### YWCA "Sit In" Among Treasures

At first glance one might think the above photograph was taken at Expo '70 in Osaka, Japan, but on closer scrutiny the interesting array of articles on the mat is not related to the locale.

But they are related to the popular YWCA Treasure and Trivia Sale and will be among the variety of articles being sold this Saturday, from 10 am to 2 pm in Wrixon Hall, St. Mary's Anglican Church.

The booths will include books 'n records, boutique, garden and patio, country kitchen, hats, scarves, purses, jewelry and children's room and the three attractive girls pictured above (left to right) Susan Marshall, Convenor Dawn Osmond and Jacky Dedlow) will be among the many "Y" members ready to serve you.

There will of course be a snack bar, opening at 10.30 am, where you can treat the family for lunch and enjoy a caffee shopping spree.

Admission will be 25 cents for adults, and 10 cents for children unless accompanied by an adult.

### Car Rally Collision

## Hill Youth, Hugo Schenk, Dies On Sunday

Hugo Schenk, 18, son of Mr. and Mrs. Walter Schenk, 395 South Taylor Mills Drive in Richmond Hill, graduated from Bayview Secondary School last June.

He had applied for a scholarship in computer science, and had been accepted by Marlboro College in Vermont, but he wanted some practical experience first, so he took a job with I. P. Sharp Associates in Toronto-Dominion Centre working with computers. He planned to go to Vermont in September.

He was interested in mathematics and stamp collecting and cars, and last Sunday Hugo intended to participate in two car rallies.

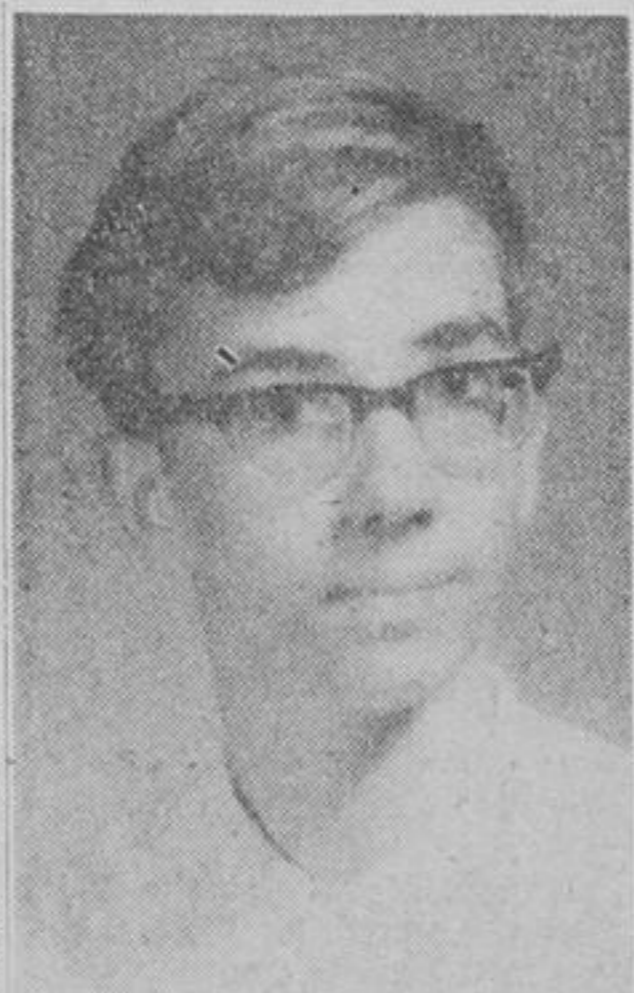

But on Sunday morning Hugo was killed in a head-on collision on Concession 3 in Albion Township near Caledon. He was navigator in a car driven by Paul Fountain, also 18, a student at Bayview Secondary School.

They were taking part in a rally to raise funds for the school's Korean Adoption Plan which sponsors seven Korean orphans. Both boys were taken to the hospital in Orangeville. Hugo was dead on arrival and Paul is still in hospital with a severely fractured leg and facial lacerations.

The two had just passed a checkpoint and were travelling over the brow of a hill on a narrow road where the shoulders were soft and muddy.

At the crest of the hill the car collided with another rally car which had missed the checkpoint. Driver Stephanie Blissett, 17, suffered a broken arm and minor injuries. Navigator Douglas Meyers, 18, also suffered minor injuries. Both were treated in hospital and released.

There were 25 cars in the rally and KAP Chairman Barry McKillop reports that people from the checkpoint rushed to the scene and did everything possible to assist the victims of the accident, called police and

HUGO SCHENK

ambulance and took every action possible. "Hugo was really looking forward to the rally," said his sister, Pia, a grade 13 student at Bayview. "He went because he wanted to."

The family asked that, in lieu of floral tributes, friends make donations to the school's KAP Fund.

Mrs. Schenk was vacationing in Switzerland at the time of the accident, but immediately flew back to Richmond Hill.

Her older son, Bruno, was given compassionate leave from Royal Roads Military College in Victoria, B.C., and flew home for the service at Marshall Funeral Chapel on Wednesday.

And because his friends at Bayview know that Hugo would want it that way, they are going ahead with plans for the KAP dance at the school on Friday night and the Walkathon to Toronto City Hall on Sunday.

MARKHAM: Robert Charles Pardon suffered fatal head injuries when he fell from a parapet at the sewage treatment plant being constructed in Whitby. Mr. Pardon was an employee of the Schwenger Construction Company. He lived only two days after the accident.

### 122nd RH Spring Fair Dates: Are May 22-23

Friday and Saturday, May 22 and 23 are the dates for this year's Spring Fair and Horse Show, sponsored by the Richmond Hill Agricultural Society for the 122nd consecutive year. This year's program for the two-day event promises to be bigger and better than ever before.

Included in the planning are the society's executive, composed of President Fred Boyard, 1st Vice - President William Bowen, 2nd Vice - President George Ledson, 3rd Vice-President Albert Leek, Past President Arnold Mortson, Treasurer Bill Jones and Secretary Mrs. Shirley Ryan and more than 100 directors. These men and women come from a wide area, in and around Richmond Hill, and from a great variety of occupations, making the annual fair a real community project. The program for Friday and Saturday features horses, Jerseys, rabbits, cavies and poultry, school competitions, domestic science, needlework, etc.

Included in the horses are the hunter and jumper classes, which begin at Richmond Hill, Canada's to horses and riders, heavy horse, quarter horses, western horses, Arabian and palomino horses and ponies. New lights has been installed in the park where the fair is held, this year which will assist materially in viewing the show on Friday night.

### Seek Vaughan Site For August Peace Festival

Rumors that the Karma Productions "Peace Festival" will be held on a site in Vaughan Township were confirmed by Reeve Garnet Williams this week. According to the reeve, negotiations have been going on for some time.

Promoters of the "Peace Festival", with estimated attendance ranging from 200,000 to 500,000 youth from all over North America, has already been unsuccessful in locating the monster three-day event at the Mosport Race Track, and in the environs of Parkhill (about 30 miles northwest of London).

Reeve Williams reported that the first Vaughan site being considered has now become unavailable, but negotiations are underway for a second site. Both are zoned "open space", which includes recreational facilities and which would permit the peace festival to be held.

"If it's coming, and we have no means of stopping it, council decided to control the operation as strictly as possible," the reeve reported. Karma Productions has promised to provide 1,000 OPP officers, for policing duties on the periphery of the festival area, with internal policing being carried out by themselves. The promoters will also provide sanitary facilities approved by the Ontario Department of Health, a water supply and a 400-bed hospital.

Date of the festival has been changed from July 1-4 weekend to a mid-August weekend. All parking will be outside the township — it has been suggested that the CNE grounds will be used and ticketholders will be bussed into the site.

A substantial gift has been offered to the township if it hosts the festival, the exact nature of which has not yet been decided. At Parkhill (a town of 1,000) the offered gift was \$50,000 towards an arena (although the festival site would have been in the adjoining Township of McGillivray).

### Fall Nets Pedestrian 60 Stitches In Scalp

Alfred Simons, 41, of 67 Richmond Street, Richmond Hill, had 60 stitches at York Central Hospital April 14 after he fell over a barricade while walking at about 10 pm at Elizabeth and Centre Streets.

Mr. Simons said the barricade seemed to be there for no apparent reason and was not lighted. It was still there when he last looked five days after the accident, he said. He feels the barricade may have been moved there by children.

He hit his head on the pavement and had close to one-third of his scalp laid open. He was crossing the intersection due to the fact the sidewalk didn't continue along the side of the street he was walking on.
