Your correspondent wishes everyone to be aware of the fact that all material for this column must be in her hands no later than Friday morning of this week, due to the Civic Holiday Weekend.

Mike and Anna Granger and daughter Anita of Goodman Crescent, recently returned from a five day sightseeing trip to Ottawa.

While there, they watched the Changing of the Guard and enjoyed a tour of the Parliament Buildings as well as a tour of the National Arts Centre where they were impressed by the three and a half ton curtains, the two theatres and the opera house capable of seating 2,300 people.

They visited the Science Museum and the home of former Prime Minister MacKenzie King in the Gatineau Hills of Quebec.

Rather than a week at a cottage, the Grangers thoroughly enjoyed a holiday that was "different".

Almost each week we hear of tragedies of one kind or another, but it is not easy to find words to express the shock and deep sympathy felt by our entire community on the accidental death, July 19, of Mrs. Lester Downing (Peggy).

We know that the many friends of the family also wish to extend their hopes and prayers for an early recovery to Mr. and Mrs. Lester Downing Sr. both in hospital following the accident.

We were sorry to hear that both Mr. and Mrs. Bill Garthwaite were badly shaken up last week when their pick-up truck was struck from behind while they were stopped for a mail delivery. Bill says that a lot of the youngsters in the baseball league will probably be happy that he won't be out to umpire for a few weeks!

We received a bit of good news when we were told that Mrs. Ella Keffer is now out of the intensive care unit at York Central Hospital and feeling

quite perky. Her many friends will be looking forward to seeing her home again soon.

Dr. Earl MacNaughton has been appointed dean of the University of Guelph's new College of Physical Science.

Dr. MacNaughton has been associate dean (science) of Wellington College of Arts and Science since 1966. He also holds the rank of professor of physics and continues to devote a portion of his time to teaching in that department.

Born at Maple, the son of Mrs. Richard O. MacNaughton and the late Mr. MacNaughton, he attended the Maple Public School, Aurora High School and received his BA, MA and PhD degrees in physics from the University of Toronto.

Mr. and Mrs. Harry Ballinger, Keele Street South, have been busy entertaining and enjoying the company of Mr. and Mrs. Masaaki Matsuo from New York and the parents of Mrs. Matsuo, Mr. and Mrs. Robert Matson of Australia. Both couples visited last weekend, and the Ballingers intend to return the visit to New York in a few months.

Mr. and Mrs. Ballinger are also looking forward to a visit from a very dear and close friend and her family from their home town of Birmingham, England. Mrs. Dorothy Rogers and daughter Lorraine and son Brandon will be staying for the month of August, when the Ballingers have planned a full schedule of happy holiday events. Included is an afternoon garden party, August 15, with many guests and games, etc. planned to make the party a happy occasion.

They have plans for trips and a stay at Sparrow Lake as well, so that their visitors can truly enjoy their first visit to Canada.

Mr. and Mrs. Frank Steeles and children Jennifer and Carolyn of Lancer Drive have returned from a two week holiday at their cottage at Madoc near Belleville. They did some water skiing and sailing for a most enjoyable and relaxing summer holiday.

Mr. and Mrs. Fred Moynes and family have been enjoying company during the third week of the intensive care unit at York Central Hospital and feeling

and family of Coldwater, who visited for several days and returned home taking Gail Moynes home with them for a holiday. Mrs. Eileen Drury, a friend from Lindsay visited from Sunday till Wednesday and then Mr. and Mrs. Cecil Lumery of Port McNicholl arrived and stayed till Friday.

Mr. and Mrs. Fred Young and family, Laura, Libby and John, have returned from their holiday at "The Breakers", Southampton, followed by a few days with Jim and Pat James at their cottage on Georgian Bay, north of Parry Sound. It was a nice easy relaxing holiday, affording the family the rest they needed.

Mr. and Mrs. Jack Matthews and Robert, Goodman Crescent, returned last weekend from a wonderful holiday trip to the west coast in which they drove 6,100 miles. Mrs. Matthews particularly enjoyed the holiday with no beds or dishes for three weeks! They visited along the way with members of families on both sides, including a two-day visit with Mr. Matthews' brother Bob and family in Vancouver, who showed them around the city.

They stayed at Merritt, near Kamloops, BC, in the mountains, with sister, Bertie Birk and family who were preparing for their summer roundup on their ranch.

The Matthews spent a day in Banff, enjoying a ride on the gondolas and took in the Calgary Stampede. They visited with an uncle, Bill Stinson while in Calgary, and then to Edmonton to visit with cousins of Mrs. Matthews where they were surprised to see everyone dressed in the Gay 90's style in preparation for Klondike Days.

They visited North Battleford and Saskatoon, places where Mrs. Matthews' parents had lived many years ago. In Winnipeg they visited with the sister of Mr. Matthews, Mrs. Naomi Sorenson and family and then drove south through the US, where they stopped near Grand Forks and visited again with members of their family.

They stopped at Sault Ste. Marie and enjoyed a boat trip through the locks and headed for home.

They left home, July 4, in heavy rain and had rain again in Edmonton, but otherwise had beautiful weather, and enjoyed an easy trip with no reservations of strict schedules to keep to. They found accommodations easy to obtain by stopping early enough in the day.

It seems that the hardest part of the holiday, as for most folk, was getting back into the routine at home.

Maple Senior Citizens A full bus of senior citizens left Maple early on the morning of July 21 with temperatures hovering at the "shiver" level and rain threatening. By the time they were well on the road the skies were clearing and good weather promising for the day.

They arrived at Midland before 10 am and boarded the "Midland-Penatang 88" for a wonderful three hour cruise among the 30,000 islands. The

seniors had the boat all to themselves and even with nearly 40 people, it seemed almost empty.

The management was most obliging in providing blankets, since even though the stern section of the boat was glassed in, it was still chilly, with the boat headed into the wind. When the boat turned back, with the wind behind, many ventured out on the front deck to enjoy the sun, which it seems always shines on our senior citizens.

To stave off the pangs of hunger the members enjoyed coffee from the snack bar on board and cookies which had been provided by Mrs. Lella Hynd, who has been going along on these trips in the capacity of nurse whenever she has the time.

The boat arrived back at the dock promptly at 1 pm and the group walked the short distance to the Diana Restaurant where they enjoyed a hearty dinner and good service.

After leaving Midland, the bus headed for Orillia and the home of Stephen Leacock on Lake Couchiching. Although several were getting tired at this point and remained on the bus, most of the members went along on the lengthy tour provided of the well known and loved author.

The bus returned to Maple by the more scenic route and although it was much later getting home than planned, everyone seemed to enjoy their outing.

Plans are underway at the moment for two more outings, the first to Toronto Island, with the one hour boat cruise through the islands and the harbour area, and the second, a two day excursion to the Ganoquoque-Kingston area for the 1,000 Islands boat cruise and visits to historical sites in that area.

Dates have not been set for either cruise, although Percy Putterbaugh or Mrs. Louise Cooper will be glad to hear of any preferences. Keep an eye on this column for further details.

All senior citizens should take note of the offer made by Avenue Taxi for free transportation for all senior citizens on Wednesday afternoons from 1 till 4 during the month of August for a five mile radius. Please read announcement under transportation heading on classified page.

A wonderful idea and a generous gesture that we feel sure will be appreciated by those of our seniors who do not have their own transportation.

Scouts and Cubs Camp Hiljac has been a beehive of activity with a day camp running for a full week last week, and another planned for August. This camp is for Cubs, Scouts and Venturers.

Baseball The boys' baseball games on July 20 were rained out so we have only the scores from July 23. The Tiger Cubs won over the Leafs 5 to 4, the Panthers won over the Lions 13 to 10 and the Beavers trounced the Buds 19 to 2.

This puts the teams in the following standing:

Team	W	L	T	Pts
Leafs	5	1	1	11
Beavers	5	2	0	10
Lions	4	2	1	9
Leafs	2	5	0	4
Tiger Cubs	3	4	0	6
Buds	1	6	0	2

We were unable to get the scores for T-Ball, but will try to have two weeks scores for the next issue.

Neighborhood Notes A warm welcome is extended to Mrs. Drew Wilson from Newry, Northern Ireland, who is holidaying with Mr. and Mrs. S. McGowan and family. We hope she enjoys every minute of her stay in Canada.

Jack Houston of Edmonton, Alberta is holidaying with his niece, Mrs. Fred St. Johns, before starting a trip to Ireland. Mr. Houston is 81 years old.

Congratulations to Mary King who won a lovely handmade quilt in a raffle held by the women's group of Houshey Rapids near Gravenhurst.

Brian King and Luigi Sartor have just returned from two weeks at Camp Medeba, West Guilford.

Doncaster Bible Chapel on Clarke Avenue is holding Sunday school at 11 am for the summer months. Alex Miller is still picking children up on Crestwood Road.

Mrs. Margaret Ryan, Susan and David went to the wedding of their cousin in Dunville, July 25. Susan was one of her cousin's bridesmaids.

girls as of July 23:

Team	W	L	%
Eringate	13	0	1000
Maple	15	12	3 800
Thistleton	15	11	4 733
Richmond Hill	15	8	7 533

Bramalea	12	3	9 250
Willowdale C's	16	3	13 188
Alderwood	12	0	13 0

Although the number of games played by each team seems irregular, there have been several games rained out, games not played for other reasons and even a game when no score was available.

The teams now go into the first playoff series with the best two out of three games and two weeks to play the games.

Eringate plays Woodbridge, Maple plays the Willowdale B's, Thistleton plays Bramalea and Richmond Hill plays the Willowdale WC's.

The Maple Sugars last week won against the Willowdale B's 14 to 5 and against Richmond Hill 9 to 7 to put them in second spot.

Vellore Hall Erected In 1845 To Undergo \$19,850 Facelifting

Vaughan Township Council has taken steps that will preserve for posterity historic Vellore Hall. This community hall has provided accommodation for meetings, community entertainment and special events since it was first built in 1845.

For many years before the township offices were built in Maple it provided accommodation for council meetings and for polling booths.

In 1919 it became a "memorial" to the men from the township who had served in the armed forces of World War I and the Vellore Women's Institute undertook its renovation and maintenance.

Council included \$20,000 in the 1970 budget for renovations to the building. Specifications were drawn up and tenders called. The low bid was submitted by Dashwood Construction Ltd. of Rexdale in the amount of \$19,850 with a completion date of six weeks. This was accepted by council at its July 20 meeting.

High bidder of the four received was for \$23,950 with a completion date of 10 weeks. The alterations will include a one-storey addition 11 by 22 feet to accommodate two wash-

Binder Twine Fete September 12

The fourth annual Kleinburg Binder Twine Festival will be held on the main street of the village September 12. The Shaw Binder Twine Festival was a Centennial project in 1967, following a suggestion by the late Vic Ryder with the backing of the Rotarians and others. It was a revival of the old binder twine delivery nights held by the late Charles Shaw Jr. from 1892 until 1931.

The big day attracts about 10,000 people and this year all organizations are taking part, including Rotary, Lions, Women's Institute, Home and school, volunteer firemen, church groups, Scouts, Guides and others.

Entertainment will go on all day with the famous Moxie Whitney Orchestra from the Royal York Hotel being featured along with Murray Morrison and his square dancers, Irish dancers, Westview Centennial Band, and the award-winning barbershoppers, the Queen City Harmonizers.

Comedians Johnny Wayne and Frank Shuster and TV personality Fred Davis will be special guests.

The festival is free for children and only 50c for adults.

Neighborhood Notes

Larry and Jean Price, with Steven and Lynn, were guests of Pat and Bonnie McCauley at their hideaway on Black Lake near Bala recently. The Prices were trying out their new Starcraft hardtop trailer and report that everything worked out well.

The McCauleys and Doug, Debbie, Trudy and Cameron were also enjoying the weekend and there was always something going. Swimming, fishing, water skiing and exploring all added to the weekend's pleasure and activity.

The McCauley family were guests of the Prices for a barbecue steak dinner Saturday and on Sunday the Prices joined the McCauleys for a hot roast beef dinner. The delicious beef had been roasted in an outdoor oven Pat had rigged up out of an old range destined for the dump.

A happy hour was held each day from 4 to 5 pm for the adults at Prices' trailer and no children were supposed to disturb them, but you know children.

The weather, which was rather wet and miserable Saturday morning cleared up and the rest of the weekend boasted beautiful sunny skies.

A welcome to Concord is extended to Mr. and Mrs. MacHarrington and daughters, Jennifer, 2½ and Heather, six weeks. The Harringtons come to King High Drive from Sarnia, by way of Thornhill.

A farewell from the community goes to Mrs. Gladys Marshall, who is moving from King High Drive to a new home in Stayner. Mrs. Marshall has lived in Concord for more than 16 years.

Weekend guests at the home of Mr. and Mrs. William Lacey, Lawrie Road, were Mr. and Mrs. Herb Kelly and family of Stayner. Pam, Denise and Ronda Kelly stayed the week as guests of the six Lacey children.

A happy vacation is wished for Mrs. Elizabeth Walsh, who makes her home with her daughter, Mrs. Lacey. Mrs. Walsh is visiting her brother and sister in Ramsey, New Jersey, whom she hasn't seen in 25 years.

After visiting in New Jersey, Mrs. Walsh will go to Meriden, Connecticut, to see her daughter, Mrs. William Schneider, Mr. Schneider and family and attend the wedding of granddaughter Kathy on September 7.

Shaw Reunion Once a year, members of the families of Mr. and Mrs. Earl Shaw, Kleinburg, and Carl Shaw, RR 1, Kleinburg, get together for a picnic. For four years hosts have been Mr. and Mrs. Ken Kitchen, RR 3, Schomberg.

The 1970 "Aquarius" picnic was held at the Kitchens' Farm, July 19, with 58 members of the family present. Little Richard Garry Maarse, 3½-month-old son of Mr. and Mrs. Case Maarse of Bolton and grandson of Mrs. Cecil Burkitt of Kleinburg, was the youngest person in attendance. Coming from the farthest distance were Mr. and Mrs. Clark Shaw from Pierre Fonds, Quebec, with their children, Karen, Kevin, Kyle and Kelley.

Mr. and Mrs. Doug Kilner, Brent and Barbara, came with Mrs. Norman Howard, all of Toronto. Also from Toronto were Mr. and Mrs. Bill Shaw, Mr. and Mrs. Doug Howard of St. Catharines enjoyed meeting relatives again, while their little ones, Glen, Linda and Donna, played with their cousins. Mr. and Mrs. Bob Purdham, Steven, Paul and Danny arrived from Sharon to meet the clan.

Games were played in the pouring rain and lunch was served in the big farmhouse kitchen. Red roses were won by Mr. and Mrs. Carl Shaw, RR 1, Kleinburg, for having birthdays closest to the reunion date. Winners in this category, too, were Howard Shaw of Weston and Mrs. Hank Van Bommel of Malton. Mrs. Frank Shaw of Kleinburg guessed closest to the number of peanuts in the jar. Indoor games were enjoyed due to the rainy weather.

Mrs. Andy Shaw missed the picnic together as she is recuperating in the hospital.

Lucky Winners

The group committee of the 2nd Kleinburg Scouts are happy to announce the winners of the Camp Adventure Draw: Mrs. Donna Craig, a case of soap; Mrs. Janet Berton, 10 gallons of gas; William Kerr Sr., lawn fertilizer; Mrs. Jean Ellis, case of soap; Olive Mortelliti, car floor mats; Cyril Legge, watch; Mrs. Shirley Shaw, go-cart clutch; Mrs. Doris Wheeldon, electric can opener; Bill McKellar, Cobra bicycle.

The committee thanks all residents of Kleinburg and district for their continuing support which enabled 27 Scouts to attend camp in Haliburton this year. Special thanks goes to the sponsors - Glaxo-Allenbury, Mavs Elevator, Silverwood's Dairy, CP Tool, Norm Hall's Garage, Rowan Electric, Wegner and Sons and Kleinburg Rotary.
