Furniture Store Break-In

Burglars, Thieves Have \$3,000 Week

Burglars were quite busy again last week in Richmond Hill, Markham and Vaughan Townships. The most serious break-in took place Sunday night at the Hilltop Furniture Store, 47 Yonge Street North in Richmond Hill. Owner Raymond Desmarais says close to \$1,000 worth of furniture was stolen, including a 16-inch color television set, four 19-inch portable television sets, and two coffee tables.

Mr. Desmarais visited the store Sunday and everything was in order. The break-in was discovered at opening time Monday morning. The burglars entered the store by breaking a back window. They then left by a rear door that could be opened from the inside.

Markham Township Police at 5 am May 30 caught a man in a Thornhill building and charged him with break and enter with intent to commit theft. Stephen Chapman of 6 Stancourt Road, Vaughan Township faced the charge for the first time June 2 in Richmond Hill Criminal Division Court.

Csapan was arrested at Performance Engineering Limited, 55 Guardsman Road, Thornhill. There was a break-in May 30 at the 400 Drive-in in Vaughan Township. Two vending machines were forced open and cigarettes and cash were stolen. A truck tire was also stolen. Damage and loss in the break-in was valued at \$260.

Also May 30 burglars entered a building at the Hackery landfill site, Steeles and Kipling Avenues, by forcing a window. Two gauges and a torch valued at \$200 were stolen. A gasoline motor powered pump valued at \$186 was stolen May 28 from Richmond Hill

to the building. Damage was estimated at \$800 May 30 at 9:57 pm in another suspicious fire at the former Texaco Service Station at Highway 7 and Dufferin Street. Fire Chief Davidson said the fire appeared to have been set inside a rear door in a stairwell. The building is said to have been insured. It is owned by Harry Hoffman of 30 Cedarcroft Road, Toronto. Children were blamed May 30 at 11:51 am for setting on fire a waste paper container behind the Shoppers Drug Mart on Royal Orchard Boulevard in Thornhill. Damage was negligible.

Garage Fire Seemed Set

Damage was estimated at \$800 May 30 at 9:57 pm in another suspicious fire at the former Texaco Service Station at Highway 7 and Dufferin Street. Fire Chief Davidson said the fire appeared to have been set inside a rear door in a stairwell.

The building is said to have been insured. It is owned by Harry Hoffman of 30 Cedarcroft Road, Toronto. Children were blamed May 30 at 11:51 am for setting on fire a waste paper container behind the Shoppers Drug Mart on Royal Orchard Boulevard in Thornhill. Damage was negligible.

Mr. Rogerson said he was driven around the Newmarket and Stouffville area at high speeds, finally ending up on Highway 401, headed for Peterborough.

An oil leak in a township park at the rear of 141 Royal Orchard Boulevard May 28 at 5:02 pm was a fire source. Children again were blamed for setting the oil patch on fire. There was no damage reported. Sunday, May 31 at 6:45 am a man with heart trouble came to the Keele Street fire station to use the inhalator.

Richmond Hill Firemen were mainly busy doing fire safety inspections last week. Their only call was to a grass fire at 4 pm May 27 along the railroad track north of the Elgin Side-road.

On the evening of June 1 there was a big fire and a lot of firemen on Jane Street, a mile south of Sherwood Side-road. But this was really a demonstration of fire fighting techniques and a practice session for the Vaughan Fire Department, both regular men and volunteers.

A vacant house was being burned with the owner's permission. There was also a demonstration of the use of chemical foam in firefighting.

WILLOWDALE: Lindsay Watt, Georges Vanier Secondary School student, won a \$50 third prize in the Ontario secondary school physics examination of the Canadian Association of Physicists. A total of 618 students in grades 12 and 13 participated in Ontario. The contest is Canada-wide but each province sets its own examination. Three faculty members at the University of Guelph set and marked the Ontario papers.

2 Teenagers Remanded On Kidnapping Charge

Two teenagers faced charges of kidnapping and robbery in Richmond Hill Provincial Court May 28. Jacqueline Horth of 116 Sherbourne Street, Toronto, and Robert Robidoux, 18, of no fixed address, were charged with forcibly seizing John Terence Rogerson of 216 Douglas Street, Stratford, May 27 in Markham Township and robbing him of his money.

Robidoux was only released from Guelph Reformatory two weeks earlier, the court was told. The pair were remanded in custody until June 2 without bail by Judge William Campbell. Robidoux told the court he had no parents. The charges were laid by Detective Douglas Tribbling of the Markham Township Police Department.

Two teenagers were brought to Markham Township Police Station from Lindsay May 27 by Detective Tribbling and Detective Robert Burbridge. This was after a high speed chase by Whitty and Lindsay OPP that ended with a car smashed into a store front in Lindsay.

The driver of the smashed car jumped into the Trent Canal and for a time refused to come out. When he finally did come out, he was arrested for dangerous driving.

Mr. Rogerson, a passenger in the smashed car, told police he picked up a pair of teenagers in Toronto to give them a ride to Stouffville. When they reached Markham Township the car was seized from him, he said, at what he thought by the feel was a gun in his back. An attempt was made to put him in the trunk of his car. Then his hands were tied, and untied later.

Mr. Rogerson said he was driven around the Newmarket and Stouffville area at high speeds, finally ending up on Highway 401, headed for Peterborough.

Rent-All, 41 Yonge Street North. The pump was left outside overnight beside the firm's building in the Agincourt Plaza. Burglars forced entry to Our Lady Queen of the World Church, Bayview and Crosby Avenues, sometime prior to May 30. Religious articles, including some small crosses and statues valued at less than \$50, were stolen. Markham Township Police still have this incident under investigation.

A woman who apparently was a short change artist managed to get away with an extra \$10 from the Allencourt Pharmacy at Markham Road and Bayview Avenue May 29 at about 7.10 pm.

At Boyd Conservation Area three purses were rifled and small amounts of money taken in each case on May 30. On May 29 a Hillside Avenue woman had \$30 taken from her purse while she was mowing her lawn. There was \$500 worth of vandalism May 30 at Roselawn Public School when empty beer bottles were thrown through many windows.

Catholic Teachers Picket

When trustees of York County Roman Catholic School Board arrived for their regular meeting Tuesday night, they found about 30 of their teachers parading around the parking lot in front of the board's administration building on Dufferin Street in Richmond Hill.

Queried by the press, the teachers refused to comment. Said Teacher Negotiating Committee Chairman Robert Cooney of Newmarket, "Our message is for the board". Board Chairman Eugene Jacobs admitted, "We did not know they were coming until we got here."

He suggested that the picketing was "a show of strength" by the teachers who are impatient at the failure of board and teacher committees to arrive at an agreement on contracts for the 1970-71 school year. Chairman of the Board's Negotiating Committee, Gaspar Parent, Trustee for Newmarket, told "The Liberal" that both committees have agreed not to release information to the public until their proposals have been approved by the main bodies of the board and teacher association.

Negotiations are usually completed before the end of March, but Mr. Parent pointed out, there have been problems in arriving at contract agreements throughout the province. "We can only discuss," said Mr. Parent. "Our recommendations have to be ratified by the board and by the teachers before we can sign a contract."
