distances, and too many to list here who gave verbal encouragement to others who were tiring.

Special Thanks goes to a group from Brampton, the Brampton Radio Emergency Communications Club, without whose help, the walkathon would not have been nearly as successful.

These young men had radio equipped cars, with Don Quinton in the control car at the plaza, keeping in constant touch with the first walkers and those at the last, and keeping track of check points, which would have entailed a tremendous amount of running to cover the territory that these men did.

It is of interest that this group can be contacted in any emergency, and can have as many as 20 cars in operation on short notice, in case of lost children.

The St. John Ambulance men and ladies who were on the scene at all times receive a grateful thanks for their help, and encouragement. The casualties were fortun-

ately very minor, and here, again, since the route was along a high speed highway for a good part of the way, the drivers who passed these walkers should be mentioned for their care and courtesy.

Kirby Brock, who has his office in the Maple Plaza, also is due special thanks, for opening his office for the full day, to make available his telephone and washroom.

Jim Hodgson conscientiously manned the desk at the plaza from 8 am till after 6 pm, assisted by Fred Young and Don Jarvis. Special thanks to these men.

The recreation committee is to be highly commended for their organization of this event, and for their setting a reasonable goal of 20 miles so that 121 of the original 150 walkers were able to finish the course. The first drop-out was Nanna, Jan Atwell's little white goat, who made it to Highway 400 then had to turn back.

The committee hopes to be able to have a display of the pictures taken during the day, along with lists of those who walked, and those who finished. We are all very proud of our young people, and several parents have called to express their pride and amazement and to even apologize for underestimating their children.

## The Voice of Concord

**Neighborhood Notes**

A magnificent time was had by one and all in this area Victoria Day. At the home of Mr. and Mrs. Mal Millbrook, 94 Rockview Gardens, neighbors gathered to celebrate this day with a wonderful fireworks display. During the evening Mrs. Millbrook served chili con carne, rolls and coffee to the guests.

At 17 King High Drive, the home of Mr. and Mrs. John Cole another fireworks display was being enjoyed. Many children attended, including Janet Morrison, Alan Szabo, Nadia Costa, Patsy Beneridge and Barbara Ross.

Your correspondent was pleased to hear of all the various displays being held in the

community without any unhappy incidents, due to sensible supervision by parents.

Congratulations to Mr. and Mrs. Bryan Camp of 20 Lawrie Drive who celebrated their eighth wedding anniversary May 13.

Antje Kilburn, wife of your correspondent deserves special accolades since our seventh wedding anniversary took place May 26.

Fred and Pat Guthrie of Vaughan Boulevard are now the proud parents of a bonny, bouncing baby girl weighing nine pounds, two ounces.

Birthday greetings to John Cole, May 14, Bill Lacey, May 17, Patricia Wright also May 17 and Debbie Lacey, May 18.

## Vaughan Council Briefs

At its meeting May 20 Vaughan Township Council agreed to:

- Pay Donald Moffatt \$5,000 for land used in 1967 to widen Steeles Avenue from Bathurst to Dufferin Street. In April 1967 council authorized purchase of the necessary property. A settlement was not obtained due to price requested and difficulty in contacting the owner, so the property was expropriated. It was reported. The present settlement includes \$4,200 of 280 acres at \$15,000 per acre, interest of 5 percent for 2 1/2 years \$525, legal and appraisal costs \$275.
- Prepare an agreement with the CNR to accept storm drainage from the area south of Snidercroft Road. The CNR has agreed to do the necessary work from Jane Street easterly to Snidercroft Road and has requested the township to complete the work from Jane westerly to the Black Creek, near the conservation property. This work involves installation of four catch basins and approximately 800 feet of 42 inch concrete pipe.
- Recent purchasers of 25 acres on the south side of Snidercroft Road wish to begin building as soon as possible, but can't start until the drainage situation is cleared up, it was reported.
- Councillor Dalton McArthur reported the estimated cost was \$60,000 and that a special levy had been placed on the last 30 acres in the area to make up this amount.
- Decided to amend Bylaw 3680 which regulates construction of fences around privately owned outdoor swimming pools by clarifying the definition of pool. The description in the bylaw will now read "Privately owned outdoor swimming pools include any body of water or pool located outdoors on privately owned property contained in part or in whole by artificial

means and used or maintained for swimming, diving or bathing, but does not include a farm pond, provided that it shall not include a body of water or pool that is less than 30 inches in height or in depth, or a combination thereof."

"Height" shall be the portion of the pool structure above ground level, and "depth" shall be the portion of the pool structure below ground level.

**Shower**

A community shower was held for Linda LaRiviere who recently married Rick Nelson and is now living in Willowdale. Linda is the daughter of Jean and John LaRiviere of Ontario Street, and has lived in Maple all her life.

Over 50 attended the shower, held in the schoolroom of St. Andrew's Presbyterian Church May 20. Linda received many lovely gifts, including an electric rye, kettle, mixer, electric clock, electric can opener, bath set, Corning Ware set, toaster set, Teflon cookware, Bissell sweeper, linens and blankets.

Thanks go to all those who attended the shower and particularly Ada Garnier, Rose Saiton, Bertha Ingram, Doris Cooper, Dorothy Murchison, and Lois Line who organized it and Gordon Ingram, who arranged the use of the schoolroom. Linda also received a four-slice toaster from the staff at Beaver Lumber where she works in the purchasing department.

**Helen (Spencer) Buchanan** was recently the proud recipient of a 4H homemakers award at achievement day, May 10, at Victoria Square. This coveted award is presented after the completion of 18 various home-making projects including cooking, sewing, home beautification and first aid.

Adding to the honor of Helen's award is the fact that hers is the first to be awarded in York County.

The Ladies of the 'Snow White' Bowling Team took an evening off to go out and have a really good time recently. Pat Allen was missed, as she was ill, but Brigitta Weidenfelder, Audrey Foulds, Sharon Groundsell, Isa Thompson and Barbara Kidd started the evening with a lovely dinner at the Skyline Hotel in the cloud room.

Since their husbands had been left at home, they missed out on the dancing, however, went to a pub afterwards, and in a bobbing up and down contest, Brigitta won the bob-off easily. Sounds as if the girls had a lot of fun!

Your correspondent wishes to extend an apology to Mrs. Moss for referring to her little daughter Heather, as Heather Rose, Heather is just fine now, and evidently none the worse for her experience.

Friends and family of Gwen Beecham, 3 Goodman Crescent, will be proud to learn that she has graduated with honors from her three-year fashion and design course at Ryerson Technological Institute.

Gwen received her certificate at the convocation held May 16.

Anyone who is interested in good music would enjoy the final concert by Richmond Hill Symphony Orchestra, in which several Maple residents take part.

This concert will feature works by Pergolisi, Telemann, Samuel Barber, Mozart, Frescobaldi and Wagner, and will be held in Richmond Hill High School, June 2 at 8:15 pm.

Mrs. Jennie Cave of Oldfield Street, Maple has been pleasantly busy with relatives visit-

## IN THE VILLAGE OF MAPLE

ing from Nova Scotia, Halifax, Prince Edward Island, and Hamilton. Mrs. Sadie Gard, of O'Leary, PEI, who is 76 years old and Mrs. Irene Acorn from Halifax are making their first trip to this area, accompanied by Mrs. Hazel Boulter and Mrs. Jennie Ramsay both of O'Leary, and an uncle, John Horne of Trenton, Nova Scotia. Visiting also with Mrs. Cave and the folks from the Maritimes are Mrs. Beulah Mills and Mr. and Mrs. George Mills of Hamilton.

For those of you who have been as curious as I, your correspondent, the recent surveying that has been going on in the area has a very simple explanation. This has been a township survey crew taking road elevations for engineering records and plans for future use.

Many parents and residents have called in to ask that their personal congratulations be extended to those who walked Saturday in the walkathon, and also to those who worked so very hard in the organization.

**Swimming Lessons**

Advance notice has been received of the two periods when area children will be able to participate in the swimming lessons at Thornhill Pool. The first period will be from July 19 to August 6, the second from August 9 to August 27. Further information regarding fees and registration will be given as soon as available.

**Senior Citizens**

The senior citizens are carrying on in full swing, with a demonstration of Pakistani embroidery which quite impressed those present at the last meeting. Plans are underway for a bus trip to be taken this summer and details will follow next week.

Of special interest to the seniors are the results of the recent petition collected by radio station CFGM on the cancellation of the Don Messer show. It seems that the CBC remains firm on their refusal to run the program next fall, so the latest official news is that CHCH will produce the program next year. They intend to fly the Don Messer group in to Hamilton a couple of times per month, and then to make the program available across Canada to private stations.

A great deal of credit goes to CFGM for the results of their work. It seems that from their station alone, some 11,000 names were collected, the biggest response across Canada, the next being from Vancouver, which was the combined efforts of radio and TV.

The May WI meeting was held in the library hall. Roll call was responded to by the paying of fees.

Mrs. Milt Palmer gave a splendid report of the district annual held at Woodbridge. Elders Mills were the hosts and Mrs. Bernice Cook and Mrs. Robert Burton were in charge of the meeting. Mrs. J. Watson's talk was very interesting as she reported on WI projects. Also shown were displays of 4H clubs, paper flowers, baking with yeast and other projects. Mrs. Ella Harris and Mrs. John Hill were the hostesses and served a delicious lunch.

Mrs. Andrew Snider gave the courtesies and a game of euchre was enjoyed by the members. Mrs. Harry Stephenson being the high lady.

The standing committees met May 21, at the home of Mrs. Duke Jarrett, to arrange the

new programs for next year.

The next meeting will be held at the Maple United Church Hall, June 11, when Maple WI will cater to members of the Crown Hill WI.

The WI Rally at Sharon is planned for September 4.

**St. Andrew's Presbyterian**

On May 18, two cars took eight of the members of the junior and senior Bible classes and leaders to Alderwood Presbyterian Church for an evening of fellowship with the young people of that church who were presenting a preparatory program for the Crusade for Christ which begins in Toronto, June 6.

A film, "Crisis in Conversion" was seen by David Langman, David Wright, Gary Forrest, Donald Sinclair, Duane Forest, Lorraine White, Gail Cooper and Louise Cooper who also participated in the evening program of song and prayer.

The program was enjoyed by our young people, and the evening was made complete with a snack on the way home.

The May meeting of St. Andrew's Presbyterian Church W-A-WMS was held at the home of President Mrs. Sandy Sinclair, May 21.

Mrs. Sinclair opened the meeting with a quotation, Mrs. Jean Miller accompanied the singing of hymn 723 "Birds are Singing" on the organ and Mrs. Margaret Andrew and Mrs. Miller presented a most interesting study on the "Birds of the Bible" topic.

It was most amazing to find references to so many birds in the Bible and the ladies had prepared the program well, giving lists of birds which were not to be eaten, pictures of birds with Bible verses associated, as well as an explanation on the use of certain birds such as the eagle and the dove as symbols.

Mrs. Sinclair thanked the study and refreshment committees and the business session followed. At this time it was planned to hold the rummage sale September 27 and to begin promotion for the "Festival of Fashion" show which is planned for October 9. This will be presented by Walker Stores, and promises to be even better than the first one with prizes galore and refreshments.

Following the singing of hymn 721, the meeting was closed by Mrs. Dorothy Snider with a prayer.

**St. Stephen's Anglican**

The ladies of St. Stephen's held a dinner in honor of the Sunday school teacher, May 15, with guest speaker, Rev. Ralph McKimm, who presented an illustrated talk on the Polynesian Islands, where he was on the staff of a theological college. The evening was thoroughly enjoyed by everyone present.

**MARC Fireworks**

The recreation committee was well pleased with the turnout for the fireworks display at the community centre. Credit must go to any who helped Eleanor Kennedy organize and carry out this evening of entertainment, including Venturers, Guides and their leaders.

These two groups will receive a donation for their assistance, and special thanks goes to Superior Propane for the use of the stove, to the Lions for the use of pots and pans, to Bill Watson for the PA system and the music, to Charlie Wilmott who helped Eleanor choose the fireworks and then organized the men to set them off.

Frank Robson, as usual gave unlimited assistance wherever help was needed. Thanks to all

these people as well as the recreation committee.

**Boys' Baseball**

Registration for the boys' baseball this summer will be taken May 31 from 9 am till 12:00 noon. This includes boys who will be 12 years of age, as of July 1, this year.

There will also be a meeting for parents who are willing to give assistance to the baseball club this year, on June 9 in the Lions' den at the community hall. Coaches, umpires, manager and assistant manager will be needed. The regular schedule will get underway Thursday evening, June 26.

If any further information is required, Ken Kennedy, 832-1408 is the man to call.

**Scouts and Cubs**

A most enjoyable weekend was had by 15 Cubs of B-Pack along with five leaders and three cooks who took a camping trip to Camp Samac, north of Oshawa. Leaders John and Judy Agar of Nashville, Bruce Gale,

Muriel Van Vught, and Peter Beecham as well as the three men who cooked, Ross Garratt, Jack Matthews and Mickey Lippay came home about 3:30 pm Sunday, tired, but pleased with the weekend which had been carried out on a western theme. Parents have been calling to express their thanks and appreciation for the efforts of these leaders and everyone who participated.

The youth groups, Venturers, Scouts, Cubs, Rangers, Guides and Brownies participated in the annual church parade Sunday, to the United Church. The group under Parade Marshall Duane Forrest, marched behind two pipers and a drummer from the Bolton area were most impressive in their participation.

The Brownies particularly made an excellent showing, indicating the future of our Guide group. A special thank you goes Oshawa. Leaders John and Judy Agar of Nashville, Bruce Gale,

matching shoes, bag and head-piece.

Following the wedding dinner and an evening of dancing Mr. and Mrs. Russel Jandciu left on a honeymoon to Fort Lauderdale, Florida. On their return they took up residence in Downsview.

The bride is the daughter of Mr. and Mrs. Gordon McBrien of 11 Weller Crescent, Maple, and the groom is the son of Mr. and Mrs. Walter Jandciu, 8 Shamrock Avenue, New Toronto.

Given in marriage by her father, the bride entered the church to the strains of traditional wedding music played by Dr. Charles Birkett. She wore a floor-length gown of white organza over taffeta, trimmed with Chantilly lace and embroidered flowers on lace. Fashioned on Empire lines it had a cathedral train scattered with embroidered flowers and appliqued lace motifs. A shoulder length veil fell from a crown of white artificial flowers. She carried a bouquet of pink and white sweetheart roses.

Bridesmaids were Diane and Jane Irvine and the flower girl was the bride's sister, Wendy McBrien. The senior attendants were gowned alike in floor-length, Empire design mauve chiffon over taffeta with flowing trains and matching open crowned picture hats. They carried nosegays of pink and mauve spring flowers. The young flower girl's gown was similar to the bridesmaids but in yellow with a matching bonnet. She carried a basket of yellow, mauve, pink and white spring flowers.

Male attendants were William Jandciu as best man for his brother and Tom Perry (the bride's cousin) and Stephen Sachtunyk (the groom's cousin) as ushers.

During the signing of the register, Vocalist Judy Dodson sang "Such Lovely Things".

Miss Dodson also sang during the reception held at the Four Winds Country Club. The bride's mother received the 130 guests in a dress of ice blue with matching cape of silk brocade, matching shoes and bag and white hat. The groom's mother wore a dress and coat of apple green silk brocade with

these people as well as the recreation committee.
