Action On Stalled Thornlea School Pool

Prodded by the North Thornhill Recreation Association, Markham Township Council last week decided to hold a meeting with the York County Board of Education to discuss the Thornlea Secondary School swimming pool that was promised

But there was evidence of reluctance in council over spending carefully rationed capital funds on a project in an area mooted for annexa-

tion by Metro. The pool is expected to cost somewhere in the vicinity of \$280,000.

of the mess the province has thrown this area in. It's a case of the forgotten people below Highway 7. We would certainly get our investment recognized if there is a boundary change, and I would certainly go along with this project." said Thornhill Councillor William Masters.

only so many capital dollars plans, he said. available for township projects each year, and the school board to find out their is imminent. There is no early in the year,

the holiday by entering a con- pher from the magazine from

In letters to the Markhain Township Council and the York County Board of Education, North Thornhill Recreation Association President Sam Masson pointed out that the local community was concerned over the lack of progress in reaching a decision regarding the proposed swimming pool at Thornlea

"A study, with a recommendation for the installation of a semi-olympic pool, was submitted to council several months ago. Council agreed to refer this matter to a meeting in committee at an early date. The meeting was not held and the efforts to obtain positive information from members of the Parks and Recreation Committee have not been satisfactory," said the letter to
