Unfortunately Carol Connor, Highland Park Boulevard, suffered a broken bone in her leg just above the ankle during the first period. However, she insisted on remaining on the bench for the entire game to cheer her team mates on to victory, before going to the hospital to have the broken bone set and a cast applied.

The girls played 18 games this year, winning 15, tying one and losing two.

They are entered in three tournaments—at Preston March 22, at Beeton March 29, and in the Canadettes Tournament in April.

Coach Ed Windsor pays high tribute to his girls and to Sid Woulough, Bob Sherman and Jack MacKay for their help during the season. He also commends the loyal parents and fans who have supported the team.
