

Ontario Scholars At Bayview

Margaret Harmon 88% Lois Gee 86% Sharon Hanns 85.4% Stephanie Blissett 85% David Glanville 81.4% Lorne Ormerod 81.3% Barry McKillop 80.4% Richard Clow 80.1%

Bayview Secondary School is justifiably proud of its eight Ontario Scholars, for in order to qualify for the Department of Education \$150 cash scholarship and award, a student must average 80 percent or better in his top seven subjects in grade 13.

All of the Bayview winners plan to enter Ontario universities in the fall.

Top student at Bayview was Margaret Harmon, 19, daughter of Mr. and Mrs. Kenneth Harmon of Victoria Square, whose average at the end of the year was 88 percent. Her plan is to study modern languages at Victoria College, University of Toronto, then go on to teaching or a diplomatic career.

Modern languages and literature are the choice of Sharon Hanns, 18, daughter of Mr. and Mrs. Stan Hanns, 268 Essex Avenue in Richmond Hill, who had an average of 85.4.

When she completes her course at Trinity College, University of Toronto, she plans to go into the teaching profession.

Sharon, too, was a member of the band, and was a library assistant at school, but at the end of June her plans for the summer were uncertain.

Stephanie Blissett, 18, daughter of Mr. and Mrs. Charles Blissett, 468 Paliser Crescent North, will also be going to Trinity College, but will major in English and history.

The head prefect for the year, Stephanie was very active in school affairs, and a member of the "Powder Puff" team. She is working in a local pharmacy.

Mrs. Wm. Bury Dies In Regina Car Crash

A resident of Arnold Street, Richmond Hill for almost two decades, Mrs. Phyllis Bury died in a car accident near Regina last Friday.

A native of Brandon, Mrs. Bury grew up in Kingston and came to Richmond Hill when her husband William Howarth Bury joined the staff of the York County Children's Aid Society. They left this town for Winnipeg when Mr. Bury assumed the duties of head of that city's Children's Aid Society.

During her years of residence here Mrs. Bury, as well as her husband and children Philip and Leslie, was very active in the organizations of St. Mary's Anglican Church. She served part time on the nursing staff of York Central Hospital, worked with Guides and Brownies, instructed St. John Ambulance courses and generally showed an interest in the community.

Funeral services and cremation will be in Winnipeg on Friday, with a memorial service planned at St. Mary's Anglican Church, Richmond Hill, for 2 pm Monday.

THE YORK COUNTY DISTRICT HEALTH UNIT

Is pleased to announce that there will be a Clinic for the application of

TOPICAL FLUORIDE

to the teeth of young children in RICHMOND HILL THIS SUMMER

This treatment, given by Registered Dental Hygienists, includes cleaning of the teeth, takes about 20 minutes, and is painless. It makes the teeth more resistant to decay.

Register your 3 to 7 year old child or children for this free service by telephoning: 884-1133

Commuting By Railroad No GO

(Continued from Page 1)

and is a problem few people seem to realize. As much as I sympathize with the York County residents who have tried in vain to initiate a rail transit system, I do not go along with the general consensus that CN is entirely to blame for its seeming lack of concern or unwillingness to handle this service. It would be only a burden on CN's back unless proper facilities are provided, and as stated the facilities in use now are satisfactory for ordinary railroad use.

I am a great believer in public transit and long for the day when I may board a train to commute to downtown, rather than use a bus that is caught in the daily traffic jam. It seems such a shame that we in the Toronto area are making the same mistake other large cities on this continent made years ago when they shelved rapid transit in favor of the almighty expressway, and have regretted their move ever since.

KENNETH McCUTCHEON, 21 Grandview Avenue, South Thornhill.

ers by qualified train order operators who are located at wayside stations. If an increased number of trains begin running, the necessity of reopening a few stations will be thrust upon the railroad to provide greater efficiency in the carrying out of operations and as a measure of safety. However, the CN has just nicely managed to close a few of the stations in question and is in the process of eliminating a few more as part of its centralized agency centre.

In order to maximize the efficiency of this line as a single track right-of-way the obvious solution is to install signals and automatic switches as was done with the track running through Richmond Hill a number of years ago. The CN has no need for this now or of reopening any stations as the traffic handled at this time is done with as much efficiency as is required.

The capital outlay required to do any of the above, or, as an alternative, to double track either of the lines, is tremendous and it seems the provincial government is not prepared to provide these finances for a rail transit system.

But, if we wish a system running north similar to the Lakeshore GO Transit, conditions must also be similar. The GO trains running east and west of Toronto travel over a double track line with numerous cross-overs to route them around slower trains. The freight train congestion problem was solved when the CN opened the new access lines to the hump-yard west of Concord.

This is quite a contrast to the situation facing GO North

Venturers Host German Scouts

Kleinburg-Nashville Venturers of the Boy Scout Movement are hosting five Scouts from Germany this week in their homes and next week at Beausoleil Island National Park in the 30,000 Islands of Georgian Bay.

Before coming to this area, the German Scouts were the guests of Scouts near Philadelphia, Pennsylvania, who participated in our SCOPE exchange of visits by Scouts of that and this areas.

Their Canadian itinerary included a reception by the German Consul-General, 77 Admiral Road, Toronto, Tuesday morning. A visit to the Haliburton Scout Centre was also a highlight of their stay in this area.

Life in the Hill editor margot crack

Miss Sadie Simpson of Glasgow, Scotland, an examiner for the British Association of Teachers of Dancing has just completed a tour of Canada. During her stay in this area she was the guest of Dennis Moore, owner of the local dance studio which bears his name, at his home in York Mills.

Her friends in Richmond Hill will be interested to learn that Norma Jackson, former choir leader at St. Matthew's United Church, and her husband Ray, of Newmarket, have just returned from a wonderful holiday in Japan.

Although they visited Expo to hear relatives and friends perform in the Cummer Valley Concert Band, they also took many tours of the Land of the Rising Sun and came home laden with mementoes of their happy vacation.

Planning a camping or fishing trip, a relaxing holiday at a lodge, a tour of Canada or the States or are you taking off on a trip to Europe? Or maybe entertaining guests from out of town?

News of your activities makes interesting reading for "Life in the Hill" columns — the service is free — just phone the Social Editor Margot Crack at 884-1105-6 or drop a line to 63 Yonge Street South — we'll be pleased to hear from you.

Guests of Mr. and Mrs. Julius Bork, Yonge Street South, for a couple of days last week were Mrs. Bork's sister, Mrs. Harvey Rutz and Mr. Rutz of Pembroke and her brother, Edwin Goldberg of Ottawa. The visitors enjoyed seeing the sites of Toronto and especially a tour of Casa Loma.

An ice cream social in connection with the summer flower show of the Richmond Hill Horticultural Society will be held in the Lions Hall, at 8 pm August 11. Old fashioned dresses will be the order of the evening and an added attraction will be the old-time music of Elsie Patton and Stan Leno. The refreshments are being conveyed by Florence LeClaire and the flower show by Mrs. L. Banks.

Fellow members of Dynes Fastball Team, players from other teams in the league, friends and relatives, numbering almost 50, gathered at the home of Russell Cripps, Boisdale Avenue, Friday night to honor Danny Payne. Danny is marrying Sue Lalonde in Our Lady Queen of the World Roman Catholic Church this Saturday at 5 pm. The young couple will be living in Windsor where Danny is attending university. Sue has been on the teaching staff of Beverley Acres Public School.

Mr. and Mrs. A. Matchars and family of 59 Yongehurst Road recently visited the Ringling Museums at Sarasota, Florida, while vacationing in that state.

The Ringling Museums are situated on 68 tropical landscaped acres, a gift of John Ringling to the state. They consist of the Museum of Art; the Asolo Theatre, the only original 18th century Italian theatre in America; the Ringling residence, "Ca'd'Zan"; a \$1.5 million Venetian gothic palazzo; and the Ringling Museum of the Circus, the first museum dedicated to the history of the circus.

Entertaining for Miss Valerie Smook, daughter of Mr. and Mrs. Walter Smook of RR 1, Richmond Hill before her recent marriage to Delwyn Fuller in Thornhill Baptist Church were:

Mrs. Evelyn Hall who held a luncheon and personal shower at her home on Westwood Lane, Thornhill — Mrs. Nan Jardine of Richmond Hill and Mrs. Marjorie Muckle or Orton Crescent, Thornhill, were co-hostesses of this event;

Mrs. Edna McLeod, who with Mrs. Vera Wilson, entertained at a miscellaneous shower at her home on Vistaview Drive, Thornhill;

Mrs. Olga Kavs of Spruce Street and Mrs. Dianna Taylor of Algonquin Crescent, both in Aurora, who held a kitchen shower;

And Mrs. Dem Pollock of Westwood Lane who entertained the bride and members of her family at a shower.

A linen shower was hosted by Miss Denyse Charlebois in Simcoe Hall, a residence at the University of Guelph.

Out-of-town guests at the Higgins-Niddrie wedding in St. Mary's Anglican Church July 25 were Mr. and Mrs. Paul Wilson and children, Elaine and Greg, from California; Mrs. Leonard Bohm of Chatham, Mrs. Leonard Klein of Delray Beach, Florida, and Larry Read of North Bay.

Sympathy of the community is extended to Mrs. Edward Lomax of Lynett Crescent and her family on the death last Saturday of Mr. Lomax. The funeral service was held Wednesday morning with interment following in Pine Hills Cemetery. Mr. Lomax has been an active member of the Richmond Hill Senior Citizens for several years.

Senior citizens in Richmond Hill are reminded that the owners of the co-operative Avenue Taxi are offering transportation to them Wednesday from 9 am to 4 pm during August only. The offer is good in Markham, Vaughan and Richmond Hill within a five mile radius of the pickup point. Phone 884-1111 or 889-5477, if you can use free transportation on Wednesdays.

Members of the congregation of the Anglican Church of St. Gabriel the Archangel, Richmond Hill East, will have an unique experience August 23, when they will hold a "Service of Blessing" aboard the ship Saorsa, in Toronto Harbor.

The Saorsa is a 56 foot by 24 foot catamaran with a draft of 34 inches and a gross load of 12 tons. It will sleep eight persons and requires a minimum crew of four.

Captain Bruce Robertson is a member of St. Gabriel's congregation and lives near the Town of Markham. He and his two sons and two other crew members plan to sail the vessel through the Erie canal to the Hudson River and New York City. From there they will travel 500 miles in a southeast direction to the island of Bermuda. Another 1,200 miles will take them to Antigua and 320 more miles to their destination, the island of Barbados. There they will engage in day chartering, taking a maximum of 50 people out on a cruise at a time, hopefully three times a day, for approximately nine months.

Following the service of blessing August 23, members of St. Gabriel's congregation attending will have the pleasure of a sail on Lake Ontario.

Residents of Richmond Hill and surrounding area are reminded that a Red Cross Blood Clinic is scheduled for the Lions Hall, Centre Street East, August 27 between the hours of 2 and 4 and 6 and 9 pm. Mark the date on your calendar and plan NOW to make your gift to life at that clinic.

If the response from the area served by York Central Hospital is good then the percentage of blood available to the hospital from the central blood bank is increased. York Central, in common with all hospitals in the Metro area has had to postpone elective surgery because of shortage of blood this summer.

Remember the life your donation of blood saves may be your own.

WHO CARES ABOUT MON- EY? Don't we all?

The Consumers' Association of Canada cares since it has, from 1947, been working on our behalf to make more certain every year that we get more value for the money we spend. They advise consumers to help themselves — by study, by discussion, by practical example and hard fact.

A CAC Group will be started in Richmond Hill in October under the sponsorship of the local YWCA. If you are interested in joining phone 884-4811.

This is just one of the many new and exciting things for all age groups, men and women, boys and girls, planned by the Richmond Hill "Y" for the coming season.

Twenty-six days in England were enjoyed during July by Mr. and Mrs. Thomas Murphy and 13-year-old Ricky of Palmer Avenue. They spent eight days in London visiting all the historic sites and the zoological gardens and especially enjoyed a boat ride on the Thames.

They spent the rest of their holiday with Mrs. Murphy's sister, Mrs. Ann Plevin in Bramley, a suburb of Leeds, Yorkshire, and also managed to visit Blackpool and Scarborough, two famous seaside resorts.

Ricky, who last saw his relatives when he was a year old, got to know them all on this trip.

The Murphys were impressed with the amount of home building in England including a few high-rises and numerous semi-detached dwellings. In London, they report a large number of the older buildings are being renovated with extensive work on the interiors, but with the exteriors spruced up in order to preserve the character of the city "instead of demolishing them, as we do here."

The Murphys travelled with a charter flight on "Wardair Airlines" and are high in their praise of the airline equipment and service. "It was tremendous, and played no small part in making our holiday a memorable one," Mr. Murphy said.

Neighbors and friends extend sympathy to Alfred Cillis of Hillside Drive and his family on the loss of his mother, Mrs. William Percy Cillis in Collingwood Friday. The funeral mass was sung at Our Lady Queen of the World Roman Catholic Church Tuesday with interment in Holy Cross Cemetery. Mrs. Cillis formerly lived at Pottageville in King Township.

Residents of Richmond Hill and surrounding area are reminded that a Red Cross Blood Clinic is scheduled for the Lions Hall, Centre Street East, August 27 between the hours of 2 and 4 and 6 and 9 pm. Mark the date on your calendar and plan NOW to make your gift to life at that clinic.
