Mr. and Mrs. Jack Fullman and daughter Karen of Bathurst Street and her friend Caroline Lomas of Jefferson Side-road, enjoyed two weeks in the Halliburton Highland at a cottage at Braemar, south of Redstone Lake. The cottage is owned by Mr. and Mrs. John Macdonald, Mr. Fullman's brother-in-law and sister. Swimming and canoeing and exploring Ruby Lake, a charming little body of water named for Mrs. Macdonald, filled the pleasant holiday.

Guests of Mr. and Mrs. Robert Bowyer of Gamble Sideroad for a couple of days recently were Mr. and Mrs. Len Lidle and son Larry of Fort Lauderdale, Florida. They were on their way to Alaska for a month's vacation. Mrs. Lidle is Mrs. Bowyer's sister.

The service at St. John's Anglican Church on Sunday will be a celebration of Holy Communion at 10 a.m. The celebrant and preacher will be the rector, who has returned from his vacation.

Last Sunday the preacher at the Litany was Lay Reader Leslie Elliot.

The monthly deanery prayer vigil in support of the forthcoming Bardsley Mission was held at St. John's July 27.

Neighborhood Notes

Last Saturday Mr. and Mrs. Harry Burton attended the wedding of Moira Davison to Donald Fagan in Silverthorn United Church, Toronto. Miss Davison is the daughter of a long-time friend of the Burton family.

Mr. and Mrs. Wes Clark visited George and Ruth Boynton in Woodbridge July 20. Other visitors for the day were the C. Conrod family of Toronto. The Boyntons' swimming pool was enjoyed by all.

With the clearing of the weather there has been more activity on the baseball diamonds. Victoria Square men continue to dominate their league, tying Markham 3-3 July 23 and defeating Stouffville July 27 and 30. The scores of both games were 8-4.

Unfortunately, the Headford boys' team hasn't been very lucky lately. July 27 they forfeited their game to Victoria Square when they couldn't field enough players. Then they lost to Oak Ridges 15-6 July 29.

Last Thursday George and Harry Burton drove two residents of The Villa Private Hospital to visit friends in Oshawa. They were able to do this by using a van donated to the Villa by Richmond Hill Lions. The van, designed to accommodate wheelchairs easily, is at the disposal of anyone wishing to take

From the Headford ladies' ball team comes good news this week. In our first encounter with Unionville Junior Farmers Monday, we won 17-13. Wednesday we were able to down

Mrs. W. Preston of Willowdale, who is Georgie Burton's sister and well known to many people in Headford, gave birth to an 8 lb. 11 oz. baby girl recently. Mother and baby are both doing fine.

Thornhill Scouter Will Head York Summit District Council

Arie Van Velzon of Dudley Avenue, Thornhill, was elected president of York Summit District Scout Council at the annual meeting held in June at St. Mary's Anglican Church, Richmond Hill.

Assisting Mr. Van Velzon on the executive will be Vice-President Ray Weeks of Richmond Hill, Secretary Mrs. Ralph Day Doug Toogood.

Elected to the executive committee were: H. Bolger, T. Bullen, A. Chester, Mrs. Fred Field, R. Gilpin, B. King, Robert Miller, B. Murdoch, Peter Nye, J. Rigby, R. Russell, Peter Sale, Robert Sandy, P. Scott and the Rev. Fred Jackson.

Ken Collins of Markham was re-appointed district commissioner.

Past Presidents Doug Toogood, H. Perry, A. McNaughton and Robert Madill were introduced and welcomed and one minute's silence was observed in memory of the late Greg Turner.

Retiring President Bob Miller recognized the chairman of the various sub-committees — C. Mowry, OSE, B. King, camping and water safety; J. Rigby, training; Fred Cann, public relations; W. Harper, hobby show, and Mrs. Fred Fifield, ladies' auxiliary executive.

Assistant Provincial Commissioner Ron Sculthorpe of Richmond Hill announced that 40 acres in the Hockley Valley will

be under the administration of York Summit District and will be used mainly by Venturers and Scouts.

District Commissioner Ken Collins presented certificates for Scouting (five years or longer service) to Mrs. Ida Madill, W. Widdifield, R. Sandy, C. Mowry, B. King, B. Winje, F. Conroy, R. Madill, Arie Van Velzon, R. Russell, W. Harper, Fred Cann and Rev. Fred Jackson.

An interesting highlight of the meeting was recognition of bravery displayed by three members of 2nd Thornhill Troop, who rescued three youths from an overturned boat during darkness on Eugenia Lake, near Flesherston, May 16. Scouter E. McCrimmon introduced George Beardwood, Bruce Rozyccki and Bob McCrimmon who were presented with Scout crest cufflinks.

District Chaplain Rev. Fred Jackson, speaker for the meeting, told the group that he had joined Scouting in 1908, and gave an account of the early years of the movement under the guidance of Founder Lord Baden-Powell. The movement now is flourishing in 97 countries with more than 12 million members.

A friend of Scouting has donated a membership in the Bruce Trail Association to the District Council and members.

High Producing York County Dairy Herds Are Named In ROP Report

By AL WALL
Agricultural Representative
for York County

The high producing dairy herds in York were named last week in the ROP report. Herd averages for both milk and fat are used, using the BCA system.

I think it's useful to know where these herds are, so here is the list of tops. Morley Cook of Armitage was high in Ayrshires, with M. L. Jarvis at Unionville, the runner-up.

Kingfield Farms and Tannery Hill Farms at King were high in the Guernsey breed. The top Jersey herds were those of K. E. Haas at Woodbridge and Norman Bagg of Thornhill.

Bill Staines at Queensville had the best production in Brown Swiss, despite the fact that Lloyd Balsdon is officially at the top. Lloyd has a spectacular record. His Swiss herd at 179 had the highest BCA of any breed. The trouble is there is just one cow in it, so even with her great effort we still have to class Lloyd as a Guernsey breeder.

In Holsteins, there were five herds with averages of over 16,000 lbs. of milk. Rowntree's at Woodbridge had 16,800 for milk, 614 of fat on 64 records for a composite BCA of 153. The others were Gordon Vickers at Newmarket, Robert King at Woodbridge, Dick Munro at Sutton, and Green Valley Farm at Kleinburg.

In these herds, all areas of management had to be good. The men involved can all take a lot of pride in their accomplishment.

There is no question at all that milk production levels in a dairy herd have more influence on money to be made than anything else. The only way a dairy farm can hold its own is to keep the herd average going up at the same rate as production costs.

Farm safety is another topic well worth attention, and here are a few points that stand out. Around 1300 fatalities are expected this year from farm accidents. Tractors will be involved in 78% of these. Most of the time the operator will be tired and under stress.

One-third of the fatal accidents will be on highways, and most tragically, 20% of the fatal accidents with farm machinery involve children under the age of ten.

NEWMARKET — Town Council has agreed to support a request for a vote this year on allowing liquor lounges, even though a three-year wait is normally required after the question's 1968 defeat. The reason is that East Gwillimbury voted for lounges in the last election and a lot of the East Gwillimbury area is being incorporated into the town.
