Neighborhood Notes

Special birthday greetings to Mrs. William Knapp who on June 1 will be celebrating her 82nd birthday.

Birthday wishes to Mrs. Glen Boleender, May 28, Bryan Gee, May 31, Larry Sanderson, May 31 and to Wally MacDonald on June 3.

Congratulations to Mr. and Mrs. Leslie Hart married 26 years May 31, Mr. and Mrs. Harold Hill, 22 years, June 1, Mr. and Mrs. Nelson Buchanan, 13 years, also June 1 and to Mr. and Mrs. Don Matthews celebrating their 23rd anniversary on June 3.

Sympathy of the community is extended to Mrs. Mary Buchanan and family in the sudden passing of her mother, Mrs. Whittaker.

Mr. and Mrs. Michael McQueen of Toronto are now living with her grandparents, Mr. and Mrs. Clarence Steckley.

Mr. and Mrs. Don Boynton and girls were dinner guests of Mr. and Mrs. Stanley Boynton and Grace on Sunday.

Mrs. Mabel Frisby, Mr. and Mrs. Richard Frisby and girls entertained Mr. and Mrs. Elmer Huggins and Rita of Hampton at dinner Saturday evening.

A miscellaneous shower will be held in the community hall Monday evening in honor of Miss Barbara Empringham and James Woodward whose marriage will take place June 27. Please accept this notice as your invitation. Ladies please provide.

Baseball time once again! The bantam and midget teams will play a double-header every Tuesday evening in the park and the senior boys will play every Thursday evening also at the park. At the end of June the little league games will be played every Monday and Wednesday evenings at the same location. All residents are urged to come out and support the boys.

Lions Club
Tuesday evening of last week was election night at Victoria Square and District Lions Club and the following officers will

Unionville Festival To Feature Music, Dancing
On Saturday June 6 from 1 pm to 9:30 pm the Village of Unionville is holding a Spring Festival. Sponsored by the Unionville Conservation and Development Association the festival will feature a 30-mile bicycle race through the streets of the subdivision, Varley Village, an auction sale, children's events, a Dixieland band, the Claremont Citizens' Band, a barbershop group, an evening street dance and countless other events.

You are invited to enjoy the early Canadian charm of Unionville, so bring the family, wander down the shady streets, visit the antique shops and boutiques and soak up something of the yesterday.

Admission is free. So plan now to discover quaint old Unionville on June 6 — from 1:30 pm to 9:30 at night.

Reassessment Reduces Bell Telephone Taxes
Peel County general committee decided last week to hold Municipal Affairs Minister Davey McKeough to a promise issued last year at the Norval Regional Government meeting.

Streetsville Mayor Hazel McCallion again broached the problem of municipal tax losses due to provincial reassessment. With properties reassessed at market value, the mill rate drops as assessment increases.

But Bell Canada's municipal taxes are tied to the mill rate, which is applied to a certain percentage of the company's revenues.

Thus, when the mill rate drops 80 percent, so do Bell Canada taxes.

Streetsville lost \$9,000 last year and will lose \$12,600 this year, Mayor McCallion said. Mississauga's current loss will be \$180,000 and Port Credit's \$28,000.

Walk Of Ages Raised \$30,000
Last Saturday's 20-mile Walk of Ages in Unionville raised an estimated \$30,000 for Union Villa.

Union Villa is a senior citizens' home located in the police village, which is being built through public enterprise. It is expected to be in operation this autumn.

Thirteen hundred people took part in the walk, 600 more than last year.

Dr. Arthur Kennedy, 82, and his wife Gerie, 79, went the full 20 miles in eight hours and 45 minutes and were still going strong at the finish. Ken Young, 17, of Markham High School, ran all the way and had the fastest time — two hours, 40 minutes.

Two-year-old Sandra Cuthbertson walked four miles and two-and-a-half-year-old Pamela Barrett walked two-and-a-half miles. Six-year-old Wayne Kerr and Jody Brown were the youngest persons to finish.

At The Fair

Many Headford residents had entries in various categories of competition at the Richmond Hill Spring Fair last weekend. Prizes were won by the following: Dierdre Stator, bird house; Debbie Van Tol, flower arrangement; Jane Watford, dish garden; Bruce Watford, Marilyn Horner and Joan Horner, baking; Mrs. George Barker, floral arrangements and Mrs. S. VanTol, needlecraft.

Among the youngsters who found a day's employment at the fair were Bruce Terry and Mike Dunleavy, who were kept busy Saturday, setting up jumps for the horse competitions.

No. 4 School was again successful in winning the trophy for the school having the highest number of winning points. Congratulations to all competitors.

Neighborhood Notes
This Sunday is the anniversary of the Sunday school of Headford United Church. All children of the community are invited to attend the church service at 10 am with their families.

The Victoria Square Baseball Team eked out a win by a score of 13-12 in their game at Claremont May 18. The team had been down 12-1 in the sixth inning, rallying to win the game in the ninth. John Rumble and Richard Burton of Headford are members of the team, which is sponsored by Rumble Tractor.

Bruce Terry spent the Victoria Day weekend with friends at their cottage outside Montreal. Although the water was cold they launched the season

by swimming and water skiing. Visitors to Headford this week from Toronto have been Mr. and Mrs. C. Conrad who spent Sunday with the Wes Clark family; and Miss Bonnie Ross, who has been staying with the Burton family for a week's holiday. Bonnie is George Burton's niece.

Birthday greetings go this week to Darlene Leuschner who celebrates May 29. Darlene will be one year old that day.

Mrs. W. Wellman was visited by her granddaughter, Jean Reaman, of Langstaff on Saturday and by Mrs. E. Pingle of the Stouffville Senior Citizens' Home on Thursday. Mrs. Wellman, Mrs. Pingle and Mrs. H. Burton spent Thursday at a quilting bee at the home of Mrs. Elizabeth Moorley in Richmond Hill, which was made more interesting by the fact that Mrs. Pringle is 90 years old and a very enjoyable person to speak with.

Notes on "Walk Of Ages"
1. The walk was well named. Walkers ranged in age from five years to 80 plus. Mr. and Mrs. Arthur Kennedy, both over 80, completed the 20-mile walk in under nine hours and they still looked fresh at the finish!

2. A girl who had completed the walk was resting with a group of her friends on the grass at the last checkpoint. They were exhausted, but very proud of finishing the walk. Suddenly, her mother drove up and proceeded to lecture the girl on hurrying home for her dinner. Not a word of congratulation! No interest shown in the condition of her aching feet!

No word of appreciation for her effort! Only a lecture! Could this be a cause of the generation gap?

3. On the last five miles of the walk, when it is becoming an effort to place one foot in front of the other, and you are passed by two eight-year-old walkers, who are running and laughing and playing tag, it's almost enough to make you cry.

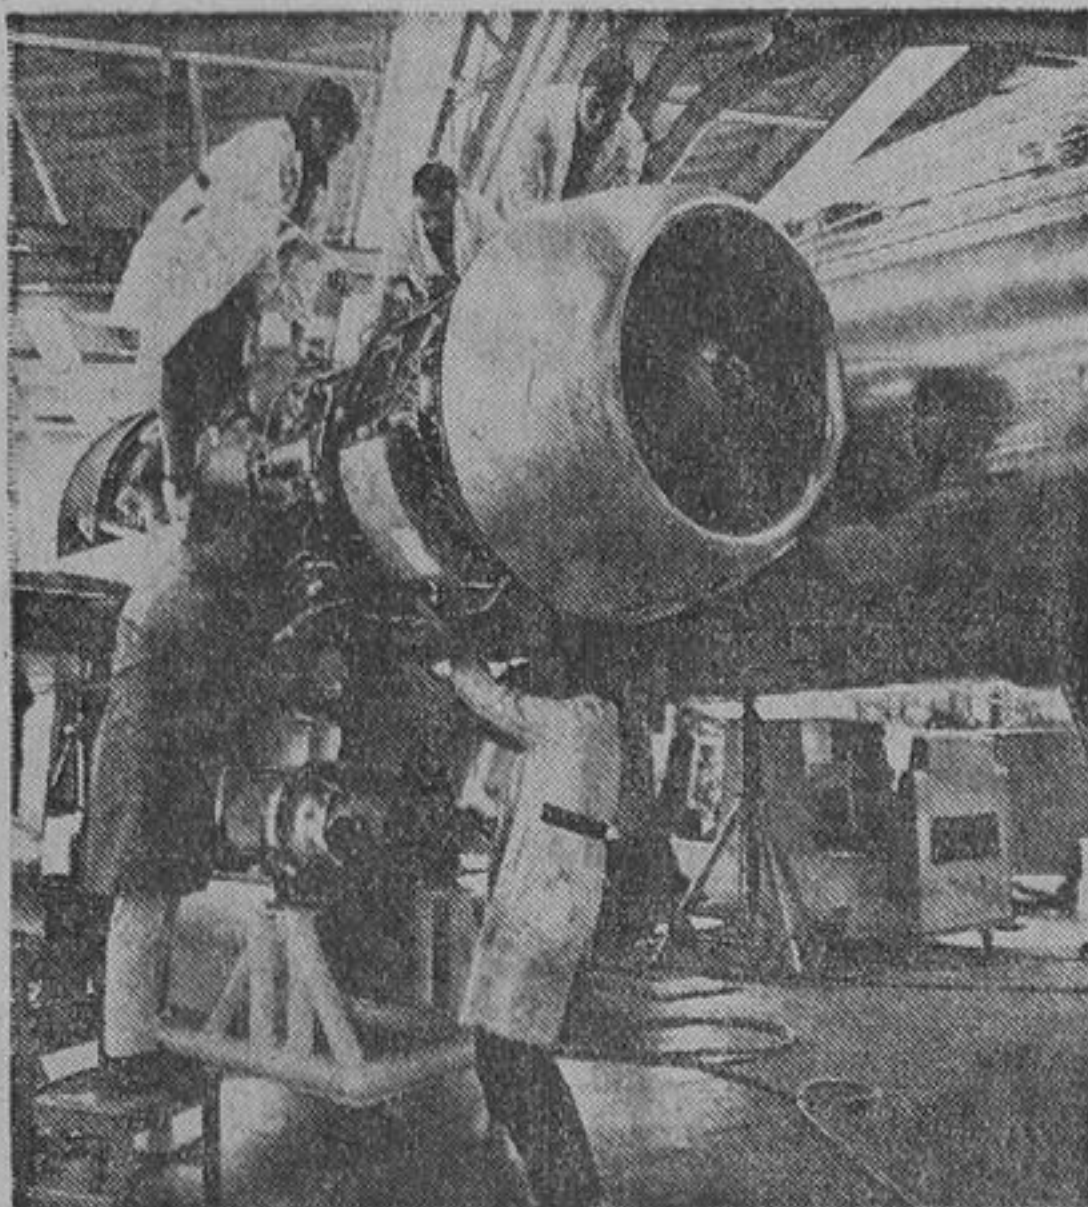

4. When you pass an immaculate lawn in front of a home in the Town of Markham, where lawn chairs have been set out and a sign reads "Union Villa Walkers — rest for a while", it is enough to make you cry.

5. A group of teenage girls and boys were walking together. Some of their actions and their language were less than admirable. The first impulse was to consider them only punks. But, if this was true, what were they doing walking for Union Villa?

Your children aren't going to get the education you got.

Ontario's way of learning has changed, because our way of life has changed. Children today learn mathematics by discovering how numbers behave and what they mean. They don't study grammar for the sake of grammar, nor accept history without examining all view points. And the sciences they are taught are the sciences of the 70's.

The things your child learns today, will prepare him for the life style he'll face tomorrow. We'd be short changing our young people and our province if we taught them anything less.

Today the province has 16 universities. In the last four years alone enrolment has more than

doubled, and the total Ontario Government expenditure for student awards, scholarships and fellowships has risen from \$5 million to more than \$30 million.

Other forms of post-secondary education are also growing rapidly. Example: the colleges of applied arts and technology are a new style of Ontario education flourishing from Sarnia to Thunder Bay. These community colleges offer diploma courses in everything from biochemistry to naval architecture and from air traffic control to advanced electronics. Starting from zero in 1967 Ontario now has 20 community colleges with 61 locations and some 38,000 full time and 34,000 part time students.

If you don't really believe we need advanced education techniques to face an advanced world, we'll give you a selfish reason. Your future. Ontario's economy has grown from \$14.7 billion in 1960 to some \$31.5 billion in 1969. Our incomes have doubled in the same decade. Our increase in exports is the second highest in the world. To maintain this kind of development, we need well developed people.

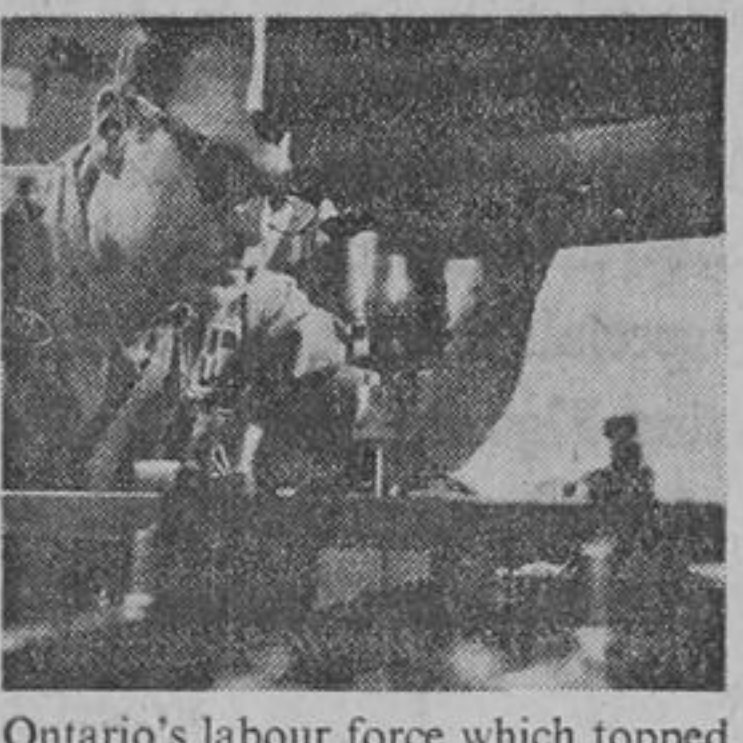

Our investment in education helps build a better future. But we need a strong economy to support our good intentions. One way you can help: when price and quality compare, shop Canadian.

Ontario's quest for knowledge continues after the sun goes down, with adults doing most of the studying. In Toronto alone evening courses number in the hundreds and thousands of adults study subjects ranging from carpentry to civics, pottery to poetry.

Ontario Universities now have an estimated 104,000 full time students and 69,000 part time students. Pictured above is one of the newest Ontario campuses, Trent university in Peterborough.

Ontario's labour force which topped 3 million last year for the first time is becoming increasingly skilled and competitive with other leading industrial nations. Our annual investment in manpower education is designed to continue the upgrading of skills through Ontario's program of in-plant training.

Canada's life style of tomorrow presents many challenges. But it's Ontario's style to meet these challenges today.
