Because of this long weekend, the column will have to be ready by Friday morning so that anyone wishing items in "The Liberal" must call 832-2408 before that time.

We would like to remind our readers of the golf tournament and dinner to be held May 22 by the Maple Hockey Association. This will be open to all men of the area, and anyone wishing to take part in this duffer's day is urged to call Al Taylor 832-2526.

Danny Bowes of RR 1, has a very proud family this week, following his tremendous accomplishments at the recent Lions Music Festival in Newmarket. Danny, in a class of 13 entries, piano for 8 years and under, won the gold medal award in the form of a trophy on May 6. He was invited to play again in the Festival of Stars on Friday evening, and again came away a winner with a scholarship. Congratulations both to Danny and his sister and teacher, Gloria.

Mamie and Fred Reeves flew to Ohio on the afternoon of May 1, to help celebrate the 50th wedding anniversary of Mom and Dad Weiler who had only recently visited the Reeves' for their 30th anniversary. A highlight of the weekend was the private plane that had been arranged for them on the return trip from Lima to Columbus, where they caught an airlines plane home.

We would like to remind music and art lovers of the coming concert in the Heintzman

## IN THE VILLAGE OF MAPLE

Auditorium, 193 Yonge Street, May 25 at 8:15 pm to be given by Roy Robson, principal of Joseph Gibson School along with his talented friend, Gallant Gondos. This is to be a concert of light classical music and movie themes at the piano and organ in conjunction with a display of art. Tickets are available from Mr. Robson and may also be obtained at the auditorium.

We were happy this week, on calling the home of Lorne Wells, Keele Street, South, to have Lorne answer the phone and assure us that he is recovering nicely following his stay in York Central Hospital, and hopes to be back to work on a restricted basis by the end of this week. He made a special point of asking us to add a note of thanks and sincere appreciation for the kindness shown by his many friends during his stay in hospital with visits and cards. We know that Lorne is well liked in the community, and most active as well, and his many friends will be glad to see him around again.

We wonder how many people are aware of the new Maple trees that are being planted around the village again this year. It seems that somewhere around fifty trees, various varieties of Maple have been planted again this year, as in the past years. This is a worthwhile project which will pay dividends in years to come and is a credit to the busy town trustees who are responsible.

We were glad to hear that Ed Borrett, Netherford Road, is recovering he has had. It seems that there has been a great deal of this in the area, and unfortunately some have been hit harder than others. Mr. Borrett has been among the former, and it will likely be a couple of weeks before he will be around again.

A special meeting will be held May 20 at Maple United Church in connection with the proposed senior citizens' residence to be built in Maple, supported by the church. The meeting will begin at 7 pm, with members of the council, members of the planning board, residents within 400 feet of the site, who have already been sent notices, and the president of the senior citizens. ### Vaughan Cuts Library Budget To \$100,000

Vaughan Township Council cut \$28,908 from the township library board's 1970 budget at its meeting May 4. The budget was increased from \$92,600 in 1969 to \$128,908 in 1970 with the township's allocation increased from \$85,550 to \$114,458. Council's action reduced the library budget to \$100,000 for this year.

Terry Goodwin of Thornhill appeared to protest council's decision, explaining that township libraries had been introduced in 1967 as a Centennial project. There are only three libraries—at Maple, Kleinburg and Richvale. "We now have 6,000 cards out, with a population of 17,000 in the township. That's pretty good coverage, but we still have a long way to go," he reported. Mr. Goodwin, a former township public school trustee, is now a member of the township library board.

"We have learned that the use of the libraries depends on the hours they are open and starting last January our libraries are now open 25% more hours than last year. This and the normal increase in salaries accounts for the large increase in salaries (from \$37,000 in 1969 to \$58,278 in 1970)," Mr. Goodwin said. He also reported that some funds (\$15,000) had been included to take care quickly of any need for expansion. "I think we need this money," he concluded.

Glen, a card of thanks was received from the patients at the Maple Nursing Home for the efforts and money contributed by the seniors to arrange for the shipment of a piano recently to the nursing home.

A letter was read from Andy Snider in Fergus, advising that it would be possible to visit the Cattle Breeders June 4. Most of those present voted to go on that date. Costs for bus transportation will be given at a later date. It has been suggested that, if the tour was able to leave Maple by 9 am, the folks would be able to see all they would want of the barns before lunch, and see some pictures as well. Then a scenic drive back could be enjoyed.

The seniors are going to have a busy time during the next few weeks, with the trip to Hamilton next week, May 19 to visit the Botanical Gardens. There are several openings still available on this tour and seats may be reserved at \$2 each by calling Mrs. Louise Cooper at 832-2408. Eight of the group are planning to go along with the Richmond Hill seniors on a trip to Ottawa, May 24, 25, and 26.

### Home and School

Following the recent meeting of the home and school the following officers were installed: President Mrs. Barb Ruttle, Vice-President Mrs. Sylvia Bedford, Secretary Mrs. Inge Bittner, Treasurer Mrs. Lois Howison, Program Convenor Pat Bailey, Membership Secretary DiAnne Rotz, Social Convenor Jo Garratt, and Grade Mother Secretary Eleanor Brown.

### Joseph Gibson School

Open House will be held in the junior school, May 20, beginning at 7:15, with the rooms open for parents, and with special events taking place in the gym including the choir which have been working particularly hard in preparation.

### George Bailey School

Mrs. Lillian Reid's grade 7 class recently took a trip to the Burlington Outdoor Resources Centre, and all in all the senior school has been a hive of activity. Principal Russell Urquhart would like to thank the parents for their assistance in driving the students concerned to Don Head Secondary School recently, to participate in the art display there.

### St. Martin's in-the-field

A rummage sale will be held May 15 at 7:30 pm in the parish hall, in aid of Camp Artemis at Bolton. All Anglicans of Maple and Richmond Hill are urged to support this worthy cause as it is an Anglican camp for girls and boys of all ages.

### St. Stephen's Anglican

On May 17 at the 11 o'clock service, the veterans of the old Third Battalion, (Toronto Regiment), together with representatives of the Royal Regiment of Canada and allied units, will hold their spring Church Parade. Veterans of Navy, Army and Air Force are invited.

### St. Andrew's Presbyterian

On Mother's Day, which was also Christian Family Sunday, the young people of the junior Bible class participated in the service and sang a modern hymn to the tune "Blowing in the Wind". There was no Sunday school, as the children were to share in the service with their parents. During the ser-

vice, Sandra Sutherland presented a cheque for \$100 from the junior Bible class to Mrs. Louise Cooper toward the purchase of a desperately needed piano for the Sunday School. The young people had raised most of the money in their recent car wash at the BP Service Station. In times when there is such criticism of our young people, it is heart warming to realize that these teenagers are a typical example of our youth, and we should be proud of them.

St. Andrew's WA-WMS will meet at the home of Mrs. Earl Magee, Richmond Street, May 20 at 8 pm.

### I'm Baseball

The girls' baseball team of the upcoming baseball season must have been confusing since we neglected to make clear the fact that there are two groups of girls playing baseball. The York Central Juvenile Girls' League, is the one beginning their regular schedule May 25 with girls up to 16 years of age participating. Don Tading of Concord is the coach again this year of the "Maple Sugars". There are ten teams in this league, and we hope that the girls will receive support from Maple this year.

The second group, the Maple Minors, include girls from 9 years of age, and these are divided into two groups, the older and the younger. These youngsters will be playing, and attempting to improve their skill to be able to play at the juvenile league, and at the same time develop their sportsmanship and interest in fair play. Mrs. Agnes Foster and Bill Garthwaite have offered their assistance, and we feel sure that anyone else interested in our youngsters will be welcomed if they offer their help. There are nearly fifty girls in this minor group and this is a real handful for so few. The girls are at present playing at George Bailey School, as the diamond at the community hall park is still not safe in its present condition for the kids who are so eager to participate.

### Fireworks Display

The recreation committee is again sponsoring the fireworks display at the community park, May 18 at dusk. Tickets will be on sale this week from the Guides and Scouts at \$2.00 per family, and anyone not approached by either of these groups could contact Jan Myers, 832-1423 for their ticket.

The concession stand, as we mentioned last week, will be run by the junior Bible class of St. Andrew's Presbyterian Church with proceeds going to Evangel Hall in Toronto for their wonderful work with children.

### Reach Compromise 8-Lot Subdivision

The last obstacle in the way of a small subdivision in Maple was removed May 4 when Vaughan Township Council passed the necessary bylaws. The eight lot, single family detached dwelling, development is located at the corner of Richmond and Simcoe Streets.

On August 18, 1969, council authorized a subdivision agreement with John Sanelli Building & Investments Ltd. of Maple and on October 7 passed a bylaw to change the zoning from M2 and C1 to RS to permit the development.

However, an objection was received from the abutting property owner to the west who claimed to own lands included in the proposed plan. At the hearing before the Municipal Board, the owner and the objector arranged a compromise, it was reported to council. The objection was withdrawn on the condition that a small triangular portion of Lot 8 on the proposed plan be conveyed to "the objector" so that he would have access to his rear yard. OMB adjourned the hearing to permit passage of an amended bylaw.

The new bylaw will include the triangular piece of land in the rezoning but excepts it from Lot 8. This new bylaw (Number 3973) will be approved by the OMB without a further hearing, it was reported.

### Keele Street

## Order Demolition Of Dilapidated Buildings

Vaughan Township Council at its May 4 meeting passed a bylaw to ensure that the owners of a dilapidated building at 27 Keele Street South, Maple, proceed expeditiously with its demolition.

A recent inspection of the property showed that the building was vacant and open to the public, it was reported. A large amount of debris was scattered throughout the dwelling, and in the yard. The health unit has declared it unfit for human habitation and has placarded it. There are no washroom facilities nor heating unit and the hydro has been disconnected. The basement is one-third full of water and vandals have broken plaster and laths throughout, the report continued. Clerk Ted Jackman summed it up by saying,

"The building is beyond repair."

The report also stated that the township building inspector had met with the owners, Potens Investment Limited, April 30 a phone call to the township building department indicated the owners contemplated demolition.

The township's May 4 bylaw was passed under the authorization of the Ontario Planning Act which provides that bylaws may be passed by councils of municipalities "for authorizing the pulling down or repairing or renewing at the expense of the owner, any building, fence, scaffolding or erection, that by reason of its ruinous or dilapidated state, faulty construction or otherwise, is in an unsafe condition as regards danger from fire or risk of accident."

On Mother's Day your opponent planted the "Flowers of Hope" seeds and sent a contribution to the fund of the York Central Association for the Mentally Retarded, 321 Enford Road, Richmond Hill, May I remind readers to do the same for this worthy organization?

Dick Vermeer of Nashville sponsored his family on a 14-mile walkathon from Rextdale to Pine Grove and back. Mrs. Vermeer and 10-year-old daughter Marlene finished the walk, but 12-year-old Cornelia and her brother Gary, eight, progressed seven miles before blisters got the better of them. Proceeds are to aid the Dutch-Canadian committee, 1945-1970 who are presenting a concert organ to the National Arts Centre in Ottawa on May 5, an expression of gratitude from the Dutch adults and children for the Canadians' presence during World War II.

War II. Bolton Rotary Club held its annual amateur show at Palgrave School May 6. Cathy Jeanes, sister of your correspondent, sang a solo, "Spinning Wheel" and wishing she'd had more than a week to rehearse, forgot the words. However, the lenient judges permitted her to sing it again and this time, without any trouble, she captured third prize. Your correspondent's daughter, Judy with three friends, Aysun Basaran, Debbie Agar and Vivian Peel taught themselves a song and dance routine which they performed in the under 14 class and won third prize. Eight-year-old Scott Hilliard presented a superb drum solo and was awarded first prize.

### School News

Actors and actresses in the grade 6 play, "Mme. Leduc est Malade" were William Perry, Ralph Hanke, Stewart Adamson, Mark Ehrlich, Venicia Colton, Sandra Murray and Jennifer Veecl.

The boys' gym display was fast, furious and hilarious at times, showing outstanding ability after many hours of practice. Taking part were Steve Adamson, Glenn Adey, Ronnie Barker, Peter and Tony Bentley, Bob Bonner, Ray Fear, Russel Fox, Gary Howard, Richard Hystek, Mark Kaiser, Larry Knight, Paul Kolenda, John Locke, Chris Salt, Pat Samuel, Bayne Stanley, Tim Wheelton and Martin Cherofer.

Participants in the girls' gym display on the mats with rhythm exercises to music were Michelle Mallen, Cheryl Donneral, Linda Carman, Vickie Milne, Jennifer Veecl, Anne Murray, Kathy Benson and Cindy Watson. Performing on the high bar were Ingrid Bauer, Kathy Miles, Marion Williams and Sherry Train. On the box horse and bar box Kathy Miles, Francine Williams, Theresa Cleroux, Sherry Train, Lindsay Knight, Rachel Kolenda, Laurel Hill, Karen Whiststone showed great form. Janice Fifield and Leslie Milne showed the audience what a pommel horse could do to aid a girl in style and balance.

And speaking of balance, I wonder how I would do on the balance beam! Interpretations

## Kleinburg Klarion

Public School participated in the Newmarket Lions Music Festival May 4. This group is under the leadership of Miss Schalich. They must have put a lot of time and effort into their practising as they triumphed over three other groups to receive first prize.
