## Socially Speaking In Thornhill

### Thornhill Country Club

One hundred and thirty members and guests enjoyed a gala evening at the Thornhill Country Club on New Year's Eve. Trump Davidson and his orchestra played for dancing and hats, flared and balloons were in abundant supply. As soon as the New Year had been suitably ushered in at midnight, a deluxe buffet supper was served.

An interesting centerpiece on the buffet table was an Alaska king crab specially flown in from Vancouver and measuring close to 40 inches across. The party continued until 2:30 a.m.

For the fifth year, Thornhill Country Club was again the scene of the CFRB Bonspiel on December 26, 27 and 28. With an age limit of 20 years, the bonspiel is Ontario's biggest teenage event of its kind and its popularity is indicated by the fact that 64 applications were received for the 36 rinks available.

Participants came from as far away as St. Mary's University, Halifax, Nova Scotia, and Buffalo, New York as well as many distant points in Ontario. The out of town players were billeted with club members for the three years and meals were eaten at the club. This year's winners of the CFB Trophy were from Unionville, Ontario and players in the winning rink were: Dave Roberts (Skip), Capri Ryall, Mark Giles and Eloise Craig. The trophy was presented by Earl Warren, popular CFB commentator.

A dinner dance featuring "The Sound Generation" was enjoyed at the club on Saturday night by the 144 curlers.

### Winter Sport Activities

Thornhill residents have access to many fine winter sports facilities right on their own doorstep. Due to unusually early cold weather and snow conditions all slopes, ponds and runs are in excellent shape. Thornhill Pond, which is flooded at night, has been providing good skating for several weeks now and Thornhill Country Club golf course is being put to good use by children in the area with their toboggans.

For the skiing enthusiasts, Uplands Ski Hole, which is actually on the Uplands golf course, provides four good hills with a T bar and two rope tows plus a ski shop for the rental of equipment. Fifteen instructors are on hand to provide free lessons and skiers can take full advantage of the club coffee and snack bar, which incidentally, houses a

cosy fireplace. All this for a maximum of \$4 a day (price varies according to age and day of the week) make this good family skiing value. The slopes are flooded until 10 pm Monday to Friday.

A little further afield winter enthusiasts can enjoy skating and tobogganing amid the beautiful surrounding of Pioneer Village at Jane and Steeles Avenue and the Boyd Conservation Area at Woodbridge provides fine tobogganing and skiing.

**Carol Singing**  
Almost \$50 was collected by the 2nd Thornhill Guides in response to their carol singing on December 22 and they would like to thank all those in the district who were kind enough to donate. The money will be sent to OXFAM.

**Christmas Mail**  
Postmaster W. B. Pettit reports that the volume of Christmas Mail this year was only slightly above that of last year. However, he feels that due to the good public relations and advertising by the Post Office Department advising people to mail early, they did so, and therefore the flow of mail was steady and did not reach the usual tremendous climax a few days before Christmas.

An additional staff of 55 temporary employees was hired to cope with the seasonal rush and Mr. Pettit said that all mail was cleared in good time Christmas Eve. Mr. Pettit also indicated that general mail outgoing from the Thornhill Post Office has increased in the last year by about 25%. This is due to the influx of new business to the area.

### Christ The King Lutheran

This Sunday, the youth group of Christ the King Lutheran Church is sponsoring a family tobogganing party. All are invited and those interested in joining in the fun are asked to meet at 1:30 pm in the parking lot of Thornhill Park. Admission to the party will be 25 cents per person and this will include hot chocolate and doughnuts to be served back at the church at 3 pm. The church is situated at Royal Orchard Boulevard and Baythorn Avenue.

On January 25 the annual congregational meeting of the church will be held immediately following the 11 am service.

**Thornhill Baptist**  
The 18th anniversary of the Thornhill Baptist Church will

be celebrated this Sunday. In order to bring everyone who has been associated with the church during that time together, personal invitations are being sent to all ex-members of the congregation to the special anniversary service. The deacons of the church have requested that Dr. Minton Johnston preach at this commemorative service since on January 31 he and Mrs. Johnston will be leaving the area after ten years' service to Thornhill Baptist Church. Dr. and Mrs. Johnston have purchased a home in Willowdale and Dr. Johnston will be doing freelance work in the immediate future.

### Thornhill Presbyterian

The December meeting of the Presbyterian WMS was held at the home of Mrs. J. H. Gibson. A most delightful buffet luncheon was enjoyed by the members after which a short meeting was held. A highlight of the meeting was the presentation by Dr. Dilwyn Evans to Mrs. R. Cammell of a life membership in the WMS, in recognition of her devoted service to the society. Roll call was answered by members re-

joicing in a verse with the word "rejoice". The offertory prayer was given by Mrs. M. Jackson and the meeting closed with carol singing which began with "Oh Come All Ye Faithful", and a benediction.

### Sixth Thornhill Venturers

The first official field trip of the newly formed 6th Thornhill Venturers Group took place recently. Made up of boys 14 to 18 years old from the Bayview-Glencrest area, the group included: Mike Hall, Jerry Whealan, Ian McCutcheon, Pat Esaw, Paul Neddick, Jeff Davis, Dave Lapp, James Hamm and Chris Mallon and they were led by Ed Davis and Ron Rose, Venturer advisors. The boys spent two nights and three days under canvas at the Orpen Estate, near Alton in the Orangeville district. Evergreen brush served as beds and calyxic heaters and sleeping bags provided sleeping comfort, but the boys did experience some problems cooking their meals on outdoor fires in near zero weather. Basically a fun trip, the boys spent the days snowshoeing, tobogganing, skating and playing hockey.

## Land Cost Can Mean Difference Of Up To \$5,000 In House Price

Would-be purchasers of homes in the Thornhill area find a curious state of affairs—two new houses, similar in size, shape, finish and amenities with a \$4,000 to \$5,000 difference in price.

Homes on Pheasant Valley Court are selling for \$35,900 for an area of 1,400 square feet and three bedrooms, to \$46,900 for 2,300 square feet and five bedrooms. Pheasant Valley Court is located north of Clarke Avenue in South Thornhill in the area formerly known as Doncaster. It is reached by way of Maria Road or Lillian Street.

A mile or so to the north, in the prestigious Thornhill Green, similar homes are on the market at \$3,000 to \$5,000 more.

What's the difference? The price of land! Lots in Pheasant Valley cost around \$13,000 serviced, while in other areas the cost ranges from \$17,000 to \$24,000.

The 39 house development backs onto open ravine land belonging to four schools — Thornhill Secondary School, Woodland Public and Senior Public Schools and St. Luke's Separate School. Helping to reduce the cost of

building is an area firm, Cadillac Lumber of Maple. It is pioneering in pre-fabricating and pre-finishing building components to reduce the on-site labor content of house building. Under ordinary circumstances it takes a skilled carpenter several hours to trim out a door-opening and hang the door. With Cadillac's pre-cut package and pre-hung door, it takes only a fraction of that time. Yet the cost of the package is only a little more than the cost of the same materials un-pre-fabricated.

Cadillac Lumber also has a similar package for clothes closets and provides pre-primed trim.

The firm is building a new plant at Maple to pre-cut and integrate material for rough carpentry in a house. Rough carpentry in an average three bedroom house is about \$1,000. Cadillac hopes to reduce this to \$200.

"We have no control over land prices, but by ingenuity we can save money on building materials by prefabrication, integration and pre-finishing," a company spokesman has stated. "Besides, it's good business."

### Neighborhood Notes

Congratulations to Mr. and Mrs. Jeremy Hamilton Wright, 127 Morgan Avenue, who received final adoption papers on son Andrew on December 24, the nicest Christmas present ever!

Congratulations also to Margaret Blaikley, daughter of Mr. and Mrs. John Blaikley, Glen Cameron Road on her forthcoming marriage to John Steiger, Richmond Hill.

Congratulations are also extended to Bruce Whyard, son of Mr. and Mrs. A. T. Whyard, Elgin Avenue and Diane Causley, Willowdale, who announced their engagement while he was home for the Christmas holidays. Bruce now lives in Winnipeg.

The wedding date is set for April 18 in Lansing United Church.

The home of Heather and Dan Morrison, Sprucewood Drive, was the centre of a New Year's Day family reunion. Ten relatives from Owen Sound joined the family members in this area to enjoy dinner and supper. Approximately 35 people attended.

**A Merry Christmas**  
Christmas '69 will never be forgotten by the youngsters on the Indian reserve at Poplar River, Manitoba.

Carol Fox, one of the teachers, spent Christmas at her home on Glen Cameron Road and has asked me to extend thanks to all who were involved in helping send the dozens of parcels which made this the first real Christmas these children have ever known.

Besides good used warm sweaters and jackets, enough new articles were included so that every child received a pair of new mitts and a new hat, and there were enough new toys and games to go the rounds.

Bags of soup numbered 830. There were 52 pair of new socks, 10 new sweaters, 1 pair of knit slippers (with many more now ready to be mailed), 151 lbs. of hot chocolate which is made up and served at the school twice a week, 75 bars of face soap, four 64 oz. jugs shampoo (used at school), many combs and 50 spools of thread.

For weeks the children waited patiently for Santa to arrive as parcel after parcel came from the Thornhill area. Due to bad weather the final plane shipment was delayed but arrived in time for Christmas.

Friday, December 19, the teachers held class parties and the children enjoyed a cartoon film which had been flown in (the reserve is 200 miles north of Winnipeg) and all mail comes in by irregular plane service. The grand finale of the concert was a visit from Santa.

This is a community project and money is still being raised for wool, hot chocolate and soup and any good, clean used clothing and socks and slippers which are being knitted will continue to be sent.

As a result of a recent vote at Holy Trinity Anglican Church, beginning February 1 it has been decided to have services at 8 am and 10:30 a.m. This is part of a plan to move the church into the '70's.

The ultimate objective, when more clergy assistance is available and when the size of the congregation warrants it, is to have three services at 8 am, 9:30 am and 11 am.

The February change to 10:30 a.m. is an interim step towards this objective.

Unit 3 of the UCW will hold its January meeting at 8 pm January 8 at the home of Mrs. Gordon Brain, 85 John Street.

Mrs. Robert Tamblin, public health nurse, will be guest speaker in the first phase of a study on "Family Life".

The UCW executive meeting will be held January 15 at 1:30 pm in the church parlor. All present and former members of the executive are invited to attend.
