Showers
Monday evening of last week neighbors and friends gathered in the community hall for a miscellaneous shower in honor of Barbara Empringham and James Woodward, who are to be married shortly. They were assisted with the opening of their gifts by Mrs. Carman Henderson and John Wilson.
Barbara and James received many beautiful and useful gifts for which they thanked everyone.
During the social hour that followed everyone sang "Happy Birthday" to Mrs. Lillian Knapp, Barbara's grandmother, who was celebrating her 82nd birthday that day.
Lions Community Day
Tuesday evening of last week King City Lions paid their annual visit to Victoria Square and District Lions and enjoyed a delicious buffet supper. Guest speaker was Frank Donnelly, who gave a very interesting and humorous talk.
The local Lions are sponsoring a community day in the park and hall June 20 from 2 pm to midnight.
There will be a bake sale at 2 pm and the Lions would appreciate any donation of home baking, jams or preserves for this sale. For further information please phone Mrs. John Lee at 884-6601, Mrs. Norman Bell at 887-5454 or Mrs. John McCague at 887-5409. All proceeds will be used for community purposes. There will also be a baseball tournament, euchre, dancing, elimination draw and a chicken barbecue. Everyone is welcome.

The June meeting of the year.

Mkkm Outside Union Begins Contract Talks

At its meeting on June 1, council agreed that Deputy-Steward Rumble or Deputy-Steward Anthony Roman should join Township Clerk Harry Crisp in representing the municipality in contract negotiations with the township outside workers.
About 35 outside workers have joined the municipality's office workers as members of the Canadian Union of Public Employees, and were certified by the Department of Labor in April.
Negotiations with the inside workers were successfully concluded early in May, giving the office and clerical workers an increase of \$500 for the year ending in 1970. The increase was retroactive to the beginning of the year.

Markham Council Study Unionville Road Plan

The Police Village of Unionville has the support of Markham Township Council in its fight to preserve the character of its quaint and historic main street.
At a meeting of the Township Council June 1 it was agreed that the Department of Highways' plan for the widening of Highway 7 through Unionville should be approved, but that it withhold approval of the proposed improvements to Kennedy Road north of the highway.
It was pointed out that township approval is not required for the highway widening, but that it is needed for installation of culverts and curbs on Unionville's main street which would be required for a "throat widening" at the intersection to facilitate movement of left and right-turn vehicles leaving and entering the village.
Reeve Stewart Rumble asked if the decision would not come under the jurisdiction of the village trustees. Township Clerk Harry Crisp informed him that the trustees have responsibility for use and maintenance of roads in the village, but the township must deal with the Department of Highways.
Deputy-Reeve Anthony Roman told council the department's proposal would mean removal of boulevards and trees on the main street for a distance of 350 feet — about one block.
There was no seconder for a motion by Councillor William Masters that the Department of Highways plan be approved, and council agreed to turn the question of the Kennedy Road improvements back to the roads committee and committee of council.
Widening of Kennedy Road to four lanes south of Highway 7 has been completed, and an earlier plan to continue the widening has been shelved while the Department of Highways studies alternative plans for a re-routing of Kennedy Road north to bypass the village.
Proposals have been put forward for such an extension to the west of Unionville in the Varley Village area.
Unionville will cease to exist
