**UPS AND DOWNS ON THE BRUCE TRAIL**  
By Lynda Woodhouse  
The trip was running very smoothly and kind of quiet at the beginning. The excitement started when one of the girls asked: "What would happen if someone fell down the hill and broke his leg?" Just then she slipped and went tumbling down the hill. What a rough trip down. Teachers Donald Cowden and Barry Bethune ran down to the bruised girl and brought her up to the top of the hill again. On went the teachers and students through mini-forests and over rugged hills until down, down to the bottom of the cliff rolled the body of Lynn Leaman.

Mr. Bethune fell on the way down to rescue Lynn. He banged his head, scraped his back, bruised himself and scratched his wrist. What a way to return to school next day. If you wanted to see one form of torture, you should have been walking or swimming with us through a flooded area. It was awful. I think you would say we were water-logged from our feet up to our waists. The trip went on,

**Right Hand Burned As Backfire Ignites Car**  
Richard Duncan of 50 Pearl-dale Avenue, Weston, burnt the palm of his right hand in a car fire at 92 Henderson Avenue, Thornhill, last week.  
A carburetor backfired at about 17 minutes past midnight April 24 was blamed for the fire. He was taken to Branson Hospital by a relative for treatment.  
There was a motorcycle fire April 26 at 1:25 pm at Lang-staff Road near Dufferin Street. Vaughan Township firemen estimate the damage at \$200 and blame a flooded carburetor for the incident. Owner of the machine is Bradley Price of 41 Kinghigh Drive, Concord.  
Smoke from new galvanized metal in a furnace plenum was blamed for a false alarm at 7:03 pm April 25 at the Thornhill home of Jeffrey Farber, 18 Alcaine Court.  
Richmond Hill Firemen had two grass fire calls Sunday, and one each of April 23 and 22. Vaughan firemen had eight grass fire calls, with the number of these incidents reduced by recent rains.  
Vaughan Fire Chief James Davidson will attend the Ontario Fire Chiefs Conference May 3-6 at Stratford.  
He plans to seek support for an amendment to the Highway Traffic Act to assure firemen won't get speeding tickets while going from home to a fire in his own car. A Vaughan fireman recently received a ticket while he was being paid 12 cent a mile for using his car. He was being called to a fire while off duty.  
Police officers can't be given tickets in this circumstance, and the same should be true for firemen, says the chief.

**TRIP TO THE RESTAURANT SHOW**  
By Don Morden  
On April 15, ten students involved in the art of cooking and baking went down to the CNE to see a restaurant show. Students from George Brown and Humber Valley Colleges were also there along with a few more schools. Butchers and bakers showed us a brief example of their trade. We also saw equipment used in restaurants and bakeries. The company sent down their own salesmen to explain how their equipment performed, costs and so on.  
Manufacturers of food sent representatives making and giving samples of the food. Chicken, hamburgers, pudding, ice cream and so on. All in all, it was a very interesting day. I urge you next year when it comes around, to go and see it for yourself — it's worthwhile.

**Destroy Birds Nests In The Mill Pond Area**  
Fewer wild fowl will be seen on the Mill Pond in Richmond Hill this year because of the depredations, recently, of the youngster or youngsters.  
The assistance of Canine Control Officer James Ryan was sought to attempt the capture of a Canada Goose, which had a 16-inch red arrow protruding from the back of its neck. The attempt was unsuccessful, but during the bird's struggles to evade capture the arrow was broken off at about four inches and it appeared the goose was able to dislodge the remainder. Whether the bird will survive the wound is still doubtful.  
The young depredators also raided the wild bird nests, used the eggs which numbered about two dozen at least, as missiles to pelt the wild fowl and completely destroyed the nests.  
This happened April 18. On April 20 the elderly Muscovy Duck was still wearing evidence of the attack in yellow egg
