Newmarket Limits Ski-Doo Speed, Hours

Newmarket Town Council recently placed a curfew on snowmobiles on town streets and in parks, banned them from sidewalks and put on a 10 mph speed limit.

The two new bylaws prohibit snowmobiles on town streets between 11 pm and 7 a.m., except on Friday, Saturday and the days before holidays when they can travel until 1 a.m.

The same hours pertain to town parks on weekdays but the parks are open to motorized snow vehicles until midnight Fridays, Saturday and the days preceding holidays (Christmas, Boxing and New Year's Days).

Such vehicles must not exceed 10 mph on streets, must be driven in single file and as close to the right hand curb or shoulder as is possible.

All vehicles other than snowmobiles are banned from parks, with the exception of the parking lots. The recreation and parks committee have been given authority to prohibit these vehicles from all or part of any town park.

Fines for contravening either bylaw range from \$20 to \$300, plus costs.

The bylaw governing snowmobiles on town streets will not be effective until it receives approval of the Ontario Department of Transport.

York County School Board Education Briefs

One of York County's best known teachers, Illyd Harris of Aurora, has retired and was honored by trustees at a recent meeting of York County Board of Education.

A teacher of music in elementary schools in Aurora and in King Township since 1934, Mr. Harris was appointed Associate Master Teacher of Music when the county board came into being in 1969. He retired at the end of the year.

Mr. Harris is a member of Aurora Town Council, and presentation of his retirement gratuity cheque, 50 per cent of his yearly salary at retirement, was made by Aurora Trustee and former Mayor Keith Nisbet.

A new public school to be built in Newmarket will be named Rogers School to commemorate the name of one of the founders of the town. Timothy Rogers, who built and operated a mill in the town more than a century ago.

The school, of open concept design, is to be on Rogers Road, and the name is in keeping with board policy that, where possible, school names should indicate the location of the school, and if named after a person, should honor someone prominent in the area's early history.

Sketch plans for the school have been approved by the board as well as plans for an addition to Morning Glory School in Georgina Township.

York County Board of Education last week agreed to sell the Old Bogart town Public School to the Township of Whitchurch of \$1 on condition that it be used and maintained as a local museum.

The township council has maintained that an agreement was reached with the former Whitchurch Public School Board to sell the historic building to the municipality for \$1 when it was no longer needed
