

Dynes Win Welland Tourney; Drennan Best Hurler

BY FRED SIMPSON

Richmond Hill Dynes Richmond Hill Dynes Jewellers swept to three straight wins over the week-end to walk away with the week-long 17-team Welland Rose Fastball Tournament.

BILLY DRENNAN Top Tournery Hurler

Richmond Hill moved out in front to stay in the third inning scoring two runs. Mickey Hancock popped to second but Kinnersly doubled to right field, while to third as Shortstop Mertlan bobbled Vere Small's ground ball, and scored as Les Downing singled through the hole into centre field. Small, who had stolen second base, also scored on the hit.

The Jewellers made it 4-0 in the fourth on Drennan's solo blast over the right centre field fence. Niagara Falls' Jeff Hartley reciprocated in their half of the same inning with a long shot over the right field barrier.

Niagara Falls threatened again in the sixth inning as Hartley walked, went to third on Alex Rankin's bloop double but died there as Drennan bore down to strike out Bob Collard to end the inning.

Richmond Hill added their three final runs in the seventh on a walk to Drennan, a double by Hancock, infield hit by Small, and a single by Boyne, plus two Niagara Falls errors.

After game presentations saw Hancock accepting the Labatt Trophy for being the best team in the tournament and Drennan receiving a trophy for being the most valuable pitcher.

Friday night's game against St. Catharines was a nipper all the way as The Jewellers trailed 2-0 going into the

sixth inning of the seven-inning game. The Jewellers scored three runs in that sixth inning on a comedy of St. Kitts errors and one single by Small. Drennan was the winning pitcher allowing four hits while striking out 11 batsmen. Dynes managed only four hits off the offerings of big Dick Balint.

St. Kitts opened the scoring in the first inning with two runs after one man was out. Bill Moore received a life when Small fumbled his ground ball to first, Billy Berg then doubled his home. Al Becker singled scoring Berg.

Drennan settled down after that and shut the opposition out the rest of the way.

Saturday's game against The Coachmen was another toughie all the way as two formidable foes, Domik and Dick, matched pitches through seven innings and into one extra inning. The Jewellers finally exploded to win.

Domik was an outstanding figure in this game as he managed to contain the St. Kitts squad most of the way. Richmond Hill had trouble with Dick during the seven innings as he allowed only four hits before weakening in that fatal eighth and giving up two, one being Kinnersly's game-winning blow.

Richmond Hill opened the scoring in the second inning as Joe O'Neill doubled and Bob Smith singled his home. St. Catharines tied it in

the fourth when Domik threw badly to first on Den Tylee's easy grounder. Tylee then stole a base and came home as Ken Hodgins singled.

The score remained that way until the eighth inning when with one out Catcher Larry Brown singled, stole second, and third. Domik struck out but Hancock walked.

Then came the Kinnersly dramatics as he pestered a Dick offering over the right field fence to win the game in dramatic fashion. Kinnersly had been having a miserable game up to this point having struck out six out of his last seven trips to the plate.

Without even knowing the strength of all of the 12 opposing teams I would have to say that in my opinion the Jewellers have to be favorites.

Why? For the simple reason that Manager Russell "Casey" Cripps has gone out and unashamedly assembled what amounts to an "all-star" lineup consisting of the best players in the Metro Toronto area which, you'll agree, is a big area. No bones about it, he came to win.

Some of these players (like Domik, Drennan, Downing, O'Neill, Hancock, Boyne, Small, etc.) have been with him for two or three or more seasons. Others like Bob Smith, Derek Kinnersly, and Gary Jodrell are products of the Beaches League of last season and all are top players.

Some of these players (like Domik, Drennan, Downing, O'Neill, Hancock, Boyne, Small, etc.) have been with him for two or three or more seasons. Others like Bob Smith, Derek Kinnersly, and Gary Jodrell are products of the Beaches League of last season and all are top players.

Sport Spots

By Fred Simpson

Now It Begins

If you've got any doubts, just cast them aside brother. No doubts about it. This will be the single biggest weekend (Friday, Saturday and Sunday) for softball in Ontario for 1970 and the action will all be happening in Richmond Hill.

Starting tomorrow (Friday) at 7 pm a total of 13 teams from various corners of the province will start knocking heads in the OASA All-Ontario Elimination Tournament to decide who will participate in the All-Canadian Tournament in Edmonton later on this summer.

Pressure will be the thing all the teams will have going for or against them and don't bet your last peso that the team with the strongest lineup will win it. The ability to stand up to pressure doesn't necessarily walk hand in hand with ability.

And facing that initial pressure will be The Richmond Hill Dynes Jewellers who will be kicking off the tournament at 7 pm against Seven-Up Shopsy's of The Beaches Major Fastball League.

What follows here is strictly my own, undoubtedly prejudiced but hopefully not blind assessment of the Jewellers' chances. I might add that there's all the likelihood in the world that I don't know what I'm talking about. That's why I never listen to myself.

Without even knowing the strength of all of the 12 opposing teams I would have to say that in my opinion the Jewellers have to be favorites.

Why? For the simple reason that Manager Russell "Casey" Cripps has gone out and unashamedly assembled what amounts to an "all-star" lineup consisting of the best players in the Metro Toronto area which, you'll agree, is a big area. No bones about it, he came to win.

Some of these players (like Domik, Drennan, Downing, O'Neill, Hancock, Boyne, Small, etc.) have been with him for two or three or more seasons. Others like Bob Smith, Derek Kinnersly, and Gary Jodrell are products of the Beaches League of last season and all are top players.

TOPS — ON 'PAPER'

In other words, on paper (that horrible often misleading word) the Jewellers haven't got a weak spot. Most lineups have three or four dangerous clubbers with the bottom three or four more or less weak stickers. They hope the big hitters come up at the right time.

Not so the Jewellers. Every man in the starting lineup (including especially Pitcher Domik who can be the most devastating of all with his drives when he's hot) can break up the ballgame. To run quickly down a recent lineup: Hancock, Kinnersly, Small, Downing, Boyne, O'Neill, Smith, Dickey, Domik. Can you find a really weak spot, hitting or otherwise in that line up?

To go a step further, Dynes have not only power but speed as well which is a rather unusual combination. How many teams can boast a combination of speedsters like Kinnersly, Hancock, O'Neill and Dickey? Wager not too many.

Pitching? I think you'll find it a difficult if not impossible chore to locate a two-man pitching combination the like of Domik and Drennan. Sure,

(Continued on Page 14)

LET'S PLAY TENNIS

By Eric Girdler

Phone 884-1605

Richmond Hill Lawn Tennis Association

Sunday was Father's Day, but in Aurora it was the Centennial Tournament Ladies' Doubles. Richmond Hill pairs made a good showing, with the duos of Judy Litt and Peggy Freeman, Lou Holland and Joan Freeman and Eleanor Lloyd and June Beck going to the quarter-finals, Joy August and Monica Vermeulen went to the semi-finals, bowing out 3-6, 6-2 and 2-6. Well done, ladies.

On the subject of tournaments those perennial top seeded players Judy Litt and John Marais went to the semi-finals in the inter-county mixed doubles. Congratulations!

The courts seem to be thronged all the time as more people start to put into practice the things they have learned in the lessons from the professionals. There will be a junior round robin soon, the date of which will be announced in this column next week.

In the general area of "To whom it may concern", we should point out that club rules are most explicit on two points — whites will be worn on court and when people are waiting singles will not be played and matches will be limited to a short set (first side to reach six games) or 30 minutes, whichever is first.

Here are the week's team scores: Inter-county: Richmond Hill vs. Central Park — men's doubles, Phil August and Walter Winnick 6-5, 5-6, 6-4; Dennis Stainer and Peter Wenzel 6-3, 5-6, 6-4; Henry Smith and Martin Sharkey 6-4, 2-6, 5-6. Mixed doubles, Monica Vermeulen and Kieran Lennon 6-1, 6-4; Joy August and John Beck 6-0, 6-1. Ladies' doubles, June Beck and Eleanor Lloyd 6-2, 6-0.

Our North York Team received its second rude shock in a row, losing to Barrie four matches to six. Here is the sad news:

Men's doubles, John Marais and Sam Malcolmson 5-8; Frank Robinson and Sam Malcolmson 8-2; Bob McKee and Owen Richards 6-8; Ian Adamson and Owen Richards 4-6; Ladies' doubles, Lou Holland and Joan Freeman 2-8; Judy Litt and Irma MacMillan 2-8.

Mixed doubles: Joan Freeman and John Marais 3-8; Frank Robinson and Judy Litt 8-4; Bob McKee and Lou Holland 8-4 and Irma MacMillan and Ian Adamson 8-6. There will be a special bonus June 30 as there will be no home match that night. See you at the courts. The inter-county team will meet at the car park at 6:30 pm.

IMPORT Auto TALK

—IAN NEILL

Popular Imported Cars Magazine discovers Datsun 1600

How do first-time Datsun drivers react when they take the remarkable Datsun 1600 sedan out on the road? This is a typical reaction by a man who really knows cars. Alex Walordy said this when he set out to thoroughly test the 1600 for Popular Imported Cars Magazine: "It's amazing how little you get for \$3,000. A very pedestrian automobile with trim looks, mediocre handling and nothing much to recommend it. Now, on the other hand for \$2,000 you can get considerably more. Would you believe an overhead cam engine, disc brakes and a car you can't shake loose from the road? It all comes in a package called the Datsun 1600."

"We undertook a road test of the car without any particular anticipation, just another import we thought. Then we discovered the Datsun will keep up with anything you'll see on the open road. It will reach 20 mph in first, 40 in second and 70 in third. Top speed on a comfortable cruising basis is 85 but 100 can be reached if you give it a little time. And yet, this machine, driven in traffic, or on a road in a rather aggressive manner will deliver 30 miles per gallon in town and probably an extra couple of miles when operated in a slightly saner fashion."

On safe handling... "It is virtually impossible to shake the Datsun sedan from the road. You just corner faster and faster, and yet the rear just hangs on without a trace of breakaway. We took our little machine out to the Orange County Raceway where Bob Bonardur was running a sedan class driving school and wrung it out for all it was worth. You can drift, and with a little trick for on the brakes and steering, a slide can be made just momentarily, but then it doggedly regains its road grip. All this, mind you, was with a pleasantly cushioned suspension, and a steering which is always responsive to your wishes. Ride with one wheel on rough pavement and there is no trace of fight or kick. Go through a series of sharp evasive manoeuvres and the steering wheel promptly returns to centre any time you let go of it."

"One by-product of the independent rear suspension is that traction on a wet road is completely even, unlike that of a car with a straight axle housing where the right rear tends to lighten up more than a left rear."

On safe brakes... "We contend that if you work at it long enough any brake will fade, but cruising with a Datsun around the L.A. canyons we used and abused the "Akebono" disc brakes without any signs of ill effect. These disc brakes are distinguished by a number of features, not the least of which is that they come as standard equipment, included in the \$2,000 price. Also, unlike any disc brakes we have ever seen to date, they are designed to provide a small amount of servo action (the forward motion of the car helps to energize the brake, reducing the amount of pedal pressure needed)."

"BUY IT AS A SECOND CAR AND YOUR FIRST MAY GO UNUSED"... Track & Traffic This is how the article was summarized in their Feb. issue. However if you would like to see for yourself rather than read about our great product, you are very welcome to drive one at our dealership without any obligation! I will look forward to meeting you!

Auto Body Hangs Onto 4th Place Whips Aces 8-5, Ties Aurora 2-2

Richmond Hill Auto Body held onto fourth place in the Richmond Hill and District Major Fastball League last week with an 8-5 win over Markham Aces and a 2-2 tie against Aurora Merchants.

The Aurora game in Aurora was a pitching duel between the Hill's Bob "Fireman" Kennedy and the Merchants Ron Lahey. Kennedy gave up nine hits and struck out three while Lahey surrendered seven hits and struck out five.

Richmond Hill took the lead in the opening frame with a run as Bruce Buchanan walked, was sacrificed to second by Mike Thompson and came home on Moe Williamson's single.

The Bodymen added their second run in the following inning on a single by Pete Gould and a double by Kennedy and then attempted to protect their lead for the balance of the game.

Aurora tied the score in the sixth with two unearned runs. Dan Lahey was safe on an error, R. Lahey singled and the next two batters were retired. D. Lahey scored on an over-throw and R. Lahey came home on the second infield out.

Doug Cook of Aurora had four hits but failed to score as no other player garnered more than one hit off Kennedy.

On Sunday evening Kennedy was on the mound again as the Bodymen hosted Markham and he picked up his third win of the year spreading nine hits over the route.

The Hill jumped into a 1-0 lead in the second as Steve Wood walked, was sacrificed to

second by Ian Oliver and scored on Pete Gould's single. The Bodymen added three runs in the third with Williamson and Oliver contributing key hits.

Markham scored a run in the fourth on Ken Aird's home run. It was the first homer off Kennedy this season.

Richmond Hill retaliated with two runs in their half of the fourth to increase their lead to 6-1. Kennedy led off with a single, was sacrificed to second by Gord Wright and scored on Mike Thompson's single. Thompson advanced to second on a wild pitch and scored on Williamson's single.

Markham added two runs in the fifth on two errors, two singles and a walk, to make the score 6-5 in the sixth on three singles and an error.

The Bodymen closed out the scoring in the seventh as consecutive singles by Gould, Kennedy, and Wright produced two runs.

Thompson and Gould led The Hill at the plate with three hits each while Kennedy and Williamson contributed two. Williamson maintained his hitting streak, having hit safely in all nine league games to date.

Richmond Hill Auto Body will host Unionville tonight (Thursday) at 8:30 and then take the weekend off to assist in the running of the All-Ontario Senior elimination tournament at the town park.

Three For Jim Henry Rangers Whip Barrie

Jim Henry sparked The Richmond Hill Soccer Rangers to a 4-1 win over Barrie Saturday in a bruising game.

Several Richmond Hill players were on the limp following the hard-hitting contest. Henry scored twice and Will Anderson once in the first half to give the Rangers a 3-0 lead.

Richmond Hill surrendered a score in the second half when Goaler Eric Stohr accidentally deflected a shot into his own net.

About 10 minutes from the end of the game Jim Henry completed his hat trick with a well-aimed header.

The Rangers play this Saturday against Orangeville Athletics at Langstaff Secondary School. Kick-off time is 6 pm.

NHL Players To Vie At Golf Tournament

New York Rangers Vic Hadfield and Philadelphia Flyers Gary Dornhoefer are the only scratch golfers in the Second Annual American Airlines Golf Tournament for National Hockey League players. Chicago Black Hawks ace Stan Mikita gets in with a four handicap.

The 54 hole tournament will be played over the demanding Board of Trade Country Club course, in Woodbridge, beginning today (Thursday) and lasting to Sunday. Forty-eight of the top NHLers — four from each of the 12 established clubs — plus last season's winning duo of Bobby Baun, Detroit, and Gump Worsley, Minnesota, will take part.

Proceeds go to the Variety Club of Ontario.

Invitational Trebles

London Rink Is Winner Lawn Bowling Tournery

The fourth annual Invitational Trebles Tournament at Richmond Hill Lawn Bowling greens, Saturday, brought 34 rinks from all over the province from Detroit, Michigan and Niagara Falls, New York, to participate in this top-rated event. Included were three rinks from the local club, none of which shared in the prizes.

Winner of the tournament was the rink skipped by Ron Jones of London with three wins and a score of 55. For this stellar performance each bowler received a sports jacket.

Second for three wins was Bill Wigmore, IBM Club, Toronto, with a 54 plus 2 score and third was Doug Wilson of Aurora with 54. In the fourth and final spot for three wins was Jack Twining of Leaside with a score of 49. Mr. Twining has skipped a rink in each of the four tournaments sponsored by the local club and has yet to lose a game.

High for two wins was Jim Watkins of London, with a score of 53. Included was a nine-ender (the maximum possible) against Harry Brammer of Stouffville. Second for two wins was Tom Smith of Niagara Falls, New York, one of the two entries from the USA.

In first place for one win was Don Stephan, Burlington, 46 and in second place was Charles Parr of Windsor, 44.

Mayor William Lazenby officially opened the tournament which got underway at 9 am and continued until 10 pm. The weather was ideal for bowling and the greens were in top condition. All participating bowlers did full justice to a hot roast beef dinner served in the clubhouse by members of the ladies' section of the club.

Town of Richmond Hill By resolution of council passed at a meeting held June 1, I hereby proclaim JUNE 21 TO JUNE 27
