Forty-four members of St. Gabriel's Anglican Couples' Club enjoyed a season-closing steak barbecue last Saturday evening in the spacious grounds of Don and Helen Snider on 19th Avenue.

Dinner was followed by a sing-song and charades around a big bonfire.

Hosts for the evening in addition to the Sniders were Mr. and Mrs. Bob Gilpin and Mr. and Mrs. Blevin Jackson.

After the summer vacation period, the Couples' Club will resume its fourth year of activities, starting in September.

The CWL of Our Lady Queen of the World Parish held its final meeting for the season June 17.

Mrs. Frank Murphy gave a report on the membership and President Mrs. Con Thompson reported 150 pints of blood were donated at the Red Cross Blood Donor Clinic in May and thanked all the workers involved.

The parish invites everyone to attend a full length movie "A Man Called Blatstone" this Saturday, June 27 at 1:30 pm. Come and enjoy the hilarious adventures of Fred and Wilma — admission 25¢ for both adults and children. All proceeds will go towards the fall bazaar on October 17.

Mrs. Harry Bryan announced the rummage sale held in May was a great success and that there will be a clothing blitz in October for the missions. Any type of clothing would be greatly appreciated for the Indians and Eskimos — please take your donations to Mrs. Bryan's home, 256 McConvey Drive, or phone 884-2659. Clothing has already been collected for the earthquake victims of Peru.

Mrs. Helen Featherstone reported the bridge marathon was a great success. President Thompson announced that the national convention for "Development and Peace" will be held September 14 - 19 and that two members will go on the three-mile walk, as well as Father Francis Robinson, who has consented to walk on September 16.

President Thompson then made a presentation of a cup and saucer to Mrs. Vincent Hanna, past president and very active member, who will be leaving the parish during the summer holidays. Best wishes were extended to Mrs. Hanna and family and the meeting closed with a tea party held in her honor.

Local Welfare Officer Norman Lewis and Mrs. Lewis were recent visitors in town. During the past 15 months Mr. Lewis has been the administrator of the Teck Pioneer Residence at Kirklund Lake.

The Lewises were passing through town on their way to Chatham where Mr. Lewis is to take up his new duties as the administrator of the newly built St. Andrew's Senior Citizens' Residence sponsored by the United Church.

Douglas and Edith McColl and children Nancy and Heather of Fauna Avenue spent a most enjoyable weekend attending the wedding of Mr. McColl's nephew, David Paradine, son of Mrs. Grace Paradine of Waterloo, to Carolyn Gould, daughter of Mr. Clarence Gould of Ottawa, which took place June 13 at the Canadian Forces Air Base, Uplands.

Following the reception, held in the Renaissance Room at the Chateau Laurier, the couple left for a honeymoon in Vancouver.

Other out of town guests were from Waterloo, London and Montreal.

The McColls spent the weekend at the Chateau Laurier and returned home Monday evening following a bus tour of Ottawa.

On Wednesday evening June 10, Richmond Hill Kinette and Kinsmen Clubs accompanied by hamburger chef (Kinsman Roy Swanson) went to the Villa Hospital, for an evening of singing and music provided by the guitar and voice of Kinsman Tom Hetherington. This was in recognition of the wheelchair patients who participated in the Cerebral Palsy March to Toronto to Christie Pits June 6.

The wheelchair patients, who canvassed the staff and friends of the Villa to sponsor them in the march, received tremendous support from all concerned. One of the patients, Dennis Borrowsky decided to contact the Kinette Club to sponsor him, and they gladly accepted the challenge in the amount of \$25. This was made up by donations from the Kinettes' husbands, and a club donation of \$10 a mile.

After being taken to within three miles of their destination, the wheelchair patients were on their own, apart from pushers, members of the Youth Corp of Our Lady Queen of the World Roman Catholic Church. Bus driver Tom Beatty and his daughter provided transportation.

During the march they met Bobby Hull, George Chuvale, Johnny Wayne and other stars and dignitaries of the world of sports and entertainment.

Those participating in the march were Jean Hamilton, Maurice Hamilton, Nancy Dewell, Susan Philbrooke, Gordon Snider, Terry Becker, Bruce Plunkett, Allen McNaughton, Mavis Lacey, Dennis Borrowsky, Beverly Charbanick and Shirley Ann Young.

Kinette President Laurene Swanson presented the proceeds from the march to Dennis at the party and he donated the money to Participation House, a cerebral palsy project for the building of a hospital in Markham. The total sum collected was \$258.58 with the Kinette and Kinsmen Clubs donating nearly \$130 of this amount.

Mrs. Blevin Jackson of 430 Fernleigh Circle North entertained at a bridal shower for Miss Mary Ann Seltzer, daughter of Mr. and Mrs. Russell Seltzer, 115 Evanhill Crescent.

Mary Ann, who received many lovely gifts, is being married September 12 to Scott Cooper, son of Mr. and Mrs. Don Cooper, 230 Altamira Road.

The last meeting of the East Central Branch of the YCHA held June 9 took the form of a dinner at Highway 7 and Keele.

Twenty-three members were in attendance and the evening concluded with a game of cards. Meetings will now be adjourned until the fall.

It was a red letter day Tuesday for Jack Adams, 376 Bluegrass Boulevard, when he and his wife welcomed his brother Victor and his wife, from Poole, Dorset, England. This was the first time the two brothers had seen each other in 42 years.

The Adams family came to Canada in 1911 and settled in Nova Scotia, where Victor was born. On the father's return from service in World War I, the family returned to England in 1919. Jack then came back to Canada in 1924 and made one visit to England (in 1928). This was the last time the brothers had seen each other.

The reunion promises to be a very happy one as the sisters-in-law and brothers-in-law get to know each other and the brothers catch up on 42 years of chit-chat.

Recent visitors at the home of Mr. and Mrs. Thomas Sanford, Lennox Avenue, were Mrs. Charles Beal, Mr. and Mrs. Sidney Matthews, James Matthews and Miss Christine McGowan, all of Dorling, Surrey, England.

All relatives of Mrs. Sanford, they came to Canada to celebrate the 25th wedding anniversary of Mr. and Mrs. Sanford, held at a private club in Willowdale.

Also attending were Mr. Sanford's relatives Mr. and Mrs. Ross Jarvis, Victoria, B.C., Mrs. Robert Hendry, Sault Ste. Marie of Ottawa, and Mrs. K. Colbourne of Ottawa.

Other out-of-town guests were from Lindsay, Oshawa and Toronto.

Mrs. Sanford looked lovely in a gown of iris blue with matching accessories and an orchid corsage. Mrs. Rhoda Matthews, matron of honor in 1945, wore a blue floral chiffon gown. Mrs. Beal was gowned in black velvet with silver accessories. Miss McGowan wore a pale blue chiffon gown and Mr. and Mrs. Sanford's daughter, Mrs. Charlepe Chisholm, was gowned in multi floral on a white background.

Brother-in-law Sidney Matthews acted as master of ceremonies and proposed the toast to the guests of honor. Cocktail and dance music was provided by the Freddy Bird Trio.

During their three week stay, the English visitors travelled extensively through Ontario and New York State. Among the places of interest visited were Niagara Falls, Buffalo, Midland (the Martyrs Shrine, Ste. Marie amongst the Hurons, Indian Village and Museum), historical areas around Lake Simcoe, Pioneer Village, Toronto and the Kawartha Lakes area.

St. Andrew's Folk Choir from London, Ontario, will be leading in a Folk Mass at St. Mary Immaculate Roman Catholic Church, Yonge Street North on Sunday next, June 28 at 4 pm.

An invitation is extended to all who may wish to hear this choir, who are making a return visit to Richmond Hill, following its participation in the Ecumenical Service at the church last January.

The choir, which has made many recordings, is considered one of the best in Ontario.

The Chassie Court garden of Pat Tearne was a cool and quiet setting for the June meeting of the Presbyterian Mary and Martha Guild last Wednesday evening. The devotionals were conducted by Mae Hepburn, who is a Cub Akela. She used the inspirational worship service prepared for a Cub's Own at camp the previous weekend.

Several items of business were discussed, including catering for a September wedding. As a summer project members will make quilt blocks. Strawberry shortcake was served as a delicious finale to the season of meetings and church work.

Tours Highlight Belgium Holiday

Mrs. Russell Fleming of 421 Balkan Road, returned recently from a two week vacation in Belgium spent visiting her parents, Mr. and Mrs. Jan Constant De Vriendt in Schoten, and her sister and brother-in-law, Mr. and Mrs. Edward Tavemans in Mariaburg.

The beauty of wild rhododendrons in full bloom along the wayside and ideal weather made a perfect holiday setting for sightseeing trips to Rotterdam and Bergen-op-Zoom in Holland, and a shopping trip to the open market in Putte.

The Royal Antwerpse Zoo, established in 1844 and renowned for its beautiful setting, landscaping and floral beds, was the scene of an all day visit, while another day was spent visiting the open-air museum at Bokrijk, Limburg, where reconstruction of farmhouses, semi-subterranean huts, chapels and windmills of the 15th-18th century has been carefully undertaken with examples of accessories and household effects of the entire Flemish culture.

Demonstration of early crafts and the manner of farming methods could perhaps liken this museum complex to our own Pioneer Village.

Mrs. Fleming, a member of the staff of the Richmond Hill Public Library, is, like all staff members, in libraries in other countries, and when it was known that she was a member of a library staff in Canada she was given a tour of the Hendrick Consue Stad Bibliotheek — built as a monastery in the 14th century and containing the largest collection of works by Flemish authors in the arts and sciences.

Of special interest and proudly shown, was a hand-printed volume completed by a monk in the 15th century, hand drawn pictures decorating every page and each paragraph inlaid with gold leaf. And finally a visit and tour of the public library in Antwerpen where the librarian was most surprised to learn that our own local library actually employed female staff — the town of Antwerp employs only male librarians!

Since her last visit three years ago, Mrs. Fleming noticed several innovations, including the tearing down of old homes for a road widening program, the building of a subway and the changing skyline with high rise apartments and office buildings.

Thirty-eight members of Richmond Hill Senior Citizens' Club spent three days last week attending the week-long Senior Citizens' Conference at North Bay. The Golden Age Club of that northern city hosted more than 400 seniors from Ontario and Quebec during the week.

The local group enjoyed the warm northern hospitality, which included a boat trip on Lake Nipissing and the French River, as well as the interesting business sessions.

There will be more information on this annual conference in a future issue of "The Liberal". This week, the local seniors have a full program of events, in recognition of Senior Citizens' Week.

Mrs. Margaret Appleton arrived on Monday from Chelsea, London, England, to spend the summer with her daughter and son-in-law Bridget and Danny Douglas-Crampton and family, at their country home in Maple.

Ted Redelmeier, a student of Trinity College School, Port Hope, returned on Wednesday last from 10 days in Bermuda, playing on the school's cricket team.

He is the son of Mr. and Mrs. Francis Redelmeier, Don Head Farms.

Alex and Barbara Patterson of Florida, left on Sunday following a short holiday at the home of Terry and Jo-an Bullen, Essex Avenue.

Former residents of Benson Avenue, the Patersons saw many old friends during their stay before returning to Miami, where they have lived for the past six years.

A. H. Gabb arrived Monday evening from Wraxall, Somerset, England, to spend the summer with his daughter and her husband, Margot and Gerry Crack of Leonard Street.

He was accompanied on the flight by Mrs. Crack's niece, Miss Sally Coombs, daughter of Mr. and Mrs. James Coombs, also of Somerset, who is making her first trip to Canada.

Arriving on Thursday from London, Ontario, will be Louise Monks, daughter of Mr. and Mrs. Harold Monks, Woodlane, who has spent several years working in France and England. Accompanying her to Canada will be Antony Whitney of London, journalist, actor and photographer, who hopes to make a movie during his stay, using the Canadian countryside for location shots.

A surprise bridal shower was held last Thursday evening for Miss Grace Barnes, whose marriage to Rick Chalkin takes place July 18 at Trinity Anglican Church, Aurora.

The shower, held by the groom's sister, Mrs. Gerry Batten at the home of their parents, Mr. and Mrs. A. Chalkin on Westwood Lane, was attended by 32 guests and the bride-elect received many beautiful gifts for her new home.

Corporal William Maurice Ruthven, son of Mrs. Beatrice Ruthven of Huntsville, has been promoted to the rank of sergeant in the Canadian Armed Forces.

Sergeant Ruthven, who first entered military service in 1943 is currently posted to CFB North Bay, Ontario, headquarters for the 22nd Norad Region.

He is married to the former Norma Elizabeth Cox, whose mother, Mrs. Gertrude Cox, lives at 39 Beaverton Road.

Our Lady Queen of the World Roman Catholic Church held its annual picnic Saturday afternoon at the Perpetual Help Pool in Elgin Mills.

The highlight of the day was the draw and lucky winners of \$50 bills were Stacey Ryan, Mrs. Joan Osborne, Kim Dickinson, Bill Kleibermink, Bert Doedens, Rosemary Bransfield, Helen McKenna, Jack Hayes and Angela Fordsike.

After several years without an organized group of parents, Walter Scott Public School will have such a group for the school term of 1970-71. Recent names on the executive committee were Mrs. June Kirby, Mrs. Dorothy Matheson, Mrs. Donna Teetzel, Mrs. Isabel Langlois, Mrs. Margaret Lewis, Mrs. Eleanor Strain and Mr. and Mrs. David Taylor.

The new group will not play the traditional role of a parent-teacher organization, but an attempt will be made to have them share in setting the philosophy of the school.

Wondering why the bells have not been heard on Sunday mornings at St. Mary's Anglican Church for the past couple of months?

The reason is that the amplifier was stolen and although recovered shortly afterwards, some of the wires were cut and have taken time to be repaired. It has also been decided to replace the 78 rpm record player with a tape recorder to supply a much wider selection of music and to move the whole apparatus to a safer place.

However music should be heard again in the very near future.

Park "Y" Day Camp this summer features an overnight campout at Richildale and a bonfire program for parents' night on the Mill Pond Campsite.

Camp sessions are July 6-17 and July 20-31 and the cost per camp is \$12 for Richmond Hill boys' and girls and \$14 for out-of-town youngsters.

Call the "Y" at 884-4811 for further information.

Knights Of Columbus Support YCAMR

The work with retarded children and young adults locally has been supported recently by generous donations from clubs and individuals. Amongst recent gifts to the York County Association for Mentally Retarded was a cheque for \$450 from the Georges P. Vanier Council Knights of Columbus on May 28.

In the above picture taken during the presentation the representatives of the YCAMR are on the left and the representatives of the Knights of Columbus on the right. Left to right, representing YCAMR are President Dr. Arnold Arai, Publicity Chairman Leah Stephenson and Chairman of the Residence Building Committee Joe Dwyer, who has been doing ground work for a residence project. Representing the Knights are (in the same order) Grand Knight James Doran, Financial Secretary Gordon Dodd and Trustee Ray Fitzgerald.

R. H. United Church

The guest preacher at the Sunday morning service was Rev. Lora Carlson, executive director of Cedar Glen and an elder of the congregation.

The Couples' Club will meet this Friday for a splash party at Cedar Glen. Members may meet at the church at 7:30 pm or go to Cedar Glen.

The annual Strawberry Festival held by the AOTS Men's Club will be on Thursday (June 25) in the main hall.

Plan to take all the family and enjoy a delightful summer fare of strawberries, ice cream and cake — all for \$1 adults, 50¢ for children.

Ten pupils of McConaghy Public School have been on the march — in a marathon walk, two miles south of Steeles, with two of the group continuing to Toronto City Hall.

The walk, which they organized and found sponsors for, was in aid of Thornhaven School for Retarded Children, and on Wednesday two of the walkers, Carla Ground and Janice Mariorana presented a \$100 cheque to the school.

Others taking part were Mark Street, Dean Burton, Laurie Short, Tracy Mitchell, Debbie Jolicoeur, Robert Willis, Ron Snider and Chris Barry.

Their school and parents are justly proud of their fine effort for a very worthy cause.

Guide and Brownie Uniforms All mothers of growing girls in the Guiding movement are asked to take note that the YWCA Resale Shop at 25 Yonge Street North will be handling Guide and Brownie uniforms this fall.

If your daughter has outgrown her new style uniform, or is through with it, keep it on hand to take to the "Y" Resale Shop early in September. The shop will be closing shortly for the summer, so please hold. This should be a real asset to those shopping for a first outfit, as well as helping to refit the current Guides and Brownies.

The "Y" has also agreed to act as a collection depot for the old style Guide and Brownie uniforms and accessories (not for sale of course). York area will send these uniforms to companies and packs in outlying regions, where many of the girls have never had a uniform of any kind. This spring the 1st Richmond Hill Brownie Pack sent uniforms to Brownies at McKenzie Island in Northwestern Ontario and have since received a heartwarming and appreciative reply. Your help would be appreciated too.

If you have never visited the "Y" Resale Shop, make a point of dropping in to look around when outfitting your family for their fall wardrobe.

The Recreational Guild of Culture is holding a grand reunion tonight (Thursday) in the Lions Hall for its many members through the years as well as for anyone else interested in attending.

The Guild is a non-profit organization which has been very active for 14 years and has sponsored many well worthwhile activities including a youth orchestra, recorder groups, a book library and a record library.

A new project is to be initiated. Many new ideas for the fall will be discussed with an ear to anyone who would like to suggest other recreational activities.

All organizations interested in sponsoring this effort for the community are cordially invited to attend.

Come to the Lions Hall, Centre Street East, June 25 at 8 pm for a sit-in!

Mrs. Neil Malloy Is

90 Years Old Monday

Mrs. Neil A. (Anne) Malloy, lifelong resident of this area, will be celebrating her 90th birthday June 29 at the home of her son Coulsen.

Born at Hope, Concession 4, Vaughan Township, in 1880, Mrs. Malloy was the daughter of Mr. and Mrs. William Thomas. Her father was an original subscriber to "The Liberal". Mrs. Malloy and her sisters, Mrs. William (Florence) Cook, Rosemar Gardens and Mrs. Meale (Bessie) Wilson of Maple have all been regular subscribers through the years and still read each issue with intense interest.

After her marriage to Neil Malloy, she lived on a farm on Concession 5 in Vaughan. On retirement from active farming, Mr. and Mrs. Malloy moved to Richmond Hill and lived for many years at 40 Church Street North.

Following Mr. Malloy's death in 1963, his wife lived for a time in an apartment on Traymore Drive, then four years ago went to make her home with her son, Coulsen Malloy, at 47 Wimpole Drive, Willowdale.

Mrs. Malloy was a tireless worker for the Red Cross in both World Wars and in the organizations of Richmond Hill Presbyterian Church. She is noted for her pieced quilt tops and is still supplying these at the rate of one or two a week for the Presbyterian Quilters, a group of women, who meet one day a week to work on the quilts. Their handiwork is a prized possession in many local and distance homes. To encourage members of the Mary and Martha Guild to learn the art of quilting she has also provided them with crib quilt tops.

The new nonagenarian has three grandchildren.
