same school, because of conflicting dates with other activities involving our teens and parents. A complete article on this film will appear in next week's issue.

Marion and Ross Bryson and family Betty and Brian spent a nine-day holiday in Florida during the mid-winter break, although flight schedules and exams made it necessary for Marion and Betty to fly down first and for Ross and Brian to follow later. They made the Holiday Inn in Tampa their home while there, and visited Busch Gardens, Cypress Gardens, Sarasota and as many other attractions as they could manage. They enjoyed some shopping and Betty was able to do quite a bit of swimming while she and her mother were waiting for Dad and Brian. This seemed to be a most relaxing holiday, which the whole family enjoyed.

Since the principals of our schools have urged parents to take their children to tour the new Ontario Science Centre in Don Mills, as our schools have been able to send only two classes to date, we decided to take advantage of a free Friday evening to take our family. We found the centre everything it is said to be, with many things to interest everyone in the family. In fact, after five tiring hours, the children were still determined to miss nothing. We would highly recommend this as a family outing which is fascinating, entertaining and educational.

## Kleinburg Klarion

**Neighborhood Notes**  
Mrs. Robert Hill, Napier Street had the misfortune to slip and fall while out for a walk on the hill of Gleggans Mill Road. Mrs. Hill suffered lacerations to the scalp and concussion but is feeling better now.

Mrs. Rita Cook, Woodbridge held a campaign tea for her canvass captains recently to help kick-off the cancer society's current appeal for funds.

Friends of Mrs. Chuck Ellis, Napier Street wish her a speedy recovery from her illness in the hospital.

Ladies of the area are cordially invited to a coffee party April 15 at 10 am at the home of Mrs. Ken See, the last house on Pennon Road. Plans for future catering projects held in Kleinburg United Church will be discussed.

Mrs. R. H. Jennings, Islington Avenue recently was hostess at a Tupperware party in her home for friends and neighbors.

Pat and Karl Kantaroff, Karl and Karen were among the many from Maple who enjoyed their holiday recently in Myrtle Beach, North Carolina. It seems that this area is becoming quite a "Little Ontario" during the winter holidays. The holiday for the Kantaroffs was relaxing and the children enjoyed looking for shells, etc. and visiting with those whom they knew were staying in the area.

**Senior Citizens**  
The seniors enjoyed thoroughly their first afternoon progressive euchre, under the direction of Barney Bryan. There was an excellent turnout, with nine tables in progress. Mrs. Miriam Lepper and Mrs. Victoria Clendenan were winners.

We stated last week that alternative activity would be planned for those who were not interested in the euchre, but it seems that this is not to be necessary, as there were only four or five who found other games and quilting to occupy their afternoon.

The euchre will continue now, for three more alternative Monday afternoons, April 13 and 27 and May 11, with various activities on the other afternoons.

**St. Andrew's Presbyterian Church**  
The regular meeting of St. Andrew's WA-WMS will meet April 15 at 8 pm in the new apartment of Mrs. Elmo Keffler, "Blythewood 67", Richmond Street, Richmond Hill. Members please note the change.

The Bible class of St. Andrew's will hold a car wash, weather permitting, at the BP station from 10 am till 4 pm, April 18. This is a good opportunity for an inexpensive car wash, cost \$1.00, and a cup of coffee while you wait.

**Maple United Church**  
This is the weekend to take in the rummage and bake sale at Maple United, April 11 from 1:30 pm. It will give you the opportunity to stock up on some of the excellent baked goods available.

**Lions Club**  
The men of the Lions Club enjoyed a most successful Saturday last week with their "Pancake Festival", when over 200 were served pancakes and maple syrup. We understand that Frank Robson was kept busy at the sugar bush as well as with those who were taken out by bus from Maple. The Lions are particularly grateful to those who gave so freely of their time as well as of material things to help make the project such a success, and wish to say a big "Thank You" to everyone.

Since this event turned out so well it is hoped that it will become an annual affair.

**Joseph Gibson School**  
Parents of pre-school children are asked to note that the date for kindergarten registration has been set for April 27, from 9 am till 12 noon and from 1:30 pm till 3:30.

**George Bailey School**  
The students of the senior school are looking forward to an afternoon of music April 14 with the junior and senior orchestras from Langstaff Secondary School under the direction of John Lockwood.

The new five day timetable was begun this week replacing the six day system the students have had. This will mean that math, grammar, composition, spelling, French and literature will have the same number of periods per week as before. The ungraded reading program has proven most successful, and will be continued, with students being placed on levels of reading skills. Science, history, geography, physical education and art will receive the same attention.

**Neighborhood Notes**  
Birthday greetings to David Purves who will be seven years old today (Thursday).

The weather held for the maple sugar excursion to the Read Bush on Saturday. The ladies had hot coffee and pancakes ready to go with the fresh maple syrup which the men had boiled down from the sap. A very happy but muddy crowd emerged from the bush late in the afternoon.

Friends of Jean DeBrocco will join with us in wishing her a speedy recovery from illness which has kept her confined to her bed.

**Senior Citizens**  
The Richvale Senior Citizens held an entertaining afternoon April 1 when instead of their regular meeting they gathered at 1 pm in costume and carrying a box lunch had a hard time party.

Following the luncheon, entertainment chairman Reitta Alexander conducted a Chinese auction, a successful project of this club which provides amusement and funds.

The grand parade was then held and prizes were awarded as follows: best period costume, to men, Peter Karpus in his authentic Lithuanian outfit; women, this decision proved too much for the judge so all four finalists shared first prize — Elene Karpus in Lithuanian costume, Mrs. Alice Duckworth in European dress, Edith Marinoff as a Japanese lady and Reitta Alexander in an 1800's costume.

Winnie Tonks took the ladies' prize for most original dress in a "Don't Strike Me Out" outfit and the prize for the funniest costume went to "Gramma" Bailey as a train engineer whose get-up was the highlight of the afternoon. Men's funniest costume prize was awarded to Iris Jordan, who took the honors from the gentlemen. Ina Lain's circus clown costume also won a prize for her.

To help Stan Wood celebrate his 75th birthday there was a large cake with Icel cream and in line with April

while the grades 7 and 8 will have one period of library science, 1 of music, health and guidance, 2 of drama, 1 each of creative writing and a study period. With no recess period, George Bailey school is the only school with a one hour lunch school, and it is hoped that the advent of better weather, more students will be able to get home for their winter holidays.

**Guides and Brownies**  
During the recent winter holiday, the Guide Company with Captain Mrs. Gail Constable, went to Toronto to see Disney on Parade, the afternoon of March 25. We understand that the girls thoroughly enjoyed this program, and that all the Guides turned out to go.

The girls also gave their time last Saturday to help the Maple Lions with the tables in the community hall for the pancake festival.

The York North Chapter Barbershoppers is just seven years old, but it will join this week in celebrating the 32nd birthday of the Society For The Preservation and Encouragement of Barber Shop Quartet Singing In America which was founded in Tulsa, Oklahoma on April 11, 1938.

The society now has 32,000 harmonizers throughout Canada and the United States who will be joining in the celebration of Harmony Week.

At a recent Monte Carlo Night, the local chapter which meets in St. John's Anglican Church Hall, Yonge Street at Jefferson, raised money to be forwarded to the Ontario District Trust Fund of the Institute of Logopedics, a speech and hearing therapy institution for children.

MR. AND MRS. FALK BECKER

## Honeymooned On Eleuthera Island

Rev. Dr. Ramsay Armitage heard Brenda Joan Howell and Falk Becker exchange wedding vows in St. Stephen's Anglican Church, Maple, December 27, ago.

A charming setting for the ceremony was provided by two bouquets of red gladioli on the altar and small red gladioli tied with white ribbons marking the guest pews. Organist Barry Watson played "Praise My Soul The King of Heaven" as the wedding march.

The bride is the daughter of Mr. and Mrs. Robert Howell of Vaughan Township and is a student at Hamilton Teachers' College in a primary specialist course. The groom is the son of Mrs. Herbert Becker and the late Mr. Becker of Oakville and is employed at Ferro Enamels (Canada) Ltd. as a chemist.

Given in marriage by her father, the bride wore a floor-length gown of white velvet fashioned on the empire line. It had long bell shape sleeves and a train attached with velvet roses. Narrow lace trimmed the edges of the sleeves and of the train. Her elbow-length tulle veil fell from a cluster of three white velvet roses with a pearl centre. Her cascade bouquet was three white orchids surrounded by stephanotis interspersed with red holly berries and leaves. Her only ornament was the groom's gift, a simple strand pearl necklace.

The attendants were Linda Dale as maid of honor and Mrs. Robert Howell (the bride's sister-in-law) and Tansy Howell (the bride's sister) as bridesmaids. Dirk Becker was his brother's best man and Robert Howell (the bride's brother) and Frank Becker (the groom's brother) were the ushers.

The bride's attendants were gowned alike in floor-length royal blue velvet fashioned on the empire line with a round neckline and a waistline gathered at the sides and back, highlighted with narrow blue flowered trim at the sleeves' edge and waistline. Their headpieces were composed of four small royal blue velvet roses.

At the reception held at the Summit Golf and Country Club, Jefferson, Mrs. Howell received the guests in a pale gold brocade ensemble with a green orchid corsage. She was assisted by the groom's mother who wore a silver blue coat and dress ensemble with the matching hat and white orchid corsage.

The three-tiered wedding cake was topped with fresh white

sweetheart roses and its decorations included a silver leaf from the bride's grandparents' wedding cake more than 60 years ago.

For the wedding trip, the bride donned a red wool dress with matching coat, black velvet hat and black accessories.

Following a honeymoon in Eleuthera Island in the Bahamas, Mr. and Mrs. Falk Becker have taken up residence in Hamilton.
