## Exams Curtail Athletics

Hi everybody. Here's that small known, and sometimes unknown voice, informing you of the local high school athletics. Due to the Beep Beep Beep exams next week, most of the boys' league games are over until after the unmentionables. The girls however, did carry on to a certain extent.

It's really neat to have exams in a way. You don't have to go to school except for the times you write. All the rest of the time you can goof off in the snow with your friends. In a way it's like a second Christmas vacation. My poor mother is killing herself trying to tell me that "for my own good" I should study. Have you ever noticed though how pieces fit together after you have left them for a while?

I find it the same with academics. Cool it for a while and then when you finally write, the facts just seem to flow out. Besides I've got too much other stuff to do than worry about studying. I like ski-doing better than biology. Anyhow, I think I'd better shut up now and report the good stuff.

### WRESTLING

On January 16, Bayview's Wrestling Raiders lost a close three-school meet to Markham. The final score was Markham 75, Bayview 70, and Orillia Park 52. Each wrestler had two matches. Winners for Bayview were: Dave Gardner, John Cook, Brian Palmer, Dave Tomlinson, John Minchella and Rob Nicholson.

Winning both matches were: Ted Cooper, Bob Bradley, Brian Gilpin and Bob Campbell.

On January 19, the Bayview Wrestlers defeated a team from Brebeuf High School 53 to 8. Winners for Bayview in this meet were: Steve Berezowski, Dave Gardner, Ted Cooper, John Cook, Gord Woolnough, Dan Dengate, Bob Bradley, Brian Gilpin, Bob Campbell, Nick Millicic and John Minchella.

### GIRLS' BASKETBALL

**Bayview vs. Richmond Hill**

Richmond Hill won both the junior and senior games. The final junior score was 24-19. The game was quite close, but Richmond Hill finally pulled away in the last quarter. So far Bayview's juniors have lost four in four games which puts them out of the semi-finals.

The senior game was also very close, with the two teams alternating the lead. Bayview played only about half of the team in this particular game, with the rest sitting on the bench as spectators and cheerleaders instead of players. The final score of this great game was 28 to 26.

**Thornlea vs. Thornhill**

Thornlea won both of these games. The junior score was 34-18 with Bonnie Harley leading Thornlea.

The final senior score was 37 to 23. Muriel Morton scored a hot 31 points for Thornlea. Next week the team may have a match against York University, but this is not definite yet.

### BOYS' BASKETBALL

**Thornlea vs. Langstaff**

Thornlea won all three games in this meet. The junior score 38 to 18 was led by Gino Fugliato with 21 points and Paul Layefsky with 10 points.

The intermediate score was 42 to 20. Ron Nash led the Langstaff team with 7 points. Leading for Thornlea were Heikki Kuld 14, Dan Cowan 11, Steve Fox 8, and Jack Yard 6.

Phil Mathewson led Langstaff in the senior game with 21 points. High scorers for Thornlea were Cal Harley 17 and Greg Benoit 16. Final score was 52 to 42.

**Tigers vs. Diplomats**

On February 3, Thornhill will be host to what could be York County's most fantastic basketball game. This once in a lifetime game will start at 8:00 pm in the Thornhill Gym.

The Thornhill Tigers are competing against the world famous Harlem Diplomats. The Diplomats will consist of students and teachers. The Diplomats are the Canadian Globetrotters. These players were former college basketball players in the U.S. and needless to say, they are excellent ball handlers. They travel approximately 100,000 miles per year to present their talents. One of the team members used to play for the Harlem Globetrotters.

The Diplomats live around Toronto but not too many York County schools have seen them in action. This is your chance to see the funniest, most talented game of the year. Tickets to the game will be sold at the door at Thornhill Secondary on Dudley Avenue. Go out and support their Tigers — they'll need your support especially once the Diplomats start. See you there!!

## ... Sport Spots ...

(Continued from Page 11)

"Goaling's like anything else," he said. "If all the guys are going good upfront it lifts you too. When they make mistakes I do too and it really hurts when I make them."

Winning the Aurora Tournament was a thrill but then Bobby (who resides, incidentally at 246 Harrygan Crescent in Richmond Hill and is the son of Mr. and Mrs. Stuart Clement) is a veteran of big-game wins.

Bobby was the goalie with the 1967-68 Richmond Hill Peewee Lions team that stunned the minor hockey world by winning the Quebec International Peewee Tournament.

### BIG THRILL YEAR

"That was a great year, we had a great team. That had to be my biggest thrill. We've got about seven of the guys from that team on our present one. That's another reason why we go good together. We know each other. We even play on the same ball team. Two years ago we won the Peewee championship."

"The game I'll remember in Quebec was the second to last one when we beat Shopsy's 3-2. They outshot us 27-12. That had to be my best game. They were throwing shots at me from every angle."

Bob has been playing minor hockey for about nine years and he loves it.

So I said:

"Some people say a youngster gets tired of it as he gets older. Discovers girls."

"I don't know about other kids. But I won't get tired of it. I like it too much. The more I play the better I like it. I'd like to play professional some day if I'm good enough."

Dedication.

But in the meantime the going will be very simple. They shoot, Bobby stops. It's the only way to fly.

### FINALLY

And don't forget this Friday night which is Minor Hockey Week roundup night at the Richmond Hill Arena.

Headlined from 6:30 to 7 pm will be none other than Maple Leaf goalie-great Johnny Bower who will be on hand to sign autographs.

Also slated will be OMHA Playoff games between Richmond Hill Bantams, Novices, and Peewees teams which should see action plus. Teams involved and times of the games are detailed elsewhere in the sports section.

A reminder that Elmvale will be in town Saturday night to do battle with The Richmond Hill Inn-Crowd which is currently in a gripping battle with Willowdale Rangers for that last playoff spot now held tenuously by Richmond Hill—like by one point.

And the Richmond Hill Rams, also battling for a playoff spot, close out the season's schedule here this Tuesday night. Opposition will be Markham.

### In Death Struggle

## Inn - Crowd Slips Toward Cellar Rangers, Midland Win 6-2 3-1

The Richmond Hill Inn-Crowd when Richmond Hill finally rolled another couple of snake-eyes over the weekend losing 6-2 to Willowdale Rangers Saturday night at The Hill and 3-1 to Midland Sunday.

Losing to Willowdale Saturday was a key loss for The Inn-Crowd as both teams are in a death struggle for the eighth and last playoff spot in the OHA Senior "B" Hockey League.

Willowdale is currently in last place just one point behind eighth place Richmond Hill with five games left to play.

Elmvale will be in Richmond Hill this Saturday night at the arena.

Sunday's game in Midland saw The Inn-Crowd come up with a valiant effort against the league leaders before succumbing to the inevitable.

Midland did all its scoring in the first period and it was enough as Bill Burtch, Gord Kennedy and Art Micks put the puck behind the Richmond Hill goalie.

The score remained that way until early in the third period

## High'd Wedding Retires To King

Highland Wedding, a sort of waif-horse from nowhere-ville at one time, has come back home to glory and a well-earned retirement at the home of the Charles Burns farm near Temperanceville, King Township.

The horse, who was the son of a nobody horse by the name of Carrick Princess, won the English Grand National Steeple Chase last year at the age of 12.

Mr. Burns and Tom McKay, a friend from Haverford, Pa., purchased Highland Wedding for what amounted to a song (estimated at \$12,000) in 1966.

He had two tries at the Grand National but was hampered by injuries.

Then came 1969 which saw him 100-9, third choice in the field of 30 in The Grand National.

Highland Wedding ran a flawless race. He won by a dozen lengths, one of the most popular victories in the history of the National — the poor boy who made good after two failures.

But now the glory days are over. Highland Wedding is through as a steeplechaser at the race courses. He's coming to Canada in style, aboard a Boeing jet. Posh quarters at the Burns' farm.

Burns is a director of the

#### Township Bomb Charge

Allan David Gault, 21, formerly of 255 Zaida Crescent, and now serving a two year sentence in a St. Catharines Jail, was charged in Richmond Hill Court last week on two counts.

The first involves dynamite and blasting caps and the second involves an explosive weapon — a bomb.

The offence is alleged to have taken place in Vaughan Township during the latter part of 1969.

On November 24 on the farm of Frank King, Concession 6, Vaughan Township, the Ontario Provincial Police are known to have neutralized some explosives.
