

BRENDA CRITCHLEY  
Graduate Nurse

Convocation Hall, University of Toronto, was the scene May 25 of the graduation exercises of the Atkinson School of Nursing, Toronto Western Hospital.

Among those graduating was Brenda Louise Critchley, daughter of Mr. and Mrs. James Critchley, Oak Ridges, and a graduate of Bayview Secondary Richmond Hill.

It was an eventful weekend for the graduates with a mother and daughter tea given by the hospital on Sunday and a banquet for fathers and daughters on Monday at Ed's Warehouse, Toronto.

Brenda was also the guest of honor at a dinner given by her parents at the Villa Restaurant in the Colonnade, Toronto. This was attended by members of the family and relatives from Guelph, London, Washago and Richmond Hill.

After completion of her nurse intern year Brenda plans to continue nursing in the Richmond Hill or Newmarket area.

## Vaughan To Hold Line On Local Hydro Rates

A recommendation that hydro rates in Vaughan Township be increased was defeated in a tie vote at a meeting of the township council on June 1.

At a meeting of the hydro committee on May 25, representatives of Central Region, Ontario Hydro presented forecasts of the financial position of the township hydro system with and without a rate increase and recommended that rates be increased by approximately six percent effective October 1. Hydro Commissioner Louis Wainwright moved approval of the report.

Deputy reeve Albert Rutherford seconded the motion, pointing out that cost of hydro to the township has gone up three times (wholesale) in the past five years. "But we have increased our rates to the public only once, and last year we had to ask Ontario Hydro to allow us to pay our capital deficit over five years instead of three."

He was supported by Councillor David Fraser. "It is essential to put our hydro on a sound working basis. There is no way we can go another full year without a hydro increase."

Councillor John Gilbert demurred. "We have reduced our deficit over \$90,000 with the existing rates. Why must we pay it all off in one year? I think another increase is a little bit much to ask when we are reducing our capital deficit at the existing rate. I would like it explained a little further, at the moment I am not prepared to support another increase."

He was supported by Councillor Gordon Risk in a motion that the recommendation be tabled for further study.

Reeve Garnet Williams agreed, "An increase now would be premature in view of the changes in political boundaries (of the municipality)."

## Honor Senior Citizen Herbert Smith On Occasion Of His 80th Birthday

Herbert Smith, 235 Yonge Street South, Richmond Hill, was the honored guest at a dinner party given by his family on the occasion of his 80th birthday May 30. A delicious turkey dinner was served to the 25 guests at St. Paul's United Church, Lake Wilcox, by the U.C.W.

Mr. and Mrs. Smith were pleased to have the former's only sister, Mrs. Margaret Ferguson of Ringwood, among the guests. Their only daughter Aileen (Mrs. Wallace Scott) and her husband and family from Dundalk and their four sons, Bert of Rockwood, Roy of Gormley, Leslie of Sunderland and Ross of Oak Ridges were all present. There are 13 grandchildren, all but one were present at the happy event. Murray Smith of Gormley is ill with the measles.

Mr. and Mrs. Bert Smith of Rockwood celebrated their 25th wedding anniversary in October, 1968, and this is the first time the entire family has been together since so they chose the occasion to present them with a "money-tree" bearing 25 shiny 1970 silver dollars.

Herbert Smith was born in Vaughan Township where he lived with his parents, Mr. and Mrs. William Smith until he

was 16 years old. The family then moved to a farm at Lake Wilcox and after Mr. Smith married he farmed on Concession 3 Whitechurch Township, where he played an important part in the life of Mt. Pisgah United Church. He has been retired in Richmond Hill since 1954. His home, flowers and gardening occupy much of his time. He enjoys very good health and takes a keen interest in his church, community, family and grandchildren.

His many friends wish him many more years of continued good health and happiness.

SCARBORO — Scarboro garbage men voted last week to go on strike after their union negotiators reported that the borough refused to match the pattern for wage settlements reached in Etobicoke and the City of Toronto.

Local 368 of the Canadian Union of Public Employees represents 500 garbage men and other outside workers for the borough.

CUPE locals representing garbage men in the city and Etobicoke approved new two-year contracts two weeks ago that will raise the gross weekly wages of a garbage man to about \$143 next year.
