A promise like that can only be made by a madman ... or one who knows he's got something better than ever before! That's Canadian Tire — and that sums up our confidence in our Polyester Glass Belted Tires — the tires that outlast, out-manoeuvre, out-perform any previous tire. If the price throws you (and the best always has to cost more), take a look at these prices! Why not come in and talk it over with Harold Stather, our Tire Manager.

A Clean-Sweep to make way for the new '99's!

It's the very tire that has made our Safety '99' name so famous! Last year's great stock — your choice of Nylon or Polyester Super-Lastic — at big savings! If your local Canadian Tire dealer is sold out of this stock, he may supply the new 1970 tire above at the same low price — and no trade needed.

Alternately, send money order to Canadian Tire Corporation Limited, 837 Yonge Street, Toronto, Ontario — and your tires will be sent to the Associate Store you designate. There, the tires will be installed free and you'll get your cash bonus coupons (in areas where applicable).
