

A happy, restful and peaceful two-week holiday at Blue Lake, Haliburton, was enjoyed by Deputy-reeve Ivan Mansbridge, Mrs. Mansbridge and their family.

Swimming, fishing and boating in Ontario's beautiful lakeland district filled the days of perfect weather, with only a little rain in the second week, making for a relaxed and restful vacation, Mr. Mansbridge reports.

Visiting them during the two week period were Mr. and Mrs. Denver Dyer and family and Mr. and Mrs. Carmen Johnson, all of Richmond Hill.

A guest last week with Rev. and Mrs. Fred Jackson, Hillsview Drive, was the latter's godson, Peter Swisher of Louisville, Kentucky, who has just returned from a year's tour of duty with the American forces in Vietnam.

In Vietnam he was in an administrative post in charge of land and water transport in Cam Ran Bay and was awarded the Bronze Star. He is British-born of Canadian parents.

His mother, the former Margaret Dixon, lived in the Richmond Hill area as a young girl and was baptized in St. Mary's Anglican Church.

Peter has his MA in English and history from Stamford University in California and now intends to study law.

Local Horticulturists Visited Beautiful Bone Garden In Thornhill

The beautiful garden of Percy Bone in Thornhill was visited by a large number of horticulturists from Richmond Hill and area July 7 prior to the annual delphinium, rose and lily show of the local horticultural society.

Orange and white lilies, flanked by zinnias, bordered the entrance to the large garden, where majestic delphiniums of soft blues, pinks and purples raised their heads above all other blooms. From the Knights of the Round Table delphinium stock, there were King Arthur, Sir Percival, Guinevere and other varieties just as spectacular.

Wide borders on the periphery of the garden displayed almost every seasonable summer flower, edged effectively by colorful marigolds and ageratum.

Near the patio, a plaque surrounded by dracinas, petunias and fuschias, bore the words: "The kiss of the sun, for pardon, The song of the birds for mirth, One is nearer God's heart in a garden Than anywhere else on earth."

R. H. Senior Citizens It was a glorious day for the club's trip to Niagara on Monday last.

After an unhurried stop for coffee at Gulliver's Travels, members were taken on a very enjoyable tour of Niagara-on-the-Lake. There was a short stopover at Seagram Tower and on reaching the park everyone went their separate ways for lunch and sightseeing.

An excellent supper awaited members at All Saints Church Hall and Mrs. May Hunt voiced the club's appreciation to the women of the church for preparing the meal.

A sing-song on the return trip concluded a "wonderful day". President Mrs. Grace Sayers would like to thank club members for their co-operation on being punctual at the buses for the outings that have taken place this summer.

During the next six weeks anyone wishing information about the club is asked to call S. MacPherson at 884-2886.

What's Cooking?

Almost everyone has a special dish which family or friends enjoy — why not share the recipe with our readers, be it main course, dessert or snack? Each week one will be published in this column — how about yours?

FRIED TOMATOES WITH SOUR CREAM SAUCE

Firm ripe tomatoes
Flour, all purpose
Butter, melted
1 cup sour cream

The number of tomatoes would depend on the size, also how large a serving for each person. Slice tomatoes a medium thickness, coat with flour. Fry in frypan with generous amount of butter over medium heat until brown on one side then turn carefully with spatula. When brown on second side and cooked soft, place on platter and fry more as required.

When required amount is cooked (more butter to be added as cooking goes on) pour sour cream into pan and cook slowly until bubbly. Pour over tomatoes on platter and serve at once. These are delicious with chicken. If more sauce is desired, extra sour cream may be used.

Rev. Allen Hallett, associate minister at Richmond Hill United Church, and his wife, Margaret, returned recently from a month's holiday in Great Britain.

The young couple left Toronto for London by Air Canada and spent the first four days seeing some of the highlights of that city. They then left London in a rented car for a three week tour — driving first to the south of England through beautiful Devon to Cornwall in the southwest. In Somerset, they stayed for two days with new found friends, Mr. and Mrs. L. C. Harris, at their lovely country home in Nether Stowey, then up through the Cotswolds to Stratford-Upon-Avon.

A highlight here was attending the opening performance of Hamlet at the Royal Shakespeare Theatre.

A trip into Wales followed, with a weekend visit at Elan Valley, in the hills of Central Wales, and two days at the coastal resort of Llandudno.

Touring through the Lake District of England, the Halletts then arrived in the Burns country of Scotland, staying in such picturesque villages as Thornhill and Luss, on the shores of Loch Lomond.

In Edinburgh they joined a tour, and visited many of the historic sites in the area — the Royal Mile, Edinburgh Castle, Holyrood Palace and St. Giles Cathedral.

A drive through East Anglia brought them back to London for the remaining five days of their holiday, during which they attended the theatre and joined a tour to Windsor.

Leaving London, Rev. and Mrs. Hallett flew to Nova Scotia, where they visited Mrs. Hallett's parents, Mr. and Mrs. D. Finlayson, for a week, before returning to Toronto to conclude a most memorable happy holiday.

Young In Years Tops In Talent

Although only 13 years old, Shirlene Austerberry is excelling in both sports and music — as a very talented member of the Richmond Hill and Newmarket Figure Skating Clubs and as an accordionist.

Last weekend, Shirlene, a student of Glen Sawich of Willowdale, competed in the National Music Festival at the Royal York Hotel, and in the senior "B" division received 93% and a silver medal, and in the senior division, 14 years and under, 92% and a bronze medal.

Shirlene, a member of the Willowdale Accordion Band, played in the intermediate division, which placed 2nd, and in the senior open (playing with musicians many years older than herself) which placed first.

Reverting to ice skating, Shirlene, who is working towards her 5th figure, will spend the month of August at the Toronto Skating and Curling Club training with her instructor Mrs. Judy Mullenoway of Thornhill.

To round off an exciting summer Shirlene has recently received her acceptance from St. Clements School for Girls in Toronto, and will enter grade 9 in the fall.

Rotary News

The speaker at the July 20 meeting of the Rotary Club was Barry Buchanan, the Richmond Hill student who the club sponsored for an "Adventure in Citizenship".

He gave members an interesting rundown on what he saw during his visit to Ottawa between May 11 and May 14. The tour consisted of many varied and interesting subjects and included a visit to the House of Commons and the Senate.

The Hon. Paul Martin explained the procedures of the Senate to Barry and his fellow voyagers, and Allistair Simms, one of the registrars of the House of Commons explained the workings of the House. This was followed by a lunch at which Speaker of the house Lucien Lamoureux gave them a further insight into the working of the government.

Barry attended two social evenings which gave him the opportunity of meeting the other voyagers from all provinces of Canada. Group discussions were also held, where many subjects including separatism were freely discussed and now, Barry says, he has heard first hand the attitude of the French-Canadian Separatists.

One of the speakers who addressed them was the Leader of the Opposition the Hon. Robert Stanfield, whose main subject was the pollution of the Arctic.

One thing that was learned was that the National Capital Commission has been very active in the last decade in planning and developing Ottawa into a city worthy of being a capital. It was noted that the Hull side of the river had not been given the same attention as the Ottawa side, but the voyagers were advised that this imbalance was now being rectified.

Barry returned to Richmond Hill at the end of his adventure a "real" Canadian. During his visit he had received his citizenship papers from the Deputy-Secretary of Citizenship. He expressed his appreciation to the Rotary Club for giving him the opportunity of having an "Adventure in Citizenship".
