Presbyterians Honor Mr. And Mrs. Harry Mizen

At the Good Friday morning service in Thornhill Presbyterian Church, Mr. and Mrs. Harry Mizen, Sprucewood Drive, South Thornhill, were presented with 55 red roses in honor of their 55th wedding anniversary that day.

Miss Linda Patton presented the roses on behalf of the congregation. This indicated that the Mizens are as much a part of the lives of the children in the congregation as they are of their contemporaries in the senior citizens' club.

Mr. and Mrs. Mizen play an active part in the total life of the congregation. Their sterling faith is evident as in their fine support of community activities.

In the above picture (left to right) are Mr. and Mrs. Mizen, Miss Patton and Dr. Dillwyn Evans, minister of Thornhill Presbyterian Church.

Nursery School

Children of Thornhill Nursery School have been enjoying some special treats during the past few weeks. Mr. Dress-up of television fame came to perform for them during March, and April 5 was proclaimed Father's Day. Thirty fathers, one uncle and two grandfathers came along to witness a typical day at the school, and they were treated to songs by the children as well as demonstrations of the various games they have learned.

On Thursday of last week a trip to the maple sugar farm of Amos Baker was enjoyed by all the children and their teachers and here they saw how the syrup is tapped from the trees and the process it goes through to become the delicious maple syrup they all enjoyed samples of.

In the next few weeks the children can look forward to trips to the fire hall and the zoo.

First Thornhill Brownies held their last weekly meeting at the home of their Brown Owl, Mrs. Ruth Resor on Dufferin Street, North. The Resors have over 200 maple trees on their property and the Brownies enjoyed tapping the trees for syrup. They also made an exciting discovery in counting the rings on a fallen maple. The tree had first been tapped over 100 years ago.

Another popular attraction at Mrs. Resor's home was a litter of puppies just a few days old. The puppies had been left to die in a ditch beside the Resor's property and Mrs. Resor reported that she and her family find three or four dogs a year left on the side of the road often in below zero temperatures, by people with no further use for them. The litter of six were lucky enough to be found by Mrs. Resor's son and apparently all are doing well.

The boys will use the money to further their summer program and they hope to be able to purchase several canoes.
